Theology As Retrieval Receiving The Past Renewing The Church:

Theology as Retrieval W. David Buschart, Kent Eilers, 2015-04-15 Buschart and Eilers identify six critical areas Scripture theology worship spirituality mission and culture where contemporary Christians are retrieving aspects of our Christian past for life and thought today The result is a fascinating tour and wise reflection on how Christians might receive and transmit the treasures of their past

Theological Retrieval for Evangelicals Gavin Ortlund, 2019-11-05 Restless for rootedness many Christians are abandoning Protestantism altogether Many evangelicals today are aching for theological rootedness often found in other Christian traditions Modern evangelicalism is not known for drawing from church history to inform views on the Christian life which can lead to a me and my Bible approach to theology But this book aims to show how Protestantism offers the theological depth so many desire without the need for abandoning a distinctly evangelical identity By focusing on particular doctrines and neglected theologians this book shows how evangelicals can draw from the past to meet the challenges of the present

Ecclesianarchy John Williams, 2020-09-30 Strategic thinking about ministry and mission has tended to focus on the challenges of communication and presentation Less attention has been paid to the effects that this thinking has on ministry There is an unacknowledged dilemma for churches insofar as they are caught between the challenge to re shape ministry in response to cultural change and the belief that there are certain God given immutable foundations for ministerial order that must be retained Arguing that what is needed is a provisional approach to ministry which recognises that all forms of ministry are and always have been a response to social and cultural context this book brings theological and practical insight to bear on the question of ministry's provisionality In the end it asks is the only way through this dilemma a kind of Ecclesianarchy

Subversive Sabbath A. J. Swoboda, 2018-02-20 We live in a 24/7 culture of endless productivity workaholism distraction burnout and anxiety a way of life to which we've sadly grown accustomed This tired system of life ultimately destroys our souls our bodies our relationships our society and the rest of God's creation The whole world grows exhausted because humanity has forgotten to enter into God's rest This book pioneers a creative path to an alternative way of existing Combining creative storytelling pastoral sensitivity practical insight and relevant academic research Subversive Sabbath offers a unique invitation to personal Sabbath keeping that leads to fuller and more joyful lives A J Swoboda demonstrates that Sabbath is both a spiritual discipline and a form of social justice connects Sabbath keeping to local communities and explains how God may actually do more when we do less He shows that the biblical practice of Sabbath keeping is God's plan for the restoration and healing of all creation The book includes a foreword by Matthew Sleeth

Canonical Theology Peckham, 2016 What are the roles of canon and community in the understanding and articulation of Christian doctrine Should the church be the doctrinal arbiter in the twenty first century In Canonical Theology John Peckham tackles this complex ongoing discussion by shedding light on issues surrounding the biblical canon and the role of the community for theology and practice Peckham examines the nature of the biblical canon the proper relationship of Scripture

and tradition and the interpretation and application of Scripture for theology He lays out a compelling canonical approach to systematic theology including an explanation of his method a step by step account of how to practice it and an example of what theology derived from this canonical approach looks like Why Evangelical Theology Needs the Global Church Stephen T. Pardue, 2023-08-22 Christianity Today 2024 Award of Merit Missions Global Church Christian theologians and students are aware that evangelicals in the Majority World now outnumber those in North America and Europe and many want to know more about emerging voices in the global church At the same time these voices are largely absent from Western evangelical theology Stephen Pardue seeks to bridge this divide by arguing biblically and theologically that it is imperative for Western evangelical theology to engage with the global church and he provides examples of how this can be done Case studies throughout the book illustrate opportunities for fruitful engagement with non Western theology in various areas of Christian doctrine Readers will be given an introduction to the riches available within the worldwide body of Christ and learn how to engage productively with the global church **Kierkegaard and the Changelessness of God** Craig A. Hefner, 2023-08-22 Living what he perceived to be a culturally lukewarm Christianity S ren Kierkegaard was often critical of his contemporary church This volume explores his reading of Scripture and theology to argue not only that he was a modern defender of the doctrine of divine immutability but that his theology can be a surprising resource today *American Theological Inquiry, Volume Eight, Issue One* Gannon Murphy, 2015-09-08 American Theological Inquiry ATI reaches thousands of Christian scholars clergy and other interested parties primarily in the U S and U K The journal was formed in 2007 by Gannon Murphy PhD Theology Univ Wales Lampeter Presbyterian Reformed and Stephen Patrick PhD Philosophy Univ Illinois Eastern Orthodox to open up space for Christian scholars who affirm the Ecumenical Creeds to contribute research throughout the broader Christian scholarly community in America and the West The purpose of ATI is to provide an inter tradition forum for scholars who affirm the historic Ecumenical Creeds of Christendom to constructively communicate contemporary theologies developments ideas commentaries and insights pertaining to theology culture and history toward reforming and elevating Western Christianity ATI seeks a critical function as much or more so as a quasi ecumenical one The purpose is not to erase or weaken the distinctives of the various ecclesial traditions but to widen the dialogue and increase inter tradition understanding while mutually affirming Christ s power to transform culture and the importance of strengthening Western Christianity with special reference to Her historic creedal roots Theologians would be theologians and the theologically attentive will want to check out American Theological Inquiry Richard John Neuhaus 1936 2009 First Things **New Dictionary of Theology** Martin Davie, Tim Grass, Stephen R. Holmes, John McDowell, Thomas A. Noble, 2016-04-27 This classic one volume reference work is now substantially expanded and revised to focus on a variety of theological themes thinkers and movements From African Christian Theology to Zionism this volume of historical and systematic theology offers a wealth of information and insight for students pastors and all thoughtful Christians *Broken and Whole* Stephen A.

