Working In Childrens Homes Challenges And Complexities

Julie Shaw,Nick Frost

Working In Childrens Homes Challenges And Complexities:

Working in Children's Homes Dorothy Whitaker, Lesley Archer, Leslie Hicks, 1998-06-11 This volume examines staff groups and the work they do in terms of the rationale and purposes behind their actions and the procedures employed It then looks at the reality of working in a children's home and what the staff face on a day to day basis *Working in Children's Homes* Dorothy Stock Whitaker, 1998 This volume examines staff groups and the work they do in terms of the rationale and purposes behind their actions and the procedures employed It then looks at the reality of working in a children's home and what the staff face on a day to day basis

Social Work: Themes, Issues and Critical Debates Robert Adams, Lena Dominelli, Malcolm Payne, 2017-09-16 Social Work Themes Issues and Critical Debates one of the most respected and widely used textbooks in social work has now been completely revised and updated With its accessible and clearly structured framework the book offers expert discussion of the core topics in social work by top writers teachers and practitioners in the field It provides an essential grounding in the debates that shape the profession as well as a clear insight into the issues at the heart of practice What makes this highly regarded and bestselling book stand out from other texts Its range authority and theoretical integrity Its clear and effective structure which reflects major shifts in teaching and makes it easy to use across modules The importance it lays on practice based learning and on developing core practice skills such as communication assessment and intervention Its value as a springboard to further reading including extensive guidance on further print and electronic sources Its compact size perfect for readers who are travelling between campus and practice settings This is one of three interrelated books edited by the internationally renowned and widely published team Robert Adams Lena Dominelli and Malcolm Payne The companion books are Critical Practice in Social Work second edition and Practising Social Work in a Complex World Each book can be used alone or in combination with the other two as a uniquely flexible and comprehensive programme of study

Residential Children's Homes and the Youth Justice System Julie Shaw, 2014-06-03 This book explores the factors at the individual institutional and systemic levels which contribute to children's home residents coming to the attention of the youth justice system and the consequent implications for policy and practice Perspectives are drawn from both young people and professionals in the care and youth justice systems

Managing Children's Homes Sarah Byford, Ian Gibbs, Leslie Hicks, Helen Weatherly, 2007-11-15 This book focuses on leadership effective management the allocation of resources and ensuring positive outcomes for young people in residential care The book develops an interdisciplinary understanding of what needs to be taken into account when establishing and maintaining good practice on behalf of young people living in children's homes

Exploring Key Issues in Education Derek Kassem, Dean Garratt, 2009-07-15 A key textbook for Education Studies providing an insight into some of the issues and dilemmas faced by education in the UK and internationally

Young People and the Care Experience Julie Shaw, Nick Frost, 2013-04-12 The care system looks after the most vulnerable young people in society those who are for a variety of reasons unable to live with

their parents Young People and the Care Experience examines what can be done to support young people to remain at home and if this is not possible how they can be supported whilst in care and on leaving care The book explores the range of options foster care children s homes and adoption and how these options interact Using the latest research and framing the issues through both psycho social and legal perspectives the book provides an in depth analysis of young people s experience of the care system and how it can be improved Examining the challenges faced by children on their journey from initially entering care to living independently after care the book places these issues in a global context Specifically it discusses how to support children and young people at home an analysis of the history and demographics of children placed in care the challenges faced by children living in foster care the challenges faced by children living in a children s home the challenges faced by children being adopted leaving care The book will be of interest to all those working with children in care or those who have experience of the care system as a professional carer or young person It will also be of interest to researchers and students of developmental and social psychology social work and also to policy makers

Effective Ways of Working with Children and Their Families Malcolm Hill,1999 This text examines the latest evidence about the most successful forms of intervention when working with children and their families The book covers a wide range of methods and services with emphasis on helping children with known problems

Children's Homes Great Britain. Department of Health,2002 This document contains the regulations and national minimum standards applicable to children s homes from April 2002 They form the basis for judgements made by the National Care Standards Commission regarding registration and compliance

