The World War II Tommy British Army Uniforms Of The European Theatre 1939 45:

The World War II Tommy Martin Brawley, 2007-08-01 A paperback edition of this classic work which describes and illustrates the uniforms and equipment of the WWII British soldier using original items worn by live models in authentic settings A huge range of subjects is covered from the uniforms and equipment of the front line infantryman to the officers and men s walking out dress the special kit issued to tank crews air landed and mountain troops motorcyclists medics arctic clothing anti gas kit and assault kit even down to the demob suits issued to discharged soldiers in 1945 **World War II Tommy** Martin Brayley, Richard Ingram, 1998 Photographs of rare and original uniforms worn by live models The authors leading collectors and respected contributors to specialist journals in Great Britain and the U S have assembled a wide range of surviving uniforms never before photographed and published World War II British Infantry tank crews airborne troops gunners engineers medical personnel and more are depicted with authentic field equipment and weapons in extraordinarily realistic settings **The World War II Tommy** Martin Brayley, Richard Ingrams, 1965-05 MKII helmets of the Second World War and their use in the Italian Campaign Daniele Piselli, 2020-01-06 The collecting of MKII helmets from the second world war has seen a considerable increase in interest among collectors recently The enthusiast approaching this sector of militaria collecting for the first time has very few tools available that can at least point him in the right direction So taking stock of the knowledge I have acquired and with the help of various collector friends I thought it might be useful to publish this guide on MKII helmets in the second world war and their use during the Italian Campaign There is certainly a lot more to discover but this is a starting point A tip before making a purchase always ask the opinion of other collectors because a trained eye can definitely help you in this jungle of post war use fakes tampering and beautiful helmets that still know how to tell their story A big thank you goes to Francesco Braneschi it is also thanks to him that this research came about to his passion and to our constant exchanges of opinion on this sector of the militaria In an attempt to understand something more I cannot fail to thank Marco Visani super adviser with his infinite bibles A thankyou also to those who contributed with their time photographs information and much more Alessandro Zentile Antonio Bonanno Aaron Delaney Brendon Ellis Cristian Rubiola David Yeomans Dennis van Vugt Fabio Ortolani Francesco Saverio Giovagnoli Giovanni Righini Ivo Beute Leonardo Biserni Mark Kozowy Massimo Costa Paolo Zamma Peter Young Steven Britton and the Boys of the Combat Road association Thank you And finally thank you to Fabio Roncella for his essay on the battle of Montegabbione our roots are in history Buona lettura Daniele Piselli **Churchill's Army** Stephen Bull, 2016-09-22 Winston Churchill Britain s iconic war time Prime Minister is inextricably linked with the victorious British Army of 1939 to 1945 Yet hindsight propaganda and the imperative of the defeat of Hitler and Imperial Japan have led to a tendency to oversimplify the image of Churchill the war leader and his Army For whilst Churchill was undeniably a towering statesman his relations with both the Army and War Office were ambiguous and altered considerably not only with the progress of the Second World War but over decades In this

comprehensive book Stephen Bull examines every aspect of the British Army during the Second World War and considers in detail the strengths and weaknesses of an organisation that was tested to its limits on many fronts but made an immense contribution to the successful Allied outcome The book explores the structure of military power from the men who ran it the Generals to the detail of the regiments they commanded It looks at the uniforms the soldiers wore and the badges and insignia they bore on their uniforms The weaponry Churchill s army used is discussed in detail from small arms including rifles bayonets grenades carbines and machine guns to the massed firepower of the artillery along with the increasing sophistication of tanks and other military vehicles during the period Finally the role of auxiliary and special forces and their contribution to the campaign is considered The comprehensive text is enhanced by more than 200 contemporary photographs

Warman's World War II Collectibles John Adams-Graf,2014-08-13 Collecting Preserving WWII History Since the end of World War II veterans collectors and history buffs have bought sold and traded the spoils of war Souvenir collecting began as soon as troops set foot on foreign soil Soldiers looked for wartime trinkets and keepsakes to remind them of their time in the service validate their presence during the making of history and generate income when they returned home Today these items help us understand and define a time when almost the entire world was at war Newly expanded and completely updated Warman s World War II Collectibles 3rd edition is a comprehensive full color resource on World War II militaria Illustrated with 1 800 all new color images the book is loaded with information and current values for uniforms footwear headgear medals firearms bayonets knives personal items accoutrements and groupings a new category from the United States Germany England Japan the former Soviet Union and other countries from 1939 1945 1 800 all new color images and thousands of values History and collector tips Pros and cons of each collecting area Availability and price ratings as well as reproduction alerts First person accounts of the war

