Things Are Meaning Less Burn Collector:

Things Are Meaning Less Al Burian, 2003 This brilliant new book by Al Burian is a collection of comics drawings and handwritten text that together create a poignant and cohesive narrative Covering Al's days in Portland moving to Providence and a walking tour of his hometown this book is replete with Al's musings over life's little intricacies and meaning as well as the mental processes of growing up

No Apocalypse Al Burian, 2019-05-10 War seems to have frazzled the punks That's an unusual turn of events considering punk is the subculture that gave us the phrases let's have a war let's start a war war on 45 my war wargasm war all the time and so on Rock n roll is war said the band Frodus but you know it really isn't Rock n roll is just rock n roll assessed AC DC somewhat more accurately and while not necessarily noise pollution it is in the estimation of the Archers of Loaf too bad that the music doesn't matter Rock remains rock war remains war and despite everything being subjective and meaning something else entirely from what it appears to under the tenets of post modernity and end of historicism the fact remains that having a lot of dead people is a terrible terrible thing and having a lot of people voluntarily self inducing hearing loss is a less terrible thing Yes We are all in agreement here Al Burian is the author of the zine Burn Collector From 2000 to 2007 he was a columnist for various music magazines and DIY publications including Punk Planet HeartattaCk and the Skeleton NO APOCALYPSE presents the best of these writings collected in book form for the first time

Burn Collector Al Burian, 2010 A compilation of the first nine issues of the author's sporadically published and widely acclaimed personal zine this volume reflects the do it yourself attitude of the 1990s punk music scene and includes humorous anecdotes philosophical musings and nuanced descriptions of odd locales and curious characters all of which were taken mostly from outside of the punk milieu This new release of a cult classic shows the far reaching influence of self publishing with contemporary popular indie culture and bridges the gap between sub culture and the world at large

Maximum Rocknroll, 2004

Burn Collector #15 Al Burian, 2011-05-01 The expatriated Al Burian reflects on a year spent living in Berlin Germany His wildly free range topics include freedom happiness animal liberty Aristotle modern dentistry riots as rituals uncomfortable proximity to drunken teenagers and how to best color coordinate an outfit that includes a Black Flag T shirt and a baby stroller Plus when you realize the freedom an illustrated essay by Anne Elizabeth Moore This zine is the best one yet says Al Who are we to argue
