The Writings Of Abraham Lincoln:

The writings of Abraham Lincoln Abraham Lincoln, 1923 **The Writings of Abraham Lincoln, 1843-1858** Abraham Lincoln, 2016-11-19 The second volume of Abraham Lincoln's letters and oratory span fifteen years through his years in the Illinois legislature until the opening of his campaign as a United States Senator In this volume we witness the steady rise of Lincoln as a prominent and capable politician His ardent belief in the abolition of slavery is marked by his letters and speeches to that effect many of these strike a persuasive tone with a firm grounding upon the morality and convictions which Abe Lincoln held close to heart throughout his career We also witness the building of the United States infrastructure for example Lincoln is receptive to the new technology of the railroad and recognizes the role of canals in the proper transportation of goods In his essay introducing the first volume of this series Carl Shurz notes that a great starting point for study of Lincoln is his personal letters speeches and other writings It is by reading these items sequentially that we gain an insight into the mind of a man who was to become arguably the greatest President the United States has seen to date We come to realize that Lincoln was contrary to his portrait as a near infallible and towering figure a human being with emotions strengths and weaknesses This record of Lincoln's personal correspondences is complete and unabridged offering readers a chronologically arranged account of the man's early life We join Lincoln as an ambitious politician on the cusp of middle age in 1843 gaining in confidence and eloquence both in his public addresses and private correspondences which reveal a man with wisdom imbued by his innate personality and by years of experience Perhaps most notably of all is Abraham Lincoln's rare and stubborn eagerness to perform as a public servant to the best of his capacity Through reading and comparing his own writings we see how Lincoln's political views and positions evolved over his lifetime informed by experience he steadily amassed debating and passing legislation and examining the consequences of his prior decisions There is also a personal side to his writings capable of offering counsel and comfort to those he considered friends many of Lincoln's letters concern not politics or law drafting but matters such as contentious criminal cases which Lincoln as a lawyer could claim authority on Subjects such as marriage and friendly correspondences are also present At the conclusion of this volume in 1858 Lincoln is readying himself to run for the United States Senate against Stephen A Douglas *The Writings of Abraham Lincoln* Arthur Brooks Lapsley, G.P. Putnam's Sons, 1905 **Selections from the Writings of Abraham Lincoln** Abraham Lincoln, 1922 *The Complete Papers And Writings Of Abraham Lincoln (Biographically Annotated Edition)* Abraham Lincoln, 2012 This edition includes an extensive and hard to find Lincoln biography by Professor John Frost L L D It contains all seven original volumes with all of Lincoln's works from 1832 through 1865 I have endured wrote Lincoln not long before his death a great deal of ridicule without much malice and have received a great deal of kindness not quite free from ridicule On Easter Day 1865 the world knew how little this ridicule how much this kindness had really signified Thereafter Lincoln the man became Lincoln the hero year by year more heroic until to day with the swift passing of those who knew him his

figure grows ever dimmer less real This should not be For Lincoln the man patient wise set in a high resolve is worth far more than Lincoln the hero vaguely glorious Invaluable is the example of the man intangible that of the hero And though it is not for us as for those who in awed stillness listened at Gettysburg with inspired perception to know Abraham Lincoln yet there is for us another way whereby we may attain such knowledge through his words uttered in all sincerity to those who loved or hated him Cold unsatisfying they may seem these printed words while we can yet speak with those who knew him and look into eyes that once looked into his But in truth it is here that we find his simple greatness his great simplicity and though no man tried less so to show his power no man has so shown it more clearly *The Writings of Abraham Lincoln: The life of Lincoln* Abraham Lincoln,1923 *The Writings of Abraham Lincoln* Abraham Lincoln,Carl Schurz,Joseph A.