Macchia,2015-12-07 Ministry leader Steve Macchia has come to understand his own brokenness Writing from his own experience he offers the gifts of love found in 1 Corinthians 13 as the antidote to our brokenness along with spiritual assessment tools for the leader s personal reflection By embracing and befriending our own brokenness we can find wholeness in God s strength **The Task of Dogmatics** Zondervan,2017-11-21 Defining the Nature Process and Mission of Dogmatic Discourse Theologians often discuss method in a remote and preliminary way that suggests they are not yet speaking theologically when speaking methodologically But it is also possible to reflect on the work of Christian dogmatics in a way that is self consciously nourished by biblical reasoning resourced by tradition joined up with ecclesial practice and alert to spiritual dynamics Bringing together theologians who are actively engaged in the writing and editing of extended dogmatics projects The Task of Dogmatics represents the proceedings of the 2017 Los Angeles Theology Conference and seeks to provide constructive accounts of the nature of the dogmatic task The eleven diverse essays in this collection include discussions on Identifying theology s pattern and norm The validity and relativity of doctrinal statements The Apostle Paul and the task of dogmatics The retrieval of patristic and medieval theology Each of the essays collected in this volume engage with Scripture as well as with others in the field theologians both past and present from different confessions in order to provide constructive resources for contemporary systematic theology and to forge a theology for the future **Forming Ministers or Training Leaders?** Anthony Clarke,2021-06-15 Forming Ministers or Training Leaders is a unique book because it is based on a significant piece of empirical research Anthony Clarke explores the way that the practice among theological colleges in the UK has been changing and develops the concept of the pastoral imagination to express what a theological college is aiming to do with its students The book then offers an analysis of the pastoral imagination that is in fact at work in a selection of Baptist colleges and other theological institutions in the UK Alongside this Clarke offers a coherent and robust theological account of the work of a theological college through engaging with recent trinitarian theology and argues that this is best understood as a process of formation which embraces other ideas of training and education

Scripture in the Search for the Doctrine of God ,2025-10-13 Scripture and the Search for the Christian Doctrine of God examines the dynamic exegetical traditions that shaped the fourth century Trinitarian controversies and how these legacies of biblical reading have influenced both evaluations of the fourth century and subsequent use of patristic materials by scholars and theologians Part I Legacies focuses on pre Nicene reading practices with an eye towards how they were received in the fourth century and beyond Part II Traditions investigates how fourth and fifth century theologians received and inherited pre Nicene traditions of biblical reading Part III Receptions highlights the way that patristic exegesis has been received in a variety of post patristic contexts including Medieval Chinese Christianity early Renaissance Humanism and Contemporary Evangelicalism The result is a greater appreciation of the deeply biblical character of the early Christian search for the doctrine of God Re-Envisioning Transformation David C. Scott,2018-09-14 In today s church use of the

term transformation has become commonplace Various perspectives are offered on what a Christian view of transformation is and on how it may be achieved These often conflicting views suggest an ecclesial landscape characterized by pluralism division fragmentation confusion relativism individualism pragmatism and subjectivism Despite the current interest in transformational theology the absence of a common coherent and integrated vision and the lack of transformation is often accepted and affirmed

Re Envisioning Transformation looks at the possibility of moving toward a vision of transformational theology that is cohesive unified broad effectual and distinctly Christian In this book the contributions of two radically different theologians of the Christian life are examined This provides the basis from which to develop a comprehensive and integrated framework of transformational theology pointing God's people toward the need to express and live out a distinctly Christian vision

