Working With Female Offenders A Gender Sensitive Approach

Ronald H. Rooney, Rebecca G. Mirick

Working With Female Offenders A Gender Sensitive Approach:

Working with Female Offenders Katherine van Wormer, 2010-09-29 Praise for Working with Female Offenders
Encyclopedic in scope and full of very relevant work drawn from the fields of biology psychology criminology and corrections this book is a must read for those working with girl and women offenders Meda Chesney Lind Professor Women s Studies University of Hawaii at Manoa In this timely and thoughtful book van Wormer provides a gender sensitive lens through which the reader can examine pathways to female criminality a global perspective on female crime and punishment and innovative treatment approaches This book is a must have for any student or professional who wishes to truly impact and empower the lives of female offenders David W Springer Associate Dean for Academic Affairs School of Social Work The University of Texas at Austin This book is timely in light of promising developments that are taking place at every level of the criminal justice system It is a must read for policymakers practitioners academics and students in criminal justice social work and other related fields Barbara E Bloom Professor Criminology and Criminal Justice Studies Sonoma State University California The first book to combine elements from the social work counseling and criminology fields to create a framework tailored to working with female offenders Taking into account the special needs of girls and women within a system designed by men for male offenders Working with Female Offenders offers counselors correctional officers lawyers probation officers in short anyone who works in some capacity with female offenders an evidence based gentler approach for working effectively and successfully with girls and women in trouble with the law Working with Female Offenders provides coverage devoted to the nature of female crime and to the institutional settings in which much of the female specific programming is designed to take place This timely volume equips professionals with proven counseling strategies tailored to fit this population Practical guidelines are included for case management interventions teaching skills of communication and assertiveness and anger and stress management for female offender populations as well as A strengths empowerment restorative framework for counseling women in crisis Narratives from personal interviews with female offenders and correctional counselors Discussion of controversial topics such as prison homosexuality AIDS in prison girls in gangs and women on death row Examples of successful innovative programs for female offenders from the United States and abroad Working with Female Offenders addresses the unique challenges of female offenders and those who treat them and provides a much needed addition to the literature on innovative programming for female offenders Working with Women Offenders in the Community Rosemary Sheehan, Gill McIvor, Chris Trotter, 2010-12-21 Contributions to this book challenge policy makers and corrections systems to concentrate on community provision for women offenders and resist popular calls for more punitive responses to all offenders women included Contributors come from a wide range of countries including Australia Canada UK and USA They argue that the criminogenic lens applied to women s offending must be gender responsive if systems are to be successful at addressing the disadvantage and risk associated with offending behaviour Gender Responsive Justice Karen

Evans,2017-07-20 At the end of the twentieth century a step change in thinking about the offending behaviour of women began to impact on policy makers concerned with the treatment of female offenders A growing number of nations states and organisations both national and supra national in nature began to acknowledge that existing criminal justice and especially penal practices had not been sufficiently attentive to women s needs and had discriminated against women as a result The concept of gender responsive justice an orientation to working with women and girls based around a consideration of the special needs of women as prisoners and their particular pathways to offending has been developed as a result This book explores the development of this concept the theories which have informed it policy arenas in which gender responsive justice has been attempted and the practices of gender responsive justice which have subsequently emerged This book takes a global perspective as it outlines the different international and national arenas within which gender responsive justice gained favour and considers what has been learned from this novel and feminist inspired approach Gender responsive justice has not been without its critics however and this book also examines the different arguments which have been used to attack or critique the concept from varied perspectives This book lays down a clear theoretical framework for understanding gender responsive justice and will be useful in assessing current and future policy making in this area **Feminist Theory, Crime, and Social Justice**

Alana Van Gundy,2014-09-25 Feminist Theory Crime and Social Justice offers an insightful look at the primarily masculine driven perspective on crime and justice through the lens of feminist theory The book presents the argument that an increased understanding of the female crime typology life course and gender specific programming will improve social justice for offenders Discussions on the direct implications of the way society views crime and justice contribute to policy recommendations for helping to improve these views specifically as they relate to female crime

