Things To Come Dwight Pentecost:

Things to Come J. Dwight Pentecost, 2010-05-11 A comprehensive and accessible study of eschatology for anyone interested in the important subject of biblical prophecy The Bible and its revelation about Jesus Christ's return is the one source of hope and confidence for the future in these dark days Approximately one fourth of the Bible was prophetic at the time it was written meaning that a greater body of Scripture is devoted to the unfolding of God's plan than any other one subject God the architect of the ages has seen fit to take us into His confidence concerning His great design But until *Things To Come* was published the treatment of biblical prophecy had been mainly either apologetic or expository with prophetic themes being developed individually apart from their relation to the whole revealed prophetic program This methodology produces fragmentary and unrelated knowledge of the subject In this monumental classic Dr Dwight Pentecost has synthesized the whole field of prophecy into a unified biblical doctrine a systematic and complete biblical eschatology He deftly handles many controversial topics including a detailed presentation of premillennial eschatology With nearly a quarter of a million copies sold *Things to Come* has earned its place in the library of the pastor the scholar and the seminarian or Bible institute student *Things to Come*, 2019 [BIBLICAL EVIDENCE OF A PRE-TRIBULATION RAPTURE](#) Stephen Nielsen, 2017-10-25 Many regard the idea of a pre Tribulation rapture as an escape for cowardly Christians who wish to escape not only the coming Tribulation but the present trials and responsibilities of life This book will help to dispel that idea as the reader will see clear biblical evidence of a pre Tribulation rapture This evidence is God's design to bring us comfort and encouragement in these last days This study in four parts thoroughly investigates the subject of the rapture Part one lays out the groundwork for the rapture in which we focus mainly on a study of Daniel 9 Part two is a short study of the kingdom of God so the reader can better see the significance of the rapture In part three we inspect each reference to His coming and show whether it refers to the rapture or to His glorious appearing In the last section our scope of study is narrowed to showing why the rapture must come before the Tribulation I highly recommend this book to you if you have any doubts about the rapture **The End** Mark Hitchcock, 2012-07-06 A Comprehensive Guide to Bible Prophecy and the End of Days The end times have seen a great amount of interest within the last two decades but there hasn't been a comprehensive overview of biblical prophecy and eschatology for more than five decades Mark Hitchcock's book is a thorough resource for the twenty first century *The End* will do for eschatology what Randy Alcorn's *Heaven* did for people's understanding of heaven It will provide a solid biblical foundation for Christians to explore the essential truths around this topic the end of the world In a clear and understandable way *The End* lays out How to interpret Bible prophecy The key prophecy passages in Scripture What you need to know about the Tribulation the Antichrist and signs of the last days The strengths and weaknesses of the different views on the Rapture the Millennium and the chronology of the end times events The book of Revelation doesn't need to feel daunting *The End* will give you confidence in and hope for the future as it points you toward the second coming

