Performing Epic or Telling Tales Fiona Macintosh, Justine McConnell, 2020-02-20 Performing Epic or Telling Tales takes the new millennium as a starting point for an exploration of the turn to narrative in twenty first century theatre which is often also a turn to Graeco Roman epic However the dominant focus of the volume is less on what the recent epic turn in the theatre consists of than why it seems to be so prevalent this turn is explained with reference not only to the translation and scholarly histories of the epics but also to earlier performance traditions and notably to recent theoretical debates relating to text based drama and performance based theatre What is perhaps most remarkable about this epic turn is not simply the sheer number of outstanding performances that it has produced it is also that recent practice appears to have outstripped much theoretical discussion about theatre In chapters ranging from spoken word performances to ballet from the use of machines and technology to performances that make space for voices occluded by the ancient epics Performing Epic or Telling Tales seeks to contextualize and explain the narrative storytelling re turn in recent live performances a turn that regularly entails engagement with ancient Graeco Roman epics which have long provided poets playwrights artists and theatre makers with a storehouse of rich often perceived as raw material Refigured and refracted for the modern era the epics of ancient Greece and Rome are found to be particularly revealing and particularly telling of the contemporary wider cultural sphere Acting Bella Merlin, 2023-12-19 Acting The Basics 3rd Edition is a dynamic response to recent societal and entertainment industry changes focusing on inclusion diversity and equity and the actor s trajectory from training to rehearsal to performance on stage and screen with hands on tools and global perspectives The book offers vital ways of building a practical acting toolkit through breath body voice emotions imagination and spirit We begin with a socio cultural look at actor as magician storyteller healer and social changer Throughout there are insights from Black Indigenous First Nations South East Asian intercultural and feminist practitioners together with methods focusing on disability and

accessibility intimacy directives mindfulness and intersectionality Key canonical figures still feature e g Stanislavsky Meisner Brecht and Suzuki with re visioned perspective Scattered throughout are post COVID insights plus expanded sections on screen acting including self tapes and Shakespeare This book is useful for beginner or expert as it s always helpful getting back to basics Because the author is both an actor and an actor trainer the tools are steeped in user friendly application At the same time transferable skills e g dynamic listening and empathy are shown as relevant to everyone With a glossary of terms and useful online suggestions including blogs videos and podcasts this is ideal for anyone learn anew about the practice and history of acting or to take their acting and teaching into new terrain **Adapting Television Drama**

Christopher Hogg,2022-01-01 This book explores adaptation in its various forms in contemporary television drama It considers the mechanics of adaptation as an ever more prevalent form of production most notably in the reworking of literary sources for television It also explores the broader process through which the television industry as a whole is currently making necessary adaptations in how it tells stories especially in relation to important concerns of equality diversity and inclusion Offering and analysing 16 original interviews with leading British television producers writers directors production designers casting directors and actors and with a particular focus on female and or minority ethnic industry perspectives the book examines some of the key professional and creative approaches behind television adaptations today The book connects these industry insights to the existing conceptual and critical frameworks of television studies and adaptation studies illuminating the unique characteristics of television adaptation as a material mode of production and revealing television itself as an inherently adaptive artform *Telling and Re-telling Stories* Paula Baldwin Lind,2016-04-26 What is the relationship between literature and film What is meant when speaking about adapting a literary work to the screen Is it possible to adapt And if so how Are there films that have improved their literary sources Is adaptation a translation or rather a re interpretation What is the impact of adapting literary classics to a modern context This collection of articles offers a comprehensive and authoritative study of literary adaptation to film which addresses these and other unresolved questions in the field of Literary Adaptation Studies Within five different sections the volume s international team of contributors offers valuable study cases suggesting both the continuity and variety of adaptation theories The first section traces recurring theoretical issues regarding the problems and challenges related to the adaptation of literary works to the particular nature and dynamics of cinema The second and third parts focus on the specific problems and technical challenges of adapting theatre and narrative works to film and TV series respectively The fourth section includes the study of Latin American authors whose works have been adapted to the screen The fifth and final part of the book deals with the structures and devices that film directors use in order to tell stories The art of telling and re telling stories which originated in ancient times is present throughout this publication giving shape to the discussion Adaptations of stories are present everywhere in today s world and their development is well told and re told in this volume which will definitely interest academics and researchers
