Manufacturing Insanity - Vol. 2 - Dangerous Knowledge / The Next Religious War Eva Moser, 2013-06-01 The treatment of transsexuals turns medicine into a system of well organized prejudice cruelty and mistreatment Patients are abused while the perpetrators are convinced that this is necessary good treatment In volume II of Manufacturing Insanity Eva contrasts generally accepted views of transsexuality with her own and interprets both views on the background of current medical practice Eva then proposes a new model for gender and transsexuality and examines why any better or reasonable approach must be unacceptable to current medical practice In the last part Eva proposes a better system for the delivery of medical services one that does not leave anybody behind one that does not accept the death of a patient just because that patient doesn't fit the expectations of the system Welcome to Manufacturing Insanity *Notes, Critical and Practical, on the Book of Genesis: Designed as a General Help to Biblical Reading and Instruction. By George Bush. In Two Volumes. Vol. 1. Eighth Edition ,1846*

History After Hobsbawm John Arnold, Matthew Hilton, Jan Rüger, 2018 What does it mean and what might it yet come to mean to write history in the twenty first century History After Hobsbawm brings together leading historians from across the globe to ask what being an historian should mean in their particular fields of study Taking their cue from one of the previous century's greatest historians Eric Hobsbawm and his interests across many periods and places the essays approach their subjects with an underlying sense of what role an historian might seek to play and attempt to help twenty first century society understand how we got here They present new work in their sub fields but also point to how their specialisms are developing how they might further grow in the future and how different areas of focus might speak to the larger challenges of history both for the discipline itself and for its relationship to other fields of academic inquiry Like Hobsbawm the authors in this collection know that history matters They speak to both the past and the present and in so doing introduce some of the most exciting new lines of research in a broad array of subjects from the medieval period to the present
