Work-Life Balance in the Modern Workplace Sarah De Groo, 2017-06-23. The term work-life balance refers to the relationship between paid work in all of its various forms and personal life which includes family but is not limited to it. In addition, gender permeates every aspect of this relationship. This volume brings together a wide range of perspectives from a number of different disciplines, presenting research findings and their implications for policy at all levels: national, sectoral, enterprise, workplace. Collectively, the contributors seek to close the gap between research and policy with the intent of building a better work-life balance regime for workers across a variety of personal circumstances, needs and preferences. Among the issues and topics covered are the following: differences and similarities between men and women and particularly between mothers and fathers in their work choices; third shift work; work at home at night or during weekends; effect of the extent to which employers perceive management of this process to be a burden; employers' exploitation of the psychological interconnection between masculinity and breadwinning; organisational culture that is more available for supervisors than for rank and file workers; weak enforcement mechanisms and token penalties for non-compliance by employers; trade unions as the best hope for precarious workers to improve work-life balance; crowd work on demand; performance of tasks by persons selected remotely through online platforms from a large pool of potential and generic workers; an example of how to use work-life balance insights to evaluate the law; collective self-scheduling; employers' duty to accommodate; financial hardship as a serious threat to work-life balance. As it has been shown clearly that work-life conflict is associated with negative health outcomes, exacerbates gender inequalities and many other concerns, this unusually rich collection of essays will resonate particularly with concerned lawyers and legal academics who ask what work-life balance literature has to offer and how law should respond.

Economic Crisis, Quality of Work, and Social Integration Duncan Gallie, 2013-09-12. This book provides a comparative analysis of the impact of the economic crisis on the quality of work and work-life balance.

Work-life Balance and the Economic Crisis Lourdes Mella Méndez, Lavinia Serrani, 2015. No one can deny the significance attributed to the issue of reconciling work and private life by contemporary society. The EU and other international organisations. Its relevance is evident in the multifaceted nature of this topic and the need for each party to the employment contract to strike a proper balance between professional and personal responsibilities based on the assumption that people can successfully harmonise their work with life. Interdisciplinary Perspectives on the Threats and Impacts of Pandemics Omeraki Çekirdekci, Şahver, İngün Karkış, Özlem, Gönültaş, Suna, 2021-11-26 The COVID 19 pandemic shook the world to its core After a brief pause organizations of all kinds had to adapt to the new circumstances given to them with very little time The presence of the pandemic caused multiple threats that caused several disruptions to the norms beliefs and practices in various domains of everyday life Both from macro and micro perspectives individuals households markets institutions and governments developed strategies to respond to the new environment responses that hope to eliminate or at least decrease the threats of the COVID 19 pandemic The Handbook of Research on Interdisciplinary Perspectives on the Threats and Impacts of Pandemics explores the COVID 19 pandemic from an interdisciplinary perspective and determines how future pandemics may impact society Beginning as a health threat the pandemic has led the way to economic social psychological political and informational crises necessitating the examination of the phenomenon from different academic disciplines Covering topics such as distance education human security and predictions this handbook of research is an essential resource for scholars managers media representatives governors health officials government officials policymakers students professors researchers and academicians *Work-Life*

Advantage Al James, 2017-10-04 Work Life Advantage analyses how employer provision of family friendly working arrangements designed to help workers better reconcile work home and family can also enhance firms capacities for learning and innovation in pursuit of long term competitive advantage and socially inclusive growth Brings together major debates in labour geography feminist geography and regional learning in novel ways through a focus on the shifting boundaries between work home and family Addresses a major gap in the scholarly research surrounding the narrow business case for work life balance by developing a more socially progressive workerist dual agenda Challenges and disrupts masculinist assumptions of the ideal worker and the associated labour market marginalization of workers with significant home and family commitments Based on 10 years of research with over 300 IT workers and 150 IT firms in the UK and Ireland with

important insights for professional workers and knowledge intensive companies around the world **Gender and the European Labour Market** Francesca Bettio, Janneke Plantenga, Mark Smith, 2013-03-20 The book presents state of the art research on women's current position in European labour markets. It combines analysis of the latest trends in employment, occupational segregation, working time, unpaid work, social provisions, especially care provisions, and the impact of the financial crisis with overall assessment of the actual impact of the European Employment Strategy and the specific impact of key policies such as taxation and flexicurity **Current Issues in Tourism, Gastronomy, and Tourist Destination Research**

Hera Oktadiana, Myrza Rahmanita, Rina Suprina, Pan Junyang, 2022-05-25 The book focuses on contemporary research on tourism, gastronomy, and tourist destinations presented at the 3rd Tourism, Gastronomy, and Destination International Conference TGDIC 2021. It serves as a platform for knowledge and experience sharing and invites tourism scholars, practitioners, decision makers, and stakeholders from all parts of society and from various regions of the world to share their knowledge, experience, concepts, examples of good practice, and critical analysis with their international peers. The research papers presented at the conference were organized into three main categories: tourism, gastronomy, and tourist destinations, written by authors from various countries such as Indonesia, China, India, Switzerland, UK, Portugal, and Hungary.

Research Handbook on EU Labour Law Alan Bogg, Cathryn Costello, A.C.L. Davies, 2016-12-30 Research Handbook on EU Labour Law features contributions from leading scholars in the field. Part I addresses cross-cutting themes such as the relationship between EU law and national law, the role of human rights in EU labour law, and the impact of austerity measures. In Part II, the contributors focus on topics in individual and collective labour law at EU level, including working time and job security. Finally, Part III offers a comprehensive overview of the EU's interventions in equality law. *Gender and the Economic Crisis in Europe* Johanna Kantola, Emanuela Lombardo, 2017-02-22 This book is a unique exploration into the gendered politics of the economic crisis in Europe. It focuses firstly on the changes in the political and economic decision-making institutions and processes of the EU and their consequences for gender equality policy. Secondly, the book analyses the gendered impacts of austerity politics on member states, gender equality policies, institutions, regimes, and debates. Finally, it addresses feminist and intersectional struggles and resistances against neoliberal, conservative, and racist politics across Europe. The authors consider the gendered politics of the economic crisis from a variety of feminist approaches, shedding new light on the concept of the crisis and on questions of politics, institutions, and intersectionality. The case studies included refer to different parts of Europe, from North to South and from East to West, capturing the multifaceted gendered impacts of the crisis. The volume will be of interest to students and scholars of politics, international relations, gender studies, economics, law, sociology, social policy, and European studies.