Women and the Criminal Justice System Katherine Stuart van Wormer,Clemens Bartollas,2021-12-30 This book presents an up to date analysis of women as victims of crime as individuals under justice system supervision and as professionals in the field The text features an empowerment approach that is unified by underlying themes of the intersection of gender race and class and evidence based research Personal narratives supplement research and statistics to help students connect the text material with real life situations This new edition is informed by consideration of major ongoing social movements such as MeToo Black Lives Matter and the fight to reduce mass incarceration The text stresses contemporary topics such as recognition of lesbian bisexual and transgender issues in juvenile and adult facilities the introduction of trauma informed care in detention centers and prisons the criminalization of Black girls and women the effects of an increasingly militarized police culture and the contributions of Ruth Bader Ginsburg and other influential women With its emphasis on critical thinking this text is ideal for undergraduate courses concerning women in the justice system *The History, Evolution, and Current State of Female Offenders* Alana Van Gundy,Shauntey James,2022-01-20 The History Evolution and Current State of Female Offenders Recommendations for Advancing the Field summarizes what the field has learned about females and crime

details the status of legislation and criminological research focused on female criminality and provides recommendations for advancing the field Van Gundy and James present the material from a gendered approach with the goal of analyzing the current understanding of the relationship between gender and crime Tracing the intellectual history of feminist criminology from its foundations to the present time the authors follow four primary themes What do we know about the relationship between gender and crime What special needs do female offenders have What works and doesn't work for female offenders What can or should we do from here Reaching back to Carol Smart's seminal 1976 book *Women Crime and Criminology A Feminist Critique* available through Routledge Revivals the authors note that in some ways modest progress has been made but large gaps in research and policy still exist This much needed book provides an overarching view of the history and evolution of the understanding of the relationship between gender and crime detailed analysis of seminal work and criminological studies an exploration of incarceration reentry and programming and concrete recommendations for future research These recommendations focus on the importance of creating and utilizing theoretical models that measure the role of gender and identity inclusion of female specific variables when examining and responding to criminality and the necessity of policymakers and legislators to address female criminality from a gendered lens The book will appeal to those who are interested in females and criminality race and ethnicity policy and evaluation criminal behavior criminology and students in courses in sociology psychology women and gender studies social justice black world studies gerontology and criminology criminal justice as well as policymakers and practitioners in the field It will inspire researchers to ask the kinds of questions that will advance the field of feminist criminology in the future

Forensic Psychology Graham M. Davies, Anthony R. Beech, 2017-10-23 Introduces forensic psychology to students and professionals who want to better understand psychology's expanding influence on the study of law crime and criminality Forensic psychology is a constantly growing discipline both in terms of student interest and as a profession for graduates This book highlights the often sizeable gap between media myths surrounding forensic practice and reality Editors Graham Davies and Anthony Beech present an exciting and broad range of topics within the field including detailed treatments of the causes of crime investigative methods the trial process and interventions with different types of offenders and offences *Forensic Psychology Crime Justice Law Interventions Third Edition* covers every aspect of forensic psychology from understanding criminal behaviour to applying psychological theory to criminal investigation analysing the legal process and the treatment of witnesses and offenders Each chapter has been thoroughly revised and updated with the latest findings The book also includes two entirely new chapters one on psychopathy and crime the other on female offenders Drawing on a wealth of experience from leading researchers and practitioners this new edition will interest and enthuse today's generation of students All chapters thoroughly revised and updated Features two brand new chapters Supplemented by additional online resource materials including related links multiple choice questions and PowerPoint slides Authored by a wide range of experienced forensic psychology professionals *Forensic*

Psychology Third Edition is essential reading for undergraduates first encounter with the subject area and is an excellent introduction for more specialised postgraduate courses

Women and Children as Victims and Offenders:

Background, Prevention, Reintegration Helmut Kury, Sławomir Redo, Evelyn Shea, 2016-06-20 This work compiles experiences and lessons learned in meeting the unique needs of women and children regarding crime prevention and criminal justice in particular the treatment and social reintegration of offenders and serves as a cross disciplinary work for academic and policy making analyses and follow up in developing and developed countries Furthermore it argues for a more humane and effective approach to countering delinquency and crime among future generations In a world where development positively depends on the rule of law and the related investment security two global trends may chart the course of development urbanization and education Urbanization will globalize the concepts of justice and fairness education will be dominated by the urban mindset and digital service economy just as a culture of lawfulness will This work looks at crime prevention education as an investment in the sustainable quality of life of succeeding generations and at those who pursue such crime prevention as the providers of much needed skills in the educational portfolio Adopting a reformist approach this work collects articles with findings and recommendations that may be relevant to domestic and international policymaking including the United Nations Studies and their educational value for the welfare of coming generations The books address the relevant United Nations ideas by combining them with academic approaches Guided by the Editors respective fields of expertise and in full recognition of academic freedom and organized scepticism it includes contributions by lawyers criminologists sociologists and other eminent experts seeking to bridge the gap between academic and policy perspectives as appropriate against the international background including the United Nations developments The second volume opens with Part IV which presents articles on different kinds of crime prevention The effectiveness of punishment and in particular imprisonment is examined by contrasting it with alternative sanctions and the following questions are raised Does harsh punishment have a crime preventive effect What are the side effects of imprisonment on the offenders and their families Are alternatives such as restorative justice or mediation more effective and cheaper Part V outlines proactive strategies of crime prevention e g for potential sex offenders or in the domain of internet crime Part VI envisions a more peaceful and inclusive society which would be realized by improving the protection of women and children in their everyday life and easing the reintegration of those who have become offenders The importance of the role played by the UN in formulating these goals is underlined The volume concludes with an epilogue of the 70th President of the United Nations Economic and Social Council Martin Sajdik and a post scriptum of the editors p