of Christ *Things to Come* J. Dwight Pentecost, 1973 *The Covenantal Kingdom* Ralph Smith, 1996 **Understanding End Times Prophecy** Paul Benware, 2006-05-01 Many Christians think of end times prophecy as a gigantic intimidating puzzle difficult to piece together and impossible to figure out But every puzzle can be solved if you approach it the right way Paul Benware compares prophecy to a picture puzzle Putting the edge pieces together first builds the framework that makes it easier to fit the other pieces in their place According to Benware the framework for eschatology is the biblical covenants He begins his comprehensive survey by explaining the major covenants Then he discusses several different interpretations of end times prophecy Benware digs into the details of the Rapture the Great Tribulation the judgements and resurrections and the millennial kingdom But he also adds a unique personal element to the study answering questions as Why study bible prophecy What difference does it make if I m premillennial or amillennial If what the Bible says about the future puzzles you Understanding End Times Prophecy will help you put together the pieces and see the big picture Rapture or Tribulation Richard W. Tow, 2022-04-04 We find ourselves in an hour that requires great spiritual preparation for the unique dynamics that are still ahead for the church Israel and the world as it is and will be I am thankful for any and every resource that gives courage to godly men and women to see where the world is going and embrace the unique role that the church serves this generation Therefore I am thankful for Richard Tow and his timely service to the body of Christ in laboring to produce this important book A generation of believers young and old are searching for biblical truth with depth on the subject of the return of Jesus because of the recent escalation of trouble and darkness I highly recommend that Richard s book be a priority for any searching for a clearer sense of the why behind the what of the timing of the Tribulation that precedes the Lord s return David Sliker President International House of Prayer University My friend and fellow minister for many years Richard Tow has written a must read book if you are interested in eschatology His comprehensive scholarly non dogmatic research of Scripture and the positions held on the Tribulation and the Rapture of the church leave it up to the individual reader to decide for him or herself which view to espouse Rapture or Tribulation is the kindest most thorough book I have read on the topic Dr Loren Houlthberg Professor Author and Regional Pastor for the Foursquare Church *God's Sands of Time* Dr. Mervil R. Stambaugh, 2021-05-07 god s sands of time begins by identifying the involvement of dispensations in the texts of the Bible It also defines the term dispensation as well as what is involved in determining what constitutes a given dispensation In order to understand the beginning of dispensations this book will examine the matter of the biblical account of the creation and the origin of man Another area that is considered is environmental involvement due to the ending judgment at the close of each dispensation In that the pregiven factors determine the opening and closing of a dispensation the author concludes that there are seven in number Thus each dispensation is evaluated in light of the biblical information given from Genesis to Revelation In looking at the first five dispensations along with most of the way through the sixth it is evident that the history of mankind is revealed in Scripture as God has been at work with man through the ages The reader

will also discover that the last two dispensations have much to reveal from Scripture concerning the happenings of the current unrest in the world and God's plan for the conclusion of this present heavens and earth. There is also information regarding the new heavens and new earth that is to be made that will last forever and will be righteous forever. The understanding of God's plan through the ages will bring comfort as we see that indeed God is in control and has been all along.

Systematic Theology, Volume 2, Second Edition James Leo Garrett, 2014-09-14

Rivals the major systematic theologies of this century Baptist History and Heritage Journal July 1996 One of the characteristics of Garrett's system that needs especially to be noted is its balanced judicious and nearly invariably objective presentation of materials While holding true to the teachings of his own Baptist faith Garrett so carefully and judiciously presents alternatives that teachers and students from other confessional and denominational positions will find his work instructive Consensus 1997 If one is searching for an extensive exposition of the biblical foundations and historical developments of the various loci of systematic theology there is no more complete presentation in a relatively short work than this Pastors will especially find this feature to be a real help in teaching theology It is an indispensable contribution to the task of systematic theology Journal of the Evangelical Theological Society September 1999 Many students and pastors will find all they need here and will in addition be helped to relate their knowledge to recent developments in the theological world The Churchman A Journal of Anglican Theology 1991 A gold mine of helpful material The Christian Century May 29 June 5 1991 No book that I know is more loaded with biblical and theological facts than this one The prodigious research that must have gone into the preparation of this volume is truly mind boggling Faith and Mission Fall 1991 Garrett has provided a massive and scholarly systematic theology from a thoroughly conservative and comprehensive viewpoint The work is well documented in both biblical and historical scholarship and will prove to be a classic William Hendrickson Southern Baptist Theological Seminary One of the most comprehensive concise books of its type available it should receive wide use in the classroom and in the study Robert H Culpepper Southern Baptist Theological Seminary

