Fast Food, Fast Track Jennifer Talwar, 2018-03-05 Praise for Fast Food Fast Track A fine ethnography with both theoretical and advocative significance representing the best qualitative sociology Choice Explores the intimate realities and behind the scenes exchanges of a multiethnic work force serving the typical American meal Through a lively narrative and insightful stories Jennifer Parker Talwar gives a full sense of what it's like to live in both a global economy and a local culture Sharon Zukin author of *The Cultures of Cities* No longer just pocket money for American teens wages paid by multinational fast food chains are going to a new generation of order takers burger flippers and basket fryers newly arrived immigrants hailing from China the Caribbean Latin America and India a colorful sea of faces has taken its place behind one of the most ubiquitous American business institutions the fast food counter They have become a vital link between the growing service sector in our cities ethnic enclaves and the multi billion dollar global fast food industry For four years sociologist Jennifer Parker Talwar went behind the counter herself and listened to immigrant fast food workers in New York City's ethnic communities They talked about balancing their low paying jobs and monotonous daily reality with keeping the faith that these very jobs could be the first step on the path to the American Dream In this original and compelling work of ethnography Talwar shows that contrary to those arguing that the fast food industry only represents an increasing homogenization of the American workforce fast food chains in immigrant communities must and do adapt to their surroundings

[Why Don't You Want What I Want?](#) Rick Maurer, 2014-10-02 Rick Maurer introduces you to a high integrity process that engages you and the other person in creating outcomes you both fully support He shows you how

to turn resistance into support and use 6 principles of engagement to help you persuade while you build the relationship and get your ideas put into action **Keeping Your Career on Track** Craig Chappelow, Jean Brittain Leslie, 2011-07-28

Managers who achieve significant professional goals don't often worry about career derailment. But complacency isn't the same as continued success. Many high performing executives have one or more blind spots that they ignore as long as they meet their business goals. The traps that lead to derailment can usually be found among five leadership competencies: interpersonal relationships building and leading a team getting results adapting to change and having a broad functional orientation. Managers who rely on any of these skills at the expense of the others or who neglect these skills when promoted from a technical to a managerial role can sidetrack their career. Leadership success achieving it and continuing it depends heavily on a manager's developing and using each of these skills. *InfoWorld*, 1999-11-01 InfoWorld is targeted to Senior IT professionals. Content is segmented into Channels and Topic Centers. InfoWorld also celebrates people companies and projects. *Organizational Behaviour* Ray French, 2011 This new edition builds on the strengths and successes of the first edition and has been fully updated to reflect changes in the world of work following the global financial crisis. The authors combine a managerial approach focusing on practical real world applications with a rigorous critical perspective that analyses the research behind the theories. The text addresses alternative theoretical perspectives in parallel to the introduction of new worldwide cases and examples. New pedagogical features such as the Ethical Dilemma and Critical Thinking boxes reinforce the critical approach. The concise coverage of the core topics can be applied to both one semester and year long teaching and learning patterns. *Leading Beyond Change* Michael Sahota, Audree Tara Sahota, 2021-08-23 This guide shows readers how to transform a traditional organization into an evolutionary one with a framework and mindset that offer a new way of leading and approaching change. Now more than ever society is demanding change and organizations are being asked to shift into more conscious and agile business practices. Yet most of what people believe about leadership effective workplaces and how to create lasting change is either incomplete or outright incorrect. And even if the desire to change is there understanding of how to achieve it is elusive. This book holds the key. It introduces the Shift Evolutionary Leadership Framework SELF which helps leaders create the understanding and application needed to evolve high performance. At the core of the book are dozens of business patterns that cut across seven dimensions of organizational functioning. The traps of traditional organizations are contrasted with the high performance practices of evolutionary organizations. Authors Michael Sahota and Audree Tara Sahota explain the steps of leading beyond change evolving beyond servant leadership to make the inner shift needed to unlock the practical skills and techniques. Whether readers call this shift business agility Teal Agility evolutionary or the future of work it is possible to create high performing organizations filled with energized people who are able to surf the waves of change.