Re-living Britain in the 1940s Robin Wichard,2023-01-24 The 1940s remains an iconic period in world history and retains a fascination for so many Re enacting the 40s is becoming increasingly popular but there is little available information explaining how to start in the hobby This book is the first to offer enthusiasts of the 40s a way to advance their interest whether it be military or civilian Each chapter deals with a different aspect of re enacting from civilian roles including children to military roles with many different potential impressions explored for each area Each chapter is lavishly illustrated with many previously unseen color photographs of contemporary re enactors and events There are further chapters introducing those people who portray wartime political and military leaders as well as those who bring back to life some of the most iconic musicians and performers of the period For those choosing to enter the hobby through ownership of a civilian or military vehicle that is also covered with many examples of some of the most well known vehicles Each chapter offers a brief contextual history with detailed notes on where to obtain uniform and equipment some of the best groups to join as well as links to related sites and recommendations for wider reading No book can cover every single possible role but this offers an excellent starting point for further research and

involvement while stressing the need to always remain respectful of those we seek to commemorate **Orde Wingate** Jon Diamond,2012-10-20 A detailed study of one of the most influential commanders of World War II one who is often regarded as a flawed genius Orde Wingate rose to fame by creating the Chindits in Burma in 1943 He is an extremely important figure in military history and deserves just as much attention as Alanbrooke Montgomery and Auchinleck Unlike them however he always operated outside the accepted etiquette and the formal chain of command He was a maverick and misfit and he held to the belief that the type of mass warfare demonstrated on the Western Front 1914 18 had very little to do with the warfare of the future He believed that the latter would require an indirect approach in which heavily lumbering armies would be exquisitely vulnerable to small groups of highly motivated mobile and well armed guerrillas This book covers Wingate s experiences in pre war Palestine in Ethiopia in 1941 where he formed an irregular guerrilla unit to harass the Italian garrisons and in World War II Burma where the two Chindit campaigns would be his apotheosis *The British Army 1939-45 (1)* Martin Brayley,2013-06-20 The Second World War was Britain s last conflict as a world power For a year it saw Britain standing alone against the fascist dictatorships winning it demanded the sacrifice of the entire national wealth This first book of three describes the uniforms developed for European service It traces the appearance of the Tommy from pre war mobilization through the years of defeat and endurance to D Day and the long fighting advance to Northern Germany The book also includes a campaign summary infantry organization tables lists of arms and services and basic specifications of a number of heavy weapons **The Army Quarterly and Defence Journal** ,1999 British Commando 1940-45 Angus Konstam,2016-11-17 With Hitler s army rampaging across Europe Winston Churchill ordered the creation of a special fighting force the Commandos These valiant men were volunteers drawn from the ranks of the British Army formed into a Special Service Brigade and put through a rigorous but highly effective training programme Over the course of World War II they would see action in every major theatre of operation and are credited with numerous feats of gallantry during the D Day landings Although many units were disbanded after the war the Royal Marine Commandos have maintained the standards of this elite fighting formation to the present day Angus Konstam explores the history of the Commandos during their formative years providing detailed descriptions of their training weapons and equipment Battle reports are accompanied by specially commissioned Osprey artwork and historical photographs offering readers an in depth analysis of some of the most famous fighting units in the British Army s history **Lone Star Stalag** Michael R. Waters,2004 Annotation Between 1943 and 1945 nearly fifty thousand German Prisoners of war mostly from the German Afrika Korps lived and worked at seventy POW camps across Texas Camp Hearne located on the outskirts of rural Hearne Texas was one of the first and largest German prisoner of war camps in the United States Waters and his research teams tell the story of the five thousand German soldiers held there during World War II The book reveals the shadow world of Nazism that existed in the camp adding darkness to a story that is otherwise optimistic and in places humorous *The British National Bibliography* Arthur James Wells,2001

The Bulletin ,2006 **The British Army 1939-45 (3)** Martin Brayley,2013-06-20 The lightning Japanese offensives in East Asia in 1941-42 inflicted a series of costly defeats on the ill prepared and badly supported British Commonwealth forces in Malaya and Burma The forgotten 14th Army on the India Burma border slowly built up its strength and its tactical expertise and Wingate's Chindits proved that units supplied from the air could operate deep behind enemy lines In 1944 General Slim's troops decisively smashed Japan's last offensive at Imphal and Kohima and over the next year they drove the enemy relentlessly back through Burma reducing them to starving fugitives by the final victory in August 1945 This concise summary of Britain's East Asia campaigns is illustrated with many rare photographs and eight detailed colour plates The British Army 1939-45 (2) Martin Brayley,2012-02-20 The scope of Britain's wartime Middle East Command stretched far beyond the Libyan desert where the 8th Army's most famous battles were fought It extended from Gibraltar and Tunisia in the west to Iraq and Persia in the east and from Greece south to the Gulf of Aden In 1940-43 this was the only arena where the British Army could take the ground war to the German Wehrmacht it saw a succession of setbacks and triumphs until spring 1945 found the 8th Army victorious in northern Italy A summary of these campaigns is illustrated by photographs and detailed colour plates of the wide range of uniforms worn in the varied conditions of this huge theatre of war The British Home Front 1939-45 Martin Brayley,2012-07-20 The population of Britain was mobilized to support the war effort on a scale unseen in any other Western democracy or in Nazi Germany They endured long working shifts shortages of food and all other goods and complete government control of their daily lives Most men and women were conscripted or volunteered for additional tasks outside their formal working hours Under the air raids that destroyed the centres of many towns and made about 2 million homeless more than 60 000 civilians were killed and 86 000 seriously injured This fascinating illustrated summary of wartime life and the organizations that served on the Home Front is a striking record of endurance and sacrifice

Air Pictorial ,1988 *Who's who in America* ,1949 **Monthly Supplement** ,1949
