from all their knowledge and experiences the thinking outside the box method but to use their knowledge and experience in new ways The book is structured around three key steps Expanding the box so that the pieces of the puzzle in it can move around more freely Filling the box with even more knowledge and how to get these new pieces of the puzzle to connect with the existing ones Shaking the box so that the pieces fall into new places and form new patterns The book shows that anybody can be creative The creative methods suggested in the book will be linked to real business examples from which techniques have been developed to help their implementation Numerous exercises and eye openers form part of the practical implementation of Micael Dahl n s ideas The book is framed by models and concepts of how creativity works the creative process the creative person and the creative result and what its effects are

Thinking in New Boxes (Summary) Alan Iny, 2015 getAbstract Summary Get the key points from this book in less than 10 minutes Whenever a company s leaders gather to brainstorm innovations someone will urge the group to think outside the box But that s not enough say Luc de Brabandere and Alan Iny of the Boston Consulting Group You must question your existing boxes the categories into which you place information and envision new ones That s what leaders of the BIC company did when they moved their thinking from one box making disposable pens to another making all sorts of disposable products Writing in an engaging conversational style Iny and de Brabandere outline five steps you can take to achieve more innovative thinking They follow up with a scenario planning application that invites you to think about how your company might prepare for an uncertain future The stakes are high they write because companies either drive change or have change happen to them getAbstract recommends this useful guidebook to corporate leaders at any level seeking fresh ways to spur innovation Book Publisher From the book THINKING IN NEW BOXES A New Paradigm for Business Creativity Copyright 2013 by The Boston Consulting Group Published by Random House a division of Penguin Random House LLC