Group Care Practice with Children and Young People Revisited Leon C. Fulcher, Frank Ainsworth,2012-12-06 Find out how group care for children has changed in the last 20 years Group Care Practice with Children and Young People Revisited focuses on the core issues that shape the quality of care that s provided in institutional and residential care settings as well as day care services that rely on the group process Leading authorities on residential group care practice from around the world examine practice concepts centered on three broad themes working directly with children working indirectly to support children and their families and organizational influences on practice This unique book offers valuable insights for dealing with the daily challenges of working with young people in responsive group care Group Care Practice with Children and Young People Revisited builds on contemporary themes that were explored by the editors more than 20 years ago in Group Care for Children Concept and Issues and Group Care Practice with Children both out of print Contributors to this updated collection put a fresh spin on the original material as well as cross cultural analysis from both sides of the Atlantic Australia and New Zealand Malaysia China and the United Arab Emirates They revisit the key issues identified in the earlier books and provide personal and professional reflections on what has happened to their practice themes since the early 1980s Special attention is paid to how social policy imperativesnormalization de institutionalization mainstreaming least restrictive environment minimal intervention and diversionhave reshaped the field group care methods and skills needed for direct and

indirect care and group care as an occupational Group Care Practice with Children and Young People Revisited examines and re-examines the relationships between group care practice and education how group care programs can become hostile to families primary care in secondary settings the importance of shared language in a group care center group development how group composition can influence the overall functioning of the group managing occupational stresses in group care practice patterns of career development in child and youth care economic influences that impact group care challenges facing the future of group care services for children and much more Group Care Practice with Children and Young People Revisited is a must read for youth case workers child and youth care educators and anyone working in child welfare including youth justice managers administrators and policymakers

Issues Around Aligning Theory, Research and Practice in Social Work Education Allucia L. Shokane, Jabulani C. Makhubele, Lisa V. Blitz, 2018-12-01 Issues Around Aligning Theory Research and Practice in Social Work Education provides a reflection on social work education with a slant towards an Afrocentric approach aiming to facilitate strong reflective thinking and to address local realities about social work education on the African continent as well as in broader global contexts This volume focuses on issues around aligning theory research and practice in social work education A significant contribution is made here to the scholarly understanding of opportunities to sustain the academic discourse on social work education Social work as a profession and a social science discipline is dynamic and it ought to meet the challenges of the realities of the societies in which it serves given the history of the changing society of South Africa from apartheid to democracy Over the years social work education and training has undergone tremendous curricular changes with the enactment of the White Paper for Social Welfare and the national review respectively by the South African Council for Social Services Professions SACSSP and the Council on Higher Education CHE for the re-accreditation of all Bachelor of Social Work BSW programmes in South Africa fulfilling the prescripts of the Higher Education Act No 101 of 1997 as amended and Social Service Professions Act No 110 of 1978 It is worth mentioning that the curricular changes will also continue with the current reviewing of Social Service Professions Act No 110 of 1978 as amended which is underway in South Africa This book is really ground breaking The Afrocentric perspective on social work practice contributes to the current discourse on decolonisation of social work teaching and practice From a methodological perspective the book is premised on multi-inter and trans-disciplining in social sciences It covers aspects of social work education and practice through research narrative qualitative African methodology secondary data analysis etc engendering values and ethics report writing supervision in fieldwork as well as exchange programmes and international service learning addressing a number of concepts such as cultural competency cultural awareness and sensitivity are addressed

Residential Child Care Andrew Kendrick, 2008 Draws on recent research to address key issues in residential child care policy and practice in the UK offering guidance for developing best practice and improved outcomes for children and young people

Professional Issues in Child and Youth Care Practice Kiaras Gharabaghi, 2013-09-13 This book provides an

overview of the core professional issues in the field of child and youth care practice The author explores themes ranging from relationships and the exploration of Self to career building and field specific approaches to management The book is written from a pragmatic perspective and serves both to advance current thinking in the field about professional issues as well as to provide the student of child and youth care practice and practitioners with practical and accessible approaches to developing a strong and sustainable professional identity All of the themes in this book are explored within a context of ethical decision making and practice approaches informed by a commitment to children s rights and empowerment Throughout the discussions concepts and themes are considered in relation to four specific lenses the power lens the diversity lens the language lens and the transitioning from theory to practice lens These lenses serve to ensure that the reader adopts a critical understanding of the professional issues in the field and is able to develop his or her own professional identity while mitigating the power and identity issues necessarily associated with being a practitioner in a helping profession This book was published as a special issue of Child and Youth Services **Child Welfare and Foster Care Issues** United States.

