Give a Great Child's Birthday Party Without Knocking Yourself Out Even the Host Has a Great Time with Printable Party Kits

Wondering how to entertain those children ages 6 to 12 coming to your home? We can make you the perfect host in less than ten minutes from now! The Practical Giggles Theme Printable Party Kit is filled with invitations, party games, room decorations, thank you cards, T-shirt iron-ons, and contains detailed step-by-step instructions on how to be the perfect host, keeping the fun and laughs coming, pouring on the imagination while tickling everybody's funny bone. The moment you place your order, you'll be able to print your needed party materials. All you need is a color printer, and you can easily host a SimpliFun party. You can even add your own child's name and party information for personalized invitations.

Our silliest party, Practical Giggles, celebrates children ages 6 through 12. Your party guests arrive prepared for laughs after receiving the Practical Giggles Handbook invitation. Everyone participates in the comedy show and partakes in a multitude of giggle-provoking feats such as what can you do before digging into the delicious party cake. You add your guests and food, then have fun yourself. The easy-to-follow ideas are simple and economical enough for any party planner but definitely fun for children. Created by SimpliFun Studios because there's more to a party than just eating cake.

Planning Children's Birthday Parties Libby Worsley Crouch, Penny Barlow Liston, 2012-07

Planning Children's Birthday Parties: Libby and Penny's Survival Guide is a common sense reference book written by educators filled with information for the successful implementation of the first birthday celebration through grade school parties. What sets this book apart from other parent resource books is the attention given to details such as a well-planned timeline based on the activity level and ages of the children, developmentally appropriate activities and guidelines for what to do with the children from the moment they arrive at the party until they go home. This resource guide offers realistic in-depth explanations and strategies beginning with pre-planning through the party day and after the event. When there is an organized party plan, the party is kept simple; the child is included in the planning process; the guest list is limited; then there will be a great party along with a happy child and parents before and after the event. Included are detailed step-by-step plans, age-appropriate activities, sample theme parties, decoration ideas, new traditions, manners, behavior expectations, food ideas, checklists, safety tips, timelines, and a quick guide for planning the overall party. This reference guide, full of ideas, templates, and easy-to-follow format, will help in creating lifelong birthday party memories. The planning can be as much fun as the event.

Hit of the Party, 1994

All projects offer simple step-by-step instructions, easy-to-follow diagrams, time-saving tips, and party-planning guidelines. Many projects use recycled materials to help save the environment, and there's even a special section for photo and video tips. One of the most unique features of this book are the photocopy projects. Save time and money by photocopying your own invitations, thank you notes, theme decorations, costumes, and party favors. Hit of the Party has everything in one book to give your child a birthday celebration that will be cherished forever.

Book jacket: *Child Magazine's Book of Children's Parties* Angela Wilkes, 1996

All you need to know to organize successful parties for young children.
