Theatre Womens Participation Sustainable Development:

Theatre for Women's Participation in Sustainable Development Beth Osnes, 2013-11-26 Though development researchers have proven that the participation of women is necessary for effective sustainable development development practitioners still largely lack culturally appropriate gender sensitive tools for including women especially women living in poverty Current tools used in the development approach often favour the skill set of the development practitioner and are a mismatch with the traditional gendered knowledge and skills many women who are living in poverty do have This study explores three case studies from India Ethiopia and the Guatemala that have successfully used applied theatre for women s participation in sustainable development This interdisciplinary book has the opportunity to be the first to bring together the theory scholarship and practice of theatre for women s participation in sustainable development in an international context This work will be of great interest to scholars and practitioners in a wide variety of fields who are looking for creative solutions for utilizing the contributions of women for solving our global goals to live in a sustainable way on this one planet in a just and equitable manner

Applied Theatre with Youth Lisa S. Brenner, Chris Ceraso, Evelyn Diaz Cruz, 2021-07-21 Applied Theatre with Youth is a collection of essays that highlight the value and efficacy of applied theatre with young people in a broad range of settings addressing challenges and offering concrete solutions This book tackles the vital issues of our time including among others racism climate crisis gun violence immigration and gender fostering dialogue promoting education and inciting social change The book is divided into thematic sections each opening with an essay addressing a range of questions about the benefits challenges and learning opportunities of a particular type of applied theatre These are followed by response essays from theatre practitioners discussing how their own approach aligns with and or diverges from that of the initial essay Each section then ends with a moderated roundtable discussion between the essays authors further exploring the themes issues and ideas that they have introduced With its accessible format and clear language Applied Theatre with Youth is a valuable resource for theatre practitioners and the growing number of theatre companies with education and community engagement programs Additionally it provides essential reading for teachers and students in a myriad of fields education theatre civic engagement criminal justice sociology women and gender studies environmental studies disability studies ethnicity and race studies

The gestures of participatory art Sruti Bala, 2018-07-20 Winner of the 2019 ASCA Book Award Participation is the utopian sweet dream that has turned into a nightmare in contemporary neoliberal societies Yet can the participatory ideal be discarded or merely replaced with another term just because it has become disemboweled into a tool of pacification The gestures of participatory art insists that the concept of participation must be re imagined and shifted onto other registers Moving from reflections on institutional critique and impact to concrete analyses of moments of unsolicited delicate participation and refusal the book examines a range of artistic practices from India Sudan Guatemala and El Salvador the Lebanon the Netherlands and Germany It proposes the concept of the gesture as

a way of theorising participatory art situating it between the visual and the performing arts as both individual and collective both internal attitude and social habitude Storytelling to Accelerate Climate Solutions Emily Coren,Hua Wang,2024-05-27 The climate is changing faster than our cultural practices are adapting to it This Open Access volume co edited by Emily Coren a science communicator and Hua Wang a communication scientist presents a survey of the latest in agency focused climate storytelling Together practitioners and scholars across different fields shared their knowledge experience and insight about how stories can be designed and told to engage enable and empower individuals and communities in climate communication and action You will learn a wide range of narrative strategies and exemplary applications of climate storytelling in terms of professional practices e g education literature journalism popular media genres and formats e g drama comedy fiction media platforms e g television radio mobile and communication modalities e g text visual audio multisensory Entertainment education has been proven over decades to be an effective tool for social and behavior change in the public health sphere and has not yet been applied at scale to the massive ongoing climate related disasters that we need to solve now fast There is an urgent need to rapidly apply and adapt public engagement tools for climate communication to speed up our response times for climate change mitigation and adaptation This book takes a snapshot of where climate storytelling is currently at describes where it fits within a climate communication landscape and supports the next steps of its development It facilitates the of creation climate storytelling efficiently by sharing and amplifying what is working well and building collaborations between practitioners and researchers This is an open access book *Arts, Sustainability and Education* Ernst Wagner,Charlotte Svendler Nielsen,Luís Veloso,Anniina Suominen,Nevelina Pachova,2021-09-21 This book explores the potential of arts and cultural education to contribute to on going efforts to promote Education for Sustainable Development ESD in line with UNESCO s conceptualizations of the field It builds on the experiences of arts educators working to build sustainable futures and portrays new and innovative approaches Chapters comprise case studies that combine arts culture sustainable thinking and practices They also include research from historical perspectives evaluations of public policy measures and offer theoretical approaches and methodologies The book unfolds the possible relationships between arts and cultural education and Education for Sustainable Development Natal Signs: Cultural Representations of Preguancy, Birth and Parenting Nadya Burton,2015-09-01 Natal Signs Cultural Representations of Pregnancy Birth and Parenting explores some of the ways in which reproductive experiences are taken up in the rich arena of cultural production The chapters in this collection pose questions unsettle assumptions and generate broad imaginative spaces for thinking about representation of pregnancy birth and parenting They demonstrate the ways in which practices of consuming and using representations carry within them the productive forces of creation Bringing together an eclectic and vibrant range of perspectives this collection offers readers the possibility to rethink and reimagine the diverse meanings and practices of representations of these significant life events Engaging theoretical reflection and creative image making the contributors
