A Moral Economy of Whiteness Steve

Garner,2015-08-14 A Moral Economy of Whiteness presents a working model for understanding the main ways in which white UK people make race through talking about immigration in the twenty first century Based on extensive empirical interviews Steve Garner establishes four overlapping frames through which white English people understand immigration This comprises a narrative of unequal treatment where equality is a dirty word because it is seen as an agenda for redistributing resources to undeserving ethnic minorities non integrating migrants and unproductive white people Political correctness is seen as the ideological glue binding this unfair system People are thus retreating from Britishness into a more exclusive Englishness Garner explores the context of these understandings the dominance of neoliberal market rationales in which the State deprioritises anti discrimination work He concludes that these frames only make sense in a social world where Britain s imperial past has no bearing on the present and where racism in popular and media culture becomes purely a story of individual deviancy This book generates numerous international points of comparison that deepen our understanding of the backlash against multiculturalism in the West It will appeal to scholars and students of sociology social policy anthropology political science im migration multiculturalism nationalism and British studies

Migrants with Irregular Status in Europe Sarah Spencer,Anna Triandafyllidou,2020-05-20 This open access book explores the conceptual challenges posed by the presence of migrants with irregular immigration status in Europe and the evolving policy responses at

European national and municipal level It addresses the conceptual and policy issues raised post entry by this particular section of the migrant population Drawing on evidence from different parts of Europe the book takes the reader through philosophical and ethical dilemmas legal and sociological analysis to questions of public policy and governance before addressing the concrete ways in which those questions are posed in current policy agendas from the international to the local level As such this book is a valuable read to researchers practitioners and policy makers as well as to students working on irregular migration in Europe in a comparative and or country based perspective

Race, Ethnicity and Social Theory John Solomos, 2022-07-01 Race Ethnicity and Social Theory provides a critical analysis of the main areas of scholarly research and debate about racial and ethnic relations over the past few decades The book covers substantive areas of scholarly debate in this fast changing field including race and social relations identities and the construction of the racial other feminism and race the relationship between race and nationalism antisemitism the evolution of new forms of racism race and political representation and more generally the changing debates about race and ethnicity in our global environment The book argues that there is a need for more dialogue across national and conceptual boundaries about how to develop the theoretical tools needed to understand both the historical roots of contemporary forms of racialised social and political relations and the

contemporary forms through which race is made and re made A key argument that runs through the book is the need to develop conceptual frameworks that can help us to make sense of the changing forms of racial and ethnic relations in contemporary societies This means developing more dialogue across national research cultures as well as empirical research that seeks to engage with the key issues raised by contemporary theoretical debates The book will be of interest to both students wanting to develop a deeper understanding of this area of scholarship and to researchers of race ethnicity and migration working in various national and disciplinary environments Cornell University Courses of Study Cornell University,2007 **Contemporary Racisms and Ethnicities** Mairtin Mac an Ghaill,1999 Questions of migration national and ethnic belonging are of major symbolic significance to Western post colonial societies in uncertain times The main focus of this text is the interrelationship of changing representations of race ethnicity and racism with wider socio economic political and cultural transformations **Revisioning Gender** Myra Marx Ferree,Judith Lorber,Beth B. Hess,1999 This comprehensive handbook summarizes the state of gender studies by examining the crucial research of the past decade and by encouraging thinking about how the questions central to studying gender have themselves changed The book is an important step towards constructing a new analytical framework approach for the social sciences one that calls into question disciplinary boundaries The contributors illustrate how the use of gender by scholars in various and overlapping fields of study has helped alter concepts and research designs Subject Guide to Books in Print ,1993 **Whitaker's Books in Print** ,1998 **Stanford Bulletin** ,2006 **Theories of Race and Racism** Les Back,John Solomos,2022-05-17 Theories of Race and Racism A Reader provides an overview of historical and contemporary debates in this vital and ever evolving field of scholarship and research Combining contributions from seminal thinkers leading scholars and emergent voices this reader provides a critical reflection on key trends and developments in the field The contributions to this reader provide an overview of key areas of scholarship and research on questions of race and racism It provides a novel perspective by bringing together readings on the key theoretical and historical processes in this area the development of diverse theoretical viewpoints the analysis of antisemitism the role of colonialism and postcolonialism feminist perspectives on race and the articulation of new accounts of the contemporary conjuncture The contributions to this reader include classic works by the likes of W E B DuBois Stuart Hall and Frantz Fanon as well as timely pieces by contemporary scholars including Orlando Patterson Patricia Hill Collins and Paul Gilroy By bringing together a broad range of diverse accounts Theories of Race and Racism A Reader engages with various key areas of interest and is an invaluable guide for students and instructors seeking to explore issues of race and racism *Which Degree Directory Series* ,2000 **Which Degree Guide** ,2001 A Strategy for Change ,1979
