Book Description : Its people versus owls in this laugh-out-loud story about one familys love for a special little owl, from bestselling nature writer and Newbery Medal winner Jean Craighead George. Borden Watsons father is out of job, and its all the spotted owls fault. The birds are endangered, which means loggers, like Mr. Watson, are no longer allowed to cut down trees. It doesnt make sense to Borden. Why are owls being put first over the citizens? But when Borden finds an owlet in the forest who needs his care, he brings it back home much to Mr. Watsons displeasure. Hilarious chaos soon ensues, as the tiny owl makes big changes in this logging familys home, and makes his way into their hearts. This heartwarming story is a great way for young readers to learn about important topics,
