

"Think is a real eye-opener. Lisa Bloom brings her extraordinary passion, humor, and intelligence to the important subject of how women and girls can fight being drowned in a sea of pop culture, and lead lives that are fuller, richer, and more connected. Think is a must-read for all mothers and daughters."

—Dr. Phil, television host and #1 New York Times bestselling author

A portrait of Lisa Bloom, a woman with long, wavy blonde hair, smiling. She is wearing a red top, a gold chain necklace, and a watch on her left wrist. The background is a plain, light grey.

Think Straight Talk For Women To Stay Smart In A Dumbed Down World:

Think Lisa Bloom, 2011-05-24 According to Lisa Bloom the women and girls of today represent a stark paradox While American women excel in education at every level they likewise obsessively focus on celebrity media While women outperform their male counterparts in employment in urban areas for the first time in history they simultaneously spend countless hours staring in the mirror contemplating plastic surgery Lisa Bloom fears that women are in danger of spiraling into a nation of dumbed down tabloid media obsessed reality TV addicts Too often they outsource matters to experts and in doing so neglect to truly think for themselves The solution Lisa Bloom has the solution and it involves one simple word Think In this provocative entertaining educational and thoroughly researched book Lisa outlines the ways that we as a society and particularly women have fallen off the intellectual path and very specifically points to how damaging this has been to us on many levels Lisa shows us the fallout but she also provides the solutions for Reclaiming the Brain God Gave You and seizing back control of your mind and your life Think is delivered in a no nonsense manner that will make you laugh make you question yourself make you squirm but most important make you start thinking again *Raising Talent - How to Fast-Track Potential into Performance* Tim Goodenough, 2012-09-29 High performance in general and in sport in particular is becoming more and more competitive Today's parents and the coaches of talented youngsters face many challenges They know intuitively that they need to do something to help their children achieve their full potential but what is that something Executive coaches Tim Goodenough and Michael Cooper are highly experienced at working with people who want to develop that elusive balance between work and life while at the same time trying to develop their potential to get the most out of both They also work in the world of high performance sport In *Raising Talent* they set about discovering understanding and learning what the key dynamics and challenges are for developing talent especially that of children As their thinking became sharper and their principles better defined several models and techniques emerged and this book explains their context and how they may apply in your home They provide an accessible and quality self coaching programme and a solid foundation of high performance theory for fast tracking development This unique system of accelerating performance means that the hard working individual now has access to many of the mental coaching techniques and benefits that normally only a highly skilled professional would be able to provide Although aimed at parents more than any other group the principles and techniques in *Raising Talent* can be applied to the development of performance regardless of the level of talent at any age In fact these same models and principles have been successfully used to accelerate the performance of Olympians executives international athletes and performers in multiple sports and contexts as well as to develop Tim's karaoke singing *The Relationship Fix* Jenn Mann, 2016-10-13 Relationships aren't easy even the good ones If you are on the verge of a divorce or break up in a great relationship but want to take it to the next level or single and want to make sure your next relationship is better this book is for you Based on cutting edge research and almost three decades of clinical experience as a Marriage and Family

Therapist in private practice Dr Jenn Mann teaches you everything you need to know have a deeper more satisfying relationship and the skills to fix one that isn't working Reading Dr Jenn's book is like sitting down with her for a personal session in her treatment room Using her tell it like it is approach Dr Jenn guides you through the six steps needed to get your relationship on track and helps you to Use conflicts to strengthen your relationship Create connection with your partner even if you haven't felt it for years Change bad patterns Recognize and know what to do when unresolved issues are hurting the relationship Negotiate effectively to get your needs met Make an effective apology using the four R's Learn to forgive Reignite your sex life The Relationship Fix is also filled with case studies and stories from Dr Jenn's clients on VH1's Couples Therapy with Dr Jenn and her popular radio show and on her own personal experiences
