Deborah L. Rhode, 2013-08-02 Why do we look to lawyers to lead and why do so many of them prove to be so untrustworthy and unprepared In *Lawyers as Leaders* eminent law professor Deborah Rhode not only answers these questions but crafts an essential manual for attorneys who need to develop better leadership skills

Real Leadership! Are You Ready? Richard S. Dillard, Andrea L. Wagner, 2015-06-29 As Leadership goes so goes the group the organization the nation et al Yet in spite of this multi millennial axiom and the simple fact that we are the best leadership educated society in the history of business our encounters with genuine leaders remain extremely rare *Real Leadership Are You Ready* examines this perplexing

phenomenon and qualifies the problem as an unwillingness and or inability to use new leadership information to improve our performance It also provides the solution a Leadership Enrichment LIFE cycle LEL c to help individuals and organizations build and sustain durable Leadership Platforms If you are ready to enrich your personal leadership and raise the level of leadership in your organization this book is for you But I caution you ahead of time this book and its measures of merit are a little different than the typical leadership development offering It won t offer instant solutions or allow for a casual

engagement by the passive reader No It offers much more than that The principal measure of merit for *Real Leadership Are You Ready* is the extent to which it will steal you and your organization away from the impersonal and futile trappings of fake leadership and enable you to move toward the personal and productive outcomes of Real Leadership With your commitment and this book as a guide the personal and organizational platforms that emerge will not only provide better support for the weight of those who choose to follow your lead they will actually be able to withstand the world s difficult tests of time and torrent

Military Leadership and Counterinsurgency Victoria Nolan, 2011-12-18 Offering a unique and original perspective on Britain s Small Wars leadership culture this title is an essential reading for serving soldiers and scholars of military studies It is based on original archival research It offers fascinating survey of counterinsurgency operations with

relevance for today's military and security Between 1948 and 1960 the British army conducted three important counterinsurgency operations in Malaya Kenya and Cyprus During that time military leaders inspired the evolution of a distinct organisational culture known as small wars culture which affected learning discipline and attitudes towards leadership and fellow soldiers Using a synthesis of organisational theory and archival research this book explores how military leaders embedded and transmitted this particular military organisational culture within the British army and provides an analysis of leaders characteristics their support networks and past experiences This book will be of interest to counterinsurgency specialists the British Army and military historians and sociologists as well as to serving military forces