Preaching Jesus Christ Today Annette Brownlee, 2018-05-15 This book approaches preaching as a theological practice and a spiritual discipline in a way that is engaging straightforward and highly usable for busy preachers Bringing to bear almost three decades of practical experience in the pulpit and the classroom Annette Brownlee explores six questions to help preachers listen to Scripture move from text to interpretation for weekly sermon preparation and understand the theological significance of the sermon Each chapter explains one of the Six Questions of Sermon Preparation provides numerous examples and illustrations and contains theological reflections The final chapter includes sample sermons which put the Six Question method into practice

Worship by Faith Alone Zac Hicks, 2023-02-28 What does gospel centered worship look like for today's church Scholar worship leader and songwriter Zac Hicks contends that this idea can be found in Thomas Cranmer's theology of worship which was shaped by the Protestant principle of justification by faith alone and reflected in his 1552 edition of the Book of Common Prayer

Ecological Solidarities Krista E. Hughes, Dawn B. Martin, Elaine Padilla, 2019-10-30 Operating on the premise that our failure to recognize our interconnected relationship to the rest of the cosmos is the origin of planetary peril this volume presents academic activist and artistic perspectives on how to inspire reflection and motivate action in order to construct alternative frameworks and establish novel solidarities for the sake of our planetary home The selections in this volume explore ecologies of interdependence as a frame for religious theological and philosophical analysis and practice Contributors examine questions of justice climate change race class gender and coloniality and discuss alternative ways of engaging the world in all its biodiversity Each essay poem reflection and piece of art contributes to and reflects upon how to live out entangled differences toward positive global change Constructive and practical global and local communal and personal **Ecological Solidarities** is an innovative contribution to the discourses on relational and liberative thought and practice in religion philosophy and theology It will be welcomed by scholars of World Christianity and theology as well as seminary students activists and laity interested in issues of justice and ecology

God, Creation, and Salvation Oliver D. Crisp, 2020-01-09 This collection of studies in theology is written from the perspective of one from within the Christian faith and seeking greater understanding of the doctrinal deposit of that faith

As a leading scholar in Christian and analytic theology Oliver D Crisp summarizes and analyses Christian doctrine written in the form of traditional dogmatics Beginning with issues concerning the task of theology Crisp explores the challenges to systematic theology as a discipline the uses of Scripture in theological discourse and the reception of the theology of John Calvin He then moves issues at the centre of serious theological debate in recent theology the relationship between God and abstract objects in the thought of Jonathan Edwards and theological anthropology This volume culminates with studies that focus on central and defining issues in contemporary systematic and philosophical theology taking forward a constructive theological program in dialogue with important figures in the Christian tradition and engaged with some of the best contemporary theological scholarship

[Recovering from the Anabaptist Vision](#) Laura Schmidt Roberts, Paul Martens, Myron A. Penner, 2020-02-20 This volume performs a critical and vibrant reconstruction of Anabaptist identity and theological method in the wake of the recent revelations of the depth of the sexual abuse perpetrated by the most influential Anabaptist theologian of the 20th century John Howard Yoder In an attempt to liberate Anabaptist theology and identity from the constricting vision appropriated and reformulated by Yoder these essays refuse the determinative categories of the last half century supplied by and carried beyond Harold Bender's *The Anabaptist Vision* While still under the shadow of decades of trauma a recontextualized conversation about Anabaptist theology and identity emerges in this volume that is ecumenically engaged philosophically astute psychologically attuned and resolutely vulnerable The volume offers a Trinitarian and Christological framework that holds together the importance of Scripture tradition and the lived experience of the Christian community as the contributors examine a wide variety of issues such as Mennonite feminism Anabaptist queer theology and Mennonite theological methods These essays interrogate the operations of power violence exclusion and privilege in methodology in this changed context offering self critical constructive alternatives for articulating Anabaptist theology and identity

Ordained Ministry in Free Church Perspective Jan Martijn Abrahamse, 2020-10-12 In *Ordained Ministry in Free Church Perspective* Jan Martijn Abrahamse presents a constructive theology of ordained ministry by returning to the life and thought of the English Separatist Robert Browne c 1550 1633 This study makes a substantial contribution not only by solving one of the most thorny problems in congregational ecclesiology but also by recovering the legacy of this ecclesial pioneer Through an in depth analysis of Browne's literature the author provides a covenantal theology of ordained ministry in conversation with present day authors Stanley Hauerwas and Kevin Vanhoozer Inspired by the emerging trend of theology of retrieval Abrahamse offers a methodologically innovative way of doing systematic theology in a manner in which voices from the past can be made fruitful for today