Congress. House. Committee on Ways and Means. Subcommittee on Public Assistance and Unemployment Compensation,1984 *Issues and Challenges of Immigration in Early Childhood in the USA* Wilma Robles-Melendez,Wayne Driscoll,2020-10-15 Based on new research this book offers insights into the reality of immigration and its sociocultural impact with a focus on the experience of young children and their families coming to the USA Wilma Robles Melendez and Wayne Driscoll discuss immigration realities and their social and educational implications and review the current literature on studies and reports about immigration They also provide insights and experiences of young immigrant children and their families with a focus on the USA and offer recommendations for early childhood practice for programs serving young immigrant children The key subjects addressed include socially just practices developmentally based programs services for young children and families with diverse and cultural backgrounds Immigration in the USA is discussed here as part of the global crisis in immigration and the lessons learned will be vital for educators researchers and policy makers around the world Key Issues in Childhood and Youth Studies Elizabeth Taylor,Bee Hughes,2025-10-08 This fully revised and expanded second edition of Key Issues in Childhood and Youth Studies presents an informed and critical commentary on a range of key issues related to children and childhood from birth to eighteen years Challenging current orthodoxies within the adult world on the nature of childhood it is an essential text for students of childhood and youth studies as well as those studying relevant professional qualifications in social work teaching and health Exploring ideas from the historical development of childhood to the demonising of youth it is divided into five clearly defined sections each with their own editorial introduction which highlights the key themes Creating Childhood The Developing Child Children at Risk The Politics of Childhood Bordered Childhood and International Perspectives Containing 15 newly written chapters and three revised pieces this invaluable textbook provides an overview of childhood and youth studies and encourages students to think about

the issues discussed and to develop their own ideas Each chapter contains student activities key concept boxes recommended further reading and a reflection exercise

Black Issues in Social Work and Social Care Graham, Mekada,2007-06-27 This text builds upon texts addressing anti discriminatory frameworks but focuses specifically upon black perspectives in social work and takes into account current issues and concerns

The Greenwood Encyclopedia of Children's Issues Worldwide Irving Epstein,2007-12-30 From the skyrocketing AIDS rate in Haiti to the oppressive pollution in industrial China from the violent street culture of Nigeria to the crippling poverty in Nicaragua from child trafficking in Thailand to child marriages in India this jam packed six volume set explores all these issues and more in an unprecedented look at the world s children at the dawn of the 21st century In recent years while many countries have enjoyed a higher standard of living and improved working conditions others have been torn apart by war and incapacitated by famine and are struggling to improve life for their children and their future Recent concern over the world s children has resulted in a global attempt to define what constitutes an acceptable childhood New attention has been paid not only to healthcare and secondary education but also to the right to play and increased access to technology The UN s codification of children s rights has done much to expand our understanding of what is needed for healthy growth and development of children and youth Organized by region The Greenwood Encyclopedia of Children s Issues Worldwide is the first globally focused set of this magnitude offering extensive up to date coverage of these critical issues Original chapters accessibly synthesize current data on key topics including education play and recreation child labor family health laws and legal status religious life abuse and neglect and growing up in the 21st century

Critical Issues in Social Work With Older People Mo G. Ray,Miriam Bernard,Judith Phillips,2018-06-26 This timely text highlights the importance of informed and critical practice in social work with older people With an emphasis on reflection throughout it argues for the need to rethink how social workers support some of the most vulnerable people in society The text begins with an exploration of the relationship between gerontology the study of aging and social work and demonstrates that a gerontological approach has long been missing from social work practice The central chapters consider key issues affecting older people and social work practice such as Risk of poverty Memory loss and dementia Palliative and end of life care Loss and bereavement Moving into a care home Bringing together theoretical and research insights this agenda setting text provides a sound base for creative practice with older people All those looking to make a positive and discernible difference to older people will find this text rewarding reading

Contemporary Global Issues in Human Resource Management Mehmet Ali Turkmenoglu,Berat Cicek,2020-11-18 Focusing on current workplace issues and employee and employer expectations of Human Resource Management in a rapidly changing business environment this book examines current trends of HR practices and expands on current literature
