or abdominal brain I take pleasure in presenting to many Americans students who will acquire possession of copies of this book these practical lessons in the ART AND SCIENCE OF PERSONAL MAGNETISM These Chapters contain the gist of the lessons taught by me in classes and to individuals in my courses of personal instruction conducted by me here in Paris for the past eighteen years In my personal class work of course I adapt the instruction to the special requirements of my individual students which I cannot do in the case of general lessons in printed form But notwithstanding this I feel that I have condensed into these pages the essence of my methods and principles of practice so that any student of average intelligence may readily grasp assimilate and apply the same with success at least I feel that if the student does not accomplish this it will be his or her own fault not that of myself In introducing this book I wish to express my obligations to Mr L N D an American student of mine here in Paris who has kindly transformed my rather stilted guidebook American into the plain simple form desirable for a book designed for the general public With hand on heart I send to my new American audience the sincere regards and most earnest wishes for success of Their Solicitous teacher Theron Q Dumont Paris France August 26 1913

The Power of Concentration Theron Q. Dumont, 2015-10-13 We all know that in order to accomplish a certain thing we must concentrate It is of the utmost value to learn how to concentrate To make a success of anything you must be able to concentrate your entire thought upon the idea you are working out Do not become discouraged if you are unable to hold your thought on the subject very long at first There are very few that can It seems a peculiar fact that it is easier to concentrate on something that is not good for us than on something that is beneficial This tendency is overcome when we learn to concentrate consciously If you will just practice a few concentration exercises each day you will find you will soon develop this wonderful power
