Theoretical Writings Bloomsbury Revelations Badiou:

Theoretical Writings Alain Badiou, 2006-06-22 Alain Badiou is arguable the most important and original philosopher working in France today Swimming against the tide of postmodern orthodoxy Badiou's work revitalizes philosophy's perennial attempt to provide a systematic theory of truth This volume presents for the first time in English a comprehensive overview of Badiou's ambitious system Beginning with Badiou's controversial assertion that ontology is mathematics this volume sets out his theory of the emergence of truths from the singular relationship between a subject and an event Also included is a substantial extract from Badiou's forthcoming work on the logics of appearance and the concept of world presented here in advance of its French publication Ranging from startling re-readings of canonical figures Spinoza Kant and Hegel to decisive engagements with poetry psychoanalysis and radical politics *Theoretical Writings* is an indispensable introduction to one of the great thinkers of our time

Poverty, Inequality and Social Work Ian Cummins, 2018-01-17 A critical analysis of the domino effect of neoliberalism and austerity on social work Applying theory including those of Bourdieu and Wacquant to practice it argues that social work should return to a focus on relational and community approaches

Social Work and Society Kate Parkinson, Sarah Pollock, Ian Cummins, 2019-11-27 It is essential that social work students understand the lasting impact political decision making can have on service users yet little guidance exists on this subject This valuable book provides a comprehensive introduction to politics in social work unifying the themes of political ideology and social construction across several areas of social work practice including emerging areas of practice The book Introduces the dominant political ideologies in the UK Examines the impact of these ideological perspectives on different demographic groups Explores emerging areas of growing political interest such as radicalisation Employs case studies and examples from practice to aid student understanding Including helpful key points to guide reading at the beginning of each chapter as well as exercises for seminars and further reading recommendations this text will be an invaluable resource to all students in social work

The Modes of Modern Writing David Lodge, 2015-10-29 *The Modes of Modern Writing* tackles some of the fundamental questions we all encounter when studying or reading literature such as what is literature What is realism What is relationship between form and content And what dictates the shifts in literary fashions and tastes In answering these questions the book examines texts by a wide range of modern novelists and poets including James Joyce T S Eliot Ernest Hemingway George Orwell Virginia Woolf Samuel Beckett and Philip Larkin and draws on the work of literary theorists from Roman Jakobson to Roland Barthes Written in Lodge's typically accessible style this is essential reading for students and lovers of literature at any level The Bloomsbury Revelations edition includes a new Foreword Afterword by the author

The Sexual Politics of Meat - 25th Anniversary Edition Carol J. Adams, 2015-11-05 *The Sexual Politics of Meat* is Carol Adams' inspiring and controversial exploration of the interplay between contemporary society's ingrained cultural misogyny and its obsession with meat and masculinity First published in

1990 the book has continued to change the lives of tens of thousands of readers into the second decade of the 21st century Published in the year of the book's 25th anniversary the Bloomsbury Revelations edition includes a substantial new afterword including more than 20 new images and discussions of recent events that prove beyond doubt the continuing relevance of Adams revolutionary book

Conditions Alain Badiou, 2008-01-01 The essays contained within Conditions show the immense scope and potential of Badiou's extraordinary system

BOOK JACKET Theory of the Subject Alain Badiou, 2009-07-28 Badiou is widely considered to be France's most important and exciting contemporary thinker Much of Badiou's earlier work including Being and Event can only be fully understood with a clear grasp of Theory of the Subject one of his most important works

Being and Event Alain Badiou, 2007-07-15 A translation of one of the single most important works of recent French philosophy Badiou's magnum opus and a must have for his growing following and anyone interested in contemporary Continental thought

The Red Years Alain Badiou, 2017-11-30 The Red Years Les Années Rouges features three key texts by renowned and controversial contemporary French philosopher Alain Badiou Theory of Contradiction Of Ideology and The Rational Kernel of the Hegelian Dialectic Hitherto unavailable in English these three texts elucidate the formative role of Badiou's Maoist phase an essential moment in his political and philosophical trajectory Furthermore these texts are vital to any understanding of radical French thought and politics in the 1970s and in the wake of the Cultural Revolution The Red Years also features original essays from leading commentators Tzuchien Tho and a concluding essay by Bruno Bosteels which argues for the presence of Maoism in Badiou's mature thought Badiou has also written a wholly new preface for this edition