The Pretribulation Rapture Theory and Dispensationalism Revisited J. Mike Byrd, 2014-08-15 The Pretribulation Rapture Theory and Dispensationalism Revisited reviews and critiques a confusing array of popular theories that address the return of Jesus Christ and the church's rapture It proposes that a clarifying approach rests in letting Scripture interpret Scripture which yields a simpler more natural and consistent explanation of the pretribulation rapture and dispensationalism Drawing upon thousands of hours of Bible study J Mike Byrd presents an analysis and a related proposal that avoid both unthinking conformity to popular notions and oversimplification for the sake of palatability The Pretribulation Rapture Theory and Dispensationalism Revisited addresses methods of interpretation defines dispensationalism and the Dispensational Principle examines the scriptural testimony surrounding the day of the Lord and the day of God's wrath surveys the issues regarding imminence and discusses the rapture the resurrection and Christ's second coming If you wonder what Scripture clearly teaches about the this world's demise the end of human existence and the onset of God's sure and certain work to establish his reign then The Pretribulation Rapture Theory and Dispensationalism Revisited should offer you the scripturally grounded

review analysis and explanation you need to understand the Scriptures teachings on these ultimate issues **Expulsions!** Ely Roque Sagansay,2022-11-24 Expulsions is about the sure Debts Deaths and the Day of the Lord It s been over our head since conception The unstoppable Expulsions from Debts and Death through Jesus death help us live in victory and peace otherwise in constant fear His Second Coming is our blessed hope in the midst of debts and fear of death **The Day of the Lord, the Key to Understanding End-Time Prophecy** Allen M. Barber,2011-07 Have modern Christians been enlightened or misled Left behind has been a catch phrase in American church culture for more than a decade but pretribulation beliefs were virtually unheard of before the eighteenth century Many modern day believers await the return of the Lord to rapture the Church before a turbulent tribulation period expecting unbelievers to be left behind to suffer the horrors of this seven year period This popular belief is promoted from many evangelical pulpits and popularized by books and movies but does it really line up with the Bible Dr Barber provides a careful examination of Scripture and a critical analysis of the biblical commentaries that form the basis of the pretribulation rapture belief Once a pretribulationist himself he found that his in depth study of the Bible quickly revealed the errors of this position With spiritual biblical and intellectual insight The Day of the Lord The Key to Understanding End Time Prophecy challenges the very foundation of pretribulation theology Dr Barber stresses the importance of sola scriptura as he guides readers through his compelling and convincing argument for a clearer understanding of end times prophecy *Fulfilled Eschatology* Tim Liwanag,2015-02-25 Fulfilled Eschatology is about the story of the redemption of the Jewish nation and the end of the world prophecies that were accomplished in the first century **The Sign of the End of the Age** Paul Kalbach,2016-12-13 There is a small groundswell of thinking in the evangelical church that we may not have achieved a proper biblical understanding of end times events It is important for us to return to a careful study of these things because the time is near In The Sign of the End of the Age What Jesus Taught about the Future in Matthew 24 author Paul Kalbach helps you discover or rediscover the Olivet Discourse the Lords clear road map that all other prophetic Scriptures must reckon with To understand the discourse we must answer one critical question what is Matthew 24 about the future program for Israel or the end of the age events for all believers including the church Kalbach presents extensive arguments that show a different timing and sequence of events than is usually taught by proponents of the pretribulation rapture position His in depth study adheres to a most literal interpretation method The Sign of the End of the Age seeks to bring a deeper understanding of the end times period vital in a world that shows every sign that this time is near *The Deafening Cadence of Biblical Defection* Robert Delich PhD,2024-06-05 From a practical standpoint the book is a straight forward explanation as to why and who is intentionally destroying America from within With it morality integrity honesty and accountability have become socially and politically irrelevant Filling the gap are proven to be government induced psychopathological lies cheating immorality perversion and a failing judicial system By default these deficits are what happens when God is taken out of the equation Well researched the book s review on the troublesome church history

significantly correlates with the menacing tentacles from the anti Christian movement in America today For all the wrong reasons deep state biased media propaganda has lead to over control of individual rights and the first and second amendments are under attack If left wing policy is allowed to continue even the Democrat constituents will struggle to keep up with the blatant socio economic damage caused by the party they support Having little regard for the word of God this anti Christian movement has become a menacing parasitic force tearing at the very fabric of Christian ideology and moral stability of America And should man s God absent self serving immoral inequities continue to be the measuring tool that represent final authority I have to ask what kind of world will be assigned to the next generation Ultimately it will be the vulnerable misinformed and uniformed youthful voters that will certainly suffer the consequences
