They Burn the Thistles Yashar Kemal,2006-11-21 Turkey's greatest novelist Yashar Kemal is an unsurpassed storyteller who brings to life a world of staggering violence and hallucinatory beauty Kemal's books delve deeply into the entrenched social and historical conflicts that scar the Middle East At the same time scents and sounds vistas of mountain and stream and field rise up from the pages of his books with primitive force Memed introduced in Kemal's legendary first novel Memed My Hawk and a recurrent character in many of his books is one of the few truly mythic gures of modern fiction a desperado and sometime defender of the oppressed who is condemned to wander in the blood soaked gray zone between justice and the law In *They Burn the Thistles* one of the finest of Kemal's novels Memed is on the run Hunted by his enemies wounded at wit's end he has lost faith in himself and has retreated to ponder the vanity of human wishes Only a chance encounter with an extraordinarily beautiful and powerful stallion itself a hunted creature serves to restore his determination and rouse him to action
