Identical Robert De Cristo fano,2006-11-30 From the very first moment that we gaze upon our own face in a mirror we are mesmerized At first we don t even recognize that the image peering back at us is our own Eventually we come to realize that the person in the mirror is indeed one with us a part of us and from that moment on everything changes Our reflection becomes an integral part of our life Without it life as we know it would be almost impossible It is here in front of that mirror that we finally see that which is very important who we really are So imagine for a moment what would happen if one day our image had suddenly tragically disappeared Identical twin brothers Marco and Luca Luna share everything Growing up in a small town they are an integral part of a loving family They participate in sports enjoy music and are active in their local church The brothers do everything together perhaps because they are so much alike and yet so different Then one moment and one event changes everything and nothing will ever be the same again

Weekly Compilation of Presidential Documents ,2000 *Lost Empress* Sergio De La Pava,2018-05-08 From the acclaimed PEN Robert W Bingham Prize winning author of A Naked Singularity a shockingly hilarious novel that tackles with equal aplomb both America s most popular sport and its criminal justice system From Paterson New Jersey to Rikers Island to the streets of New York City

Sergio de la Pava's *Lost Empress* introduces readers to a cast of characters unlike any other in modern fiction: dreamers and exiles, immigrants and night shift workers, a lonely pastor and others on the fringes of society, each with their own impact on the fragile universe they navigate. Nina Gill, daughter of the aging owner of the Dallas Cowboys, was instrumental in building her father's dynasty. So it's a shock when her brother inherits the franchise and she is left with the Paterson Pork, New Jersey's failing Indoor Football League team. Nina vows to take on the NFL and make the Paterson Pork pigskin kings of America. All she needs to do is recruit the coach, the players, and the fans. Meanwhile, Nuno DeAngeles, a brilliant and lethal criminal mastermind, has been imprisoned on Rikers Island for a sensational offense. Nuno fights for his liberty while simultaneously planning an even more audacious crime. In *Lost Empress*, de la Pava weaves a narrative that encompasses Salvador Dalí, Joni Mitchell, psychiatric help, emergency medicine, religion, theoretical physics, and everything in between. With grace, humor, and razor-sharp prose, all these threads combine, counting down to an epic and extraordinary conclusion. *Sea and Sword* Jim Genzano, 2021-05-03 Hunter Wilson finally found the magical world he'd been looking for all his life, then the Door closed to him. Now he's desperate to find a way back, any way back. But he's about to find out some Doors are more perilous than others. Drowning or getting eaten by pirates might be the price he has to pay to go back to the world where he feels he truly belongs.