Think Again Peter Hallward, 2004-05-01 Slavoj Žižek is not alone in thinking that Alain Badiou's recent work is the event of contemporary philosophy Think Again the first publication of its kind goes a long way towards justifying his assessment Badiou is nothing if not polemical and the most suitable way to approach his philosophy is precisely through the controversies it creates This book which opens with an introduction aimed at readers new to Badiou's work presents a range of essays which explore Badiou's most contentious claims in the fields of ontology politics ethics and aesthetics Alain Badiou has devised perhaps the only truly inventive philosophy of the subject since Sartre Almost alone among his peers Badiou's work promises a genuine renewal of philosophy a subject he sees as conditioned by innovation in spheres ranging from radical politics to artistic experimentation to mathematical formalization Slavoj Žižek is not alone in thinking that Alain Badiou's recent work is the event of contemporary philosophy Think Again the first publication of its kind goes a long way towards justifying his assessment Badiou is nothing if not polemical and the most suitable way to approach his philosophy is precisely through the controversies it creates This book which opens with an introduction aimed at readers new to Badiou's work presents a range of essays which explore Badiou's most contentious claims in the fields of ontology politics ethics and aesthetics

Badiou and His Interlocutors Alain Badiou, 2018-01-25 This is a unique collection presenting work by Alain Badiou and commentaries on his philosophical theories It includes three lectures by Badiou on contemporary

politics the infinite cinema and theatre and two extensive interviews with Badiou one concerning the state of the contemporary situation and one wide ranging interview on all facets of his work and engagements It also includes six interventions on aspects of Badiou s work by established scholars in the field addressing his concept of history Lacan Cinema poetry and feminism and four original essays by young and established scholars in Australia and New Zealand addressing the key concerns of Badiou s 2015 visit to the Antipodal region and the work he presented there With new material by Badiou previously unpublished in English this volume is a valuable overview of his recent thinking Critical responses by distinguished and gifted Badiou scholars writing outside of the European context make this text essential reading for anyone interested in the development and contemporary reception of Badiou s thought Badiou and the Philosophers ,2013-03-14

Between 1965 and 1968 the celebrated French philosopher Alain Badiou hosted a televised series in which he interviewed some of the most influential contemporary philosophers of the period including Michel Foucault Paul Ricoeur Michel Henry and Michel Serres This book presents the first English language translation of those interviews Although Badiou had yet to publish the books that would go on to mark him out as the leading thinker of his generation Being and Event and Logics of Worlds his unique approach and highly original ideas are present in each discussion and the interviews present his philosophical origins in a lively and engaging context More importantly these highly accessible and entertaining interviews provide a snapshot of French philosophy in the 1960s setting the scene for the very public and political context of philosophy in the period immediately preceding the events of May 68 where philosophy played a crucial role The book includes a new essay by Badiou in which he reflects on the project 30 years on Alain Badiou and the Book of Revelation Bruce Worthington,2024-05-29

Using many key philosophical concepts based on the work of Alain Badiou this book outlines the relationship between an event and the emergence of a truth which serves as a helpful organizing principle from which to study the origins of Christianity Alain Badiou and the Book of Revelation argues that despite what postmodern philosophy says truths still appear and their immanent character can be known in the world through a militant subject one who is willing to declare the consequences of an event that has happened The second half of the book applies Badiou s theory of the event to the book of Revelation a book that draws out radical even terrifying consequences from an event the victory of the Lamb particularly in the logic of a new world and a political body that is to come Based on several new insights following the completion of Badiou s The Immanence of Truths the book is a full length treatment of Badiou s philosophy to the study of Christian origins and the book of Revelation Badiou and His Interlocutors Adam John Bartlett,Justin Clemens,2018 This is a unique collection presenting work by Alain Badiou and commentaries on his philosophical theories It includes three lectures by Badiou on contemporary politics the infinite cinema and theatre and two extensive interviews with Badiou one concerning the state of the contemporary situation and one wide ranging interview on all facets of his work and engagements It also includes six interventions on aspects of Badiou s work by established scholars in the field addressing his concept of

history Lacan Cinema poetry and feminism and four original essays by young and established scholars in Australia and New Zealand addressing the key concerns of Badiou's 2015 visit to the Antipodal region and the work he presented there With new material by Badiou previously unpublished in English this volume is a valuable overview of his recent thinking Critical responses by distinguished and gifted Badiou scholars writing outside of the European context make this text essential reading for anyone interested in the development and contemporary reception of Badiou's thought Bloomsbury Publishing

