Therese Of Lisieux Gods Gentle Warrior:

Therese of Lisieux Thomas R. Nevin, 2006-10-12 Therese of Lisieux 1873 1897 also known as St Therese of the Child Jesus and the Holy Face is popularly named the Little Flower A Carmelite nun doctor of the church and patron of a score of causes she was famously acclaimed by Pope Pius X as the greatest saint of modern times Th r se is not only one of the most beloved saints of the Catholic Church but perhaps the most revered woman of the modern age Pope John Paul II described her as a living icon of God Her autobiography *Story of a Soul* has been translated into sixty languages Having long transcended national and linguistic boundaries she has crossed even religious ones As daughter of Allah she is venerated widely in Islamic cultures Therese has been the subject of innumerable biographies and treatises ranging from hagiographies to attacks on her intelligence and mental health Thomas R Nevin has gained access to many untapped archival materials and previously unpublished photographs As a consequence he is able to offer a much fuller and more accurate portrait of the saints life and thought than his predecessors He explores the dynamics of her family life and the early development of her spirituality He draws extensively on the correspondence of her mother and documents her influence on Th r ses autobiography and spirituality He charts the development of Therese s career as a writer He gives close attention to her poetry and plays usually dismissed as undistinguished and argues that they have great value as texts by which she addressed and informed her Carmelite community He delves into the French medical literature of the time in an effort to understand how the tuberculosis of which she died at the age of 24 was treated and lamentably mistreated Finally he offers a new understanding of Th r se as a theologian for whom love rather than doctrines and creeds was the paramount value Adding substantially to our knowledge and appreciation of this immensely popular and attractive figure this book should appeal to many general readers as well as to scholars and students of modern Catholic history *Experiencing God in Everything and Nothingness* Annette Potgieter, Khegan M. Delport, 2024-05-03 COVID 19 has impacted the way we see the world and the way we view spirituality in times of crisis people turn or return to religion or spirituality Most of the South African population identifies as Christian This brings to the fore what is meant by spirituality in a country crippled by the remains of apartheid structure rampant corruption poverty and various systemic problems Overall there is a lack of scholarship investigating spirituality and spirituality studies from the global South This book aims to bridge the gap New avenues are investigated of thinking about God in difficult circumstances as ideologies of hope and prosperity are reshaped This book links text and context spirituality and material culture self and society the analogue and the digital contemplation and action saying and unsaying in short the question of experiencing God in both everything and nothingness comes under the scope of this book

Patience with God Tomas Halik, 2009-04-14 For all the debate about belief and nonbelief in today s world and how everyone becomes pigeonholed by one or the other Tom Hal k teaches that God requires us to persevere with our doubts carry them in our hearts and allow them to lead us to maturity For Hal k patience is the main difference between faith and

atheism Faith hope and love are three aspects of patience in the face of God's silence which is interpreted as the death of God by atheists and is not taken seriously enough by fundamentalists Using the gospel story of Jesus's encounter with Zacchaeus Halik issues an invitation to all people who stand like Zacchaeus did on the sideline curious but noncommittal The fact that Jesus gravitated to the poor and the marginalized means that he also has a special place in his heart for diligent seekers on the margins of the community of believers