Strategies for Work with Involuntary Clients Ronald H. Rooney, Rebecca G. Mirick, 2018-05-01 Often in their careers social workers will encounter clients who are either legally required to attend treatment services or are otherwise coerced or pressured into those services Practitioners in settings from prisons to emergency rooms to nursing homes to child protection agencies will find themselves with involuntary

clients In an update to this classic text social workers Ronald H Rooney and Rebecca G Mirick explore the best ways to work with unwilling clients While work with involuntary clients is common it can be challenging frustrating and unproductive unless practitioners are well trained for it This book provides a theoretical framework for understanding the legal ethical and practical concerns when working with involuntary clients offering theory treatment models and specific practice strategies influenced by the best available knowledge Animated by case studies across diverse settings these resources can be used by practitioners to facilitate collaborative effective working relationships with involuntary clients **Correctional Counseling**

Key Sun,2012-02-23 Correctional counselors Roles work environments conflicts and challenges Offender classification assessment and main issues for correctional clients The goal of correctional counseling Criminological theories and their relevance to correctional counseling Psychological models in correctional counseling Advances in interpersonal cognitive research and their implications for correctional counseling Counseling processes Group counseling in corrections Anger management Mentally disordered offenders in corrections Overcoming prejudice and promoting diversity *The Wiley Handbook on What Works with Girls and Women in Conflict with the Law* Shelley L. Brown,Loraine Gelsthorpe,2022-03-14

The Wiley Handbook on What Works with Girls and Women in Conflict with the Law The most practical discussion of the rehabilitation of girls and women in conflict with the law in the correctional arena What Works with Girls and Women in Conflict with the Law is the leading examination of evidence based practice in the field of gender responsive corrections Adopting an international and intersectional approach the distinguished authors seek to collect the best available data and thinking on what works with girls and women and apply it to the real world problems facing correctional systems today As part of its contextual and rich approach to the subject What Works with girls and women in conflict with the law covers a broad variety of topics ranging from theories of female involvement in crime security classification and risk assessment evidence based treatment and supervision approaches special populations such as Indigenous women to legal policy developments in the field of gender responsive corrections Perfect for students and practitioners in the field of psychology criminology social work criminal justice and corrections this is the only reference of its kind to focus on the practical applications of the latest theory *The Routledge Handbook of Women's Experiences of Criminal Justice* Isla

Masson,Natalie Booth,2022-10-25 This Handbook brings together the voices of a range of contributors interested in the many varied experiences of women in criminal justice systems and who are seeking to challenge the status quo Although there is increasing literature and research on gender and certain aspects of the criminal justice system often Western focused there is a significant gap in the form of a Handbook that brings together these important gendered conversations This essential book explores research and theory on how women are perceived handled and experience criminal justice within and across different jurisdictions with particular consideration of gendered and disparate treatment of women as law breakers There is also consideration of women s experiences through an intersectional lens including race and class as well as feminist

scholarship and activism The Handbook contains 47 unique chapters with nine overarching themes Lessons from history and theory Routes into the criminal justice system Intersectionality Sentencing and the courts and community punishments Specific offences Incarcerated women s experiences Mothers and families Rehabilitation and reintegration Practitioner relationships and each theme includes contributions from different countries as well as the experiences of contributors from different stages in their own journey International and interdisciplinary in scope this Handbook is essential reading for scholars and students of criminology sociology social policy social work and law It will also be of interest to practitioners such as social workers probation officers prison officers and policy makers

Violent and Sexual Offenders Jane Ireland, Carol Ireland, Philip Birch, 2018-08-15 Building on the success of the first edition and the growth of research in the field over the past decade this book offers an authoritative overview of the assessment treatment and management of violent and sexual offenders This new and expanded edition reflects the considerable developments in research and empirical data and captures the increasing breadth of risk assessment approaches the wider range of empirically based therapies and the more creative means of considering management The second edition captures key developments in this area with new chapters drawing on a range of pressing contemporary issues such as female offenders Internet offenders terrorists young people involved in harmful sexual behaviour and protective factors for aggression There is also extended coverage of the management of offenders within secure settings and in the community referring to a wider variety of approaches and the incorporation of technology This book will be of considerable interest to academics practitioners and students engaged with understanding and or treating violence and aggression sex crime forensic psychology and the assessment treatment and management of offenders

