Field,2010 Evelyn Field s masterful analysis of the ways we can help employees cope with and overcome workplace bullying and harassment is a must read for all concerned about how to right this wrong Dr Philip Zimbardo Stanford University and author of The Lucifer Effect Understanding How Good People Turn Evil Kudos to bully expert Evelyn Field for this helpful book Features many I can use that today techniques Read it and reap Sam Horn author of Take the Bully by the Horns and Tongue Fu USA No one goes to work to be humiliated abused ostracised subjected to rumours or assaulted Yet this is the reality of a working day for more than one in six workers Bullying causes billions of dollars in lost productivity expensive mistakes employee replacement costs and health and welfare rehabilitation expenses Most workplaces currently have few resources and systems to deal with the problem leaving the victims to sink or swim and the bullies to remain professionally incompetent Few understand that bullying is not tough management or an aggressive personality trait to be suffered Severe and unrelenting bullying catapults the victim into such a damaging emotional state that it can lead to the breakdown of their very survival mechanisms Bully Blocking at Work reveals for the first time the true evil nature of workplace bullying helping the reader to understand its toxic destructive impact on all employees whether they are targets bullies or onlookers and provides advice for coping and confronting bullying from both a personal and organisational perspective The author has worked as a psychologist for over thirty years and has spent many hours listening to clients conducting interviews reading speaking and writing about workplace bullying Sprinkled liberally throughout the pages are quotes from the many sufferers of bullying that the author has personally worked with over many years BULLY, INC. Peter Burnett,2019-02-23 We have all worked

for or are working at Bully Inc An unforgiving workplace environment where the tyranny of the few is allowed to pollute the work experience of the many It costs From the estimated 20 billion lost to the economy alone each year in the UK to the day in day out rat on a wheel drudgery and fear In this game changing book author Peter Burnett dissects the phenomenon of Workplace Bullying which impacts one in three of the workforce He offers a road map out of this infectious 21st Century workplace malaise A malaise that stretches from the smallest offices to the Houses of Parliament itself charged with legislating on behaviour in the workplace to the boardrooms of the very biggest global players BULLY INC shows how as a society we are now using technology to bully and how media itself can be charged as guilty in its preoccupation with celebrities visible in their own workplaces BULLY INC answers your fundamental questions about workplace bullying What is and what is not bullying at work Why am I the target Why and how do bullies get away with it What role do bystanders play BULLY INC is the definitive guide to neutralising and eliminating the bully in your workgroup If you re working at BULLY INC right now this book will help you BULLYING affects one in three of the work force Right now you are probably sharing an office with at least one person whose work life is being terrorised and dreads the everyday work experience The economic cost of this is put at 20 billion per annum Why Because an unhappy dysfunctional workplace is an inefficient one BULLY INC reveals The range of health ailments associated with bullying at work impacting both mental and physical health The strategies for coping with bullying and ultimately routes to eliminating it altogether The identity of a major UK employer with a global footprint as a template for how to structure work relationships and how by offering a receptive and connected working environment bullying is virtually eliminated How new thinking about bullying controversially frames the bully as much as a target as the bullied How one generation in particular has got it right in terms of their tolerances of bullying behaviours and how they are on course to neuter the issue for society generally How bullying permeates showbiz in the phenomenon of Bullytainment where some celebs find themselves subject to online trolling which in extreme cases has caused some to consider taking their own lives
