Where There Is No Midwife Sarah Pinto, 2008-03-01 In the Sitapur district of Uttar Pradesh an agricultural region with high rates of infant mortality maternal health services are poor while family planning efforts are intensive By following the daily lives of women in this setting the author considers the women s own experiences of birth and infant death their ways of making do and the hierarchies they create and contend with This book develops an approach to the care that focuses on emotion domestic spaces illicit and extra institutional biomedicine and household and neighborly relations that these women are able to access It shows that as part of the concatenation of affect and access globalized moralities about reproduction are dependent on ambiguous ideas about caste Through the unfolding of birth and death a new vision of untouchability emerges that is integral to visions of progress

The Routledge Drama Anthology and Sourcebook Maggie Barbara Gale, John F. Deeney, 2010 The Routledge Drama

Anthology and Sourcebook is a groundbreaking compilation of the key movements in the history of modern theatre from the late Nineteenth Century to contemporary performance practice. Each of the book's five sections comprises a selection of plays and performance texts that define their period, reproduced in full and accompanied by key theoretical writings of performers and critics that inform and contextualise their reading. Substantial introductions from experts in the field also provide these sections with an overview of the works and their significance. The works span Naturalism and Symbolism, The Historical Avant Garde, Early Political Theatre, The Performance of Ideology, Contemporary Performance. This textbook provides an unprecedented collection of comprehensive resource materials which will facilitate in-depth critical analysis. It enables a dialogue between Chekhov, Strindberg, Lorca, Marinetti and Artaud, Brecht, Churchill, Fommes, Ravenhill and Gmez Pea amongst many other key practitioners.
