United States Patent and Trademark Office United States. Patent and Trademark Office, 2001 **Berkhof's Systematic Theology Revised** Louis Berkhof, 2019-09-06 Considered one of the best books on Systematic Theology ever written it covers all the basics on the reality of God the atonement of Christ and the final state of man and the last things Anyone that wishes to study theology would be wise to read this book as many in the Reformed tradition hold that this book is a landmark book in its field Now in larger print *Wesley and Whitefield? Wesley versus Whitefield?* Ian J. Maddock, 2018-02-28 John Wesley and George Whitefield were in many ways larger than life figures during their own lifetimes and continue to be so today Yet our ability to appreciate their abiding influence on contemporary Evangelical theology and practice is lacking if we consider

them in isolation from one another Our understanding of Wesley and the legacy of his public ministry is impoverished apart from considering Whitefield and vice versa This collection of essays explores the complex dynamics at work in the Wesley Whitefield relationship spanning a variety of theological historical and pastoral facets of their full orb'd public ministries They serve as an invitation to grow in our awareness of their undoubted affinities and significant differences all the while resisting the potential allure of either uncritically ecumenical Wesley and or uncharitably partisan Whitefield versus narratives