A Halfway House for Women Gail A. Caputo, 2014-07-01 Although halfway houses have been touted for years as affirmative rehabilitation locations that ready women for life in the outside world in this remarkable case study Gail Caputo shows how these places reinforce patterns of control and abuse that reaffirm the dependency and victimization of the inmates Based on observations made while living and working alongside women at a halfway house within the prison system in a city in the Northeast Caputo s analysis is anchored in the words and experiences of over a dozen women Organized according to the progression of levels residents traverse during their time in the house and the rules and behaviors associated with each level Caputo offers a riveting look at what passes for rehabilitation and reintegration in such places and delineates the many ways these women retain agency by resisting regulations designed to keep them in their place

The Emerald International Handbook of Feminist Perspectives on Women's Acts of Violence Stacy Banwell, Lynsey Black, Dawn K. Cecil, Yanyi K. Djamba, Sitawa R. Kimuna, Emma Milne, Lizzie Seal, Eric Y. Tenkorang, 2023-08-02 Grounded in feminist scholarship this book upends normative accounts of femme fatale violence to focus beyond the misogyny and the sensationalism and unearth the motivation behind women s roles in homicide terrorism combat and even nationalist movements

Criminalisation and Advanced Marginality Peter Squires, John Lea, 2012

Written by criminologists and policy analysts Criminalisation and advanced marginality offers a constructive but critical application of Wacquant's ideas

Comprehensive Women's Mental Health David J. Castle, Kathryn M. Abel, 2016-03-07 This is a comprehensive up to date and evidence based review of women's mental health It starts by considering the social and cultural contexts of women's lives today before addressing how developmental aspects pertain to mental health exploring biological evolutionary and psychosocial parameters The heart of the book contains a series of chapters with a clinical emphasis These aim to elucidate causal mechanisms for gender differences in mental disorder considering hormonal and environmental influences The therapeutic implications of gender are then addressed in some detail with a focus on inter partner and other forms of violence substance misuse personality disorder and post traumatic stress disorder The book concludes with a detailed section considering psychosis and its sequelae in women and their families The book's scope is intended to be broad and it is aimed at a clinical audience including psychiatrists and general physicians as well as mental health nurses psychologists social workers and occupational therapists

Women, Punishment and Social Justice Margaret Malloch, Gill McIvor, 2013-02-15 The prison has often been the focus for concerns about human rights violations and campaigns aimed at achieving social justice for those with an interest in the criminalisation of women To reduce the number of women imprisoned a range of policy initiatives have been developed to increase the use of community based responses to women in conflict with the law These initiatives have tended to operate alongside reforms to the prison estate and are often defined as community punishment community sanctions and alternatives to imprisonment This book challenges the contention that improved

regimes and provisions within the criminal justice system are capable of addressing human rights concerns and the needs of the criminalised woman This book aims to provide a critical analysis of approaches and experiences of penal sanctions human rights and social justice as enacted in different jurisdictions within and beyond the UK Drawing on international knowledge and expertise the contributors to this book challenge the efficacy of gender responsive interventions by examining issues affecting women in the criminal justice system such as mental health age and ethnicity Crucially the book will engage with the paradox of implementing rights within a largely punishment orientated system This book will be of interest to those taking undergraduate and post graduate courses that examine punishment gender and justice and which lend themselves to an international comparative aspect such as criminal justice criminology international criminal justice courses sociology as well as professional training for practitioners criminal justice social work health who work with women in the criminal justice system

The Routledge International Handbook of Forensic Psychology in Secure Settings Jane Ireland, Carol

Working With Female Offenders A Gender Sensitive Approach Introduction

In today's digital age, the availability of Working With Female Offenders A Gender Sensitive Approach books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Working With Female Offenders A Gender Sensitive Approach books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Working With Female Offenders A Gender Sensitive Approach books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Working With Female Offenders A Gender Sensitive Approach versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Working With Female Offenders A Gender Sensitive Approach books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Working With Female Offenders A Gender Sensitive Approach books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it

an excellent resource for literature enthusiasts. Another popular platform for Working With Female Offenders A Gender Sensitive Approach books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Working With Female Offenders A Gender Sensitive Approach books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Working With Female Offenders A Gender Sensitive Approach books and manuals for download and embark on your journey of knowledge?

FAQs About Working With Female Offenders A Gender Sensitive Approach Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Working With Female Offenders A Gender Sensitive Approach is one of the best book in our library for free trial. We provide copy of Working With Female Offenders A Gender Sensitive Approach in digital format, so the resources that you find are reliable. There are also many

Ebooks of related with Working With Female Offenders A Gender Sensitive Approach. Where to download Working With Female Offenders A Gender Sensitive Approach online for free? Are you looking for Working With Female Offenders A Gender Sensitive Approach PDF? This is definitely going to save you time and cash in something you should think about.