Badiou and Communicable Worlds William Watkin, 2021-02-25 Logics of Worlds stands as one of the most important texts in contemporary thought Conceived as the sequel to Alan Badiou's Being and Event the book expands upon and elucidates the questions that were posed in the first book As a complex theory of worlds the text has for the most part been misunderstood but in William Watkin's diligent and critical close reading of the book he makes the case for Logics of Worlds being the essential Badiou book for anyone interested in existence meaning and the potential for radical change For Watkin this recasting of ontology is followed by a transformation of logic which is not only a theory of being but of appearing and allows Badiou to give new meaning to the object body and relation To do this he explores these concepts through architecture astronomy and renowned thinkers such as Kant Hegel and Kierkegaard For students of French Continental philosophy ontology and Badiou himself Watkin's commentary on the philosopher's text provides a brilliant and incisive new interpretation of this underrated work by the leading Continental philosopher of our time Everyday Life in the Modern World

Henri Lefebvre, 2016-02-25 Henri Lefebvre was one of the most significant and influential social theorists of the 20th century His impressive body of work crosses multiple disciplines including sociology philosophy economics politics and cultural studies In Everyday Life in the Modern World Lefebvre reveals the decisions and events which day to day we know very little about and do not actively participate in and yet have a profound effect on our lives He considers the impact of consumerism language and mass media on everyday life using a variety of critical approaches including Marxism and Structuralism The Revelations edition includes an introduction by Philip Wander in which he discusses the context and importance of the book particularly in the fields of communications work science and technology This is Lefebvre's manifesto for a new cultural revolution of the everyday which is as relevant today as it ever was *Badiou's 'Being and Event'*

Christopher Norris, 2009-05-24 Alain Badiou's Being and Event is the most original and significant work of French philosophy to have appeared in recent decades It is the magnum opus of a thinker who is widely considered to have re shaped the character and set new terms for the future development of philosophy in France and elsewhere This book has been written very much with a view to clarifying Badiou's complex and demanding work for non specialist readers It offers guidance on philosophical and intellectual context key themes reading the text reception and influence and further reading **Alain**

Badiou: Live Theory Oliver Feltham, 2008-06-26 Alain Badiou is undoubtedly the most exciting and influential voice in contemporary French philosophy and one of the most important theorists at work today His impact on continental philosophy

and the wider philosophy community politics and the arts in the last twenty years has been immense Alain Badiou *Live Theory* offers a concise and accessible introduction to his work and thought laying out the central themes of his major works including his magnum opus *Being and Event* and its long awaited sequel *Logics of Worlds* Oliver Feltham explores the fundamental questions through which Badiou's philosophy constantly evolves identifies the key turning points in his ideas and makes a clear case for the coherence and powerful singularity of his thought when employed in the analysis of political and artistic situations Feltham examines the thinkers and theorists with whom Badiou has engaged and who have engaged with him arguing that Badiou's work is compelling precisely because it opens up new genealogies and new polemics in the intellectual landscape The book includes a brand new interview with Badiou in which he discusses his current concerns and future plans This is the ideal companion to study for students and readers encountering this fascinating thinker for the first time

Anti-Badiou Francois Laruelle, 2013-02-28 A major new work by Francois Laruelle in which he confronts another of the most radical thinkers at work in France today Alain Badiou **Political Writings** Alain Badiou,

Theoretical Writings Bloomsbury Revelations Badiou: Bestsellers in 2023 The year 2023 has witnessed a remarkable surge in literary brilliance, with numerous compelling novels captivating the hearts of readers worldwide. Lets delve into the realm of bestselling books, exploring the fascinating narratives that have charmed audiences this year. Theoretical Writings Bloomsbury Revelations Badiou : Colleen Hoover's "It Ends with Us" This touching tale of love, loss, and resilience has gripped readers with its raw and emotional exploration of domestic abuse. Hoover skillfully weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can succeed. Theoretical Writings Bloomsbury Revelations Badiou : Taylor Jenkins Reids "The Seven Husbands of Evelyn Hugo" This captivating historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reids absorbing storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery. Discover the Magic : Delia Owens "Where the Crawdads Sing" This evocative coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens weaves a tale of resilience, survival, and the transformative power of nature, entrancing readers with its evocative prose and mesmerizing setting. These bestselling novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of engaging stories waiting to be discovered. The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a exceptional and gripping novel that will keep you speculating until the very end. The novel is a warning tale about the dangers of obsession and the power of evil.
