Think The Life Of The Mind And The Love Of God:

Think John Piper, 2013-04-23 This is a book to help Christians to think about thinking Focusing on the life of the mind helps us to know God better love him more and care for the world Along with an emphasis on emotions and the experience of God we also need to practise careful thinking about God Piper contends that thinking is indispensable on the path to passion for God So how are we to maintain a healthy balance of mind and heart thinking and feeling Piper urges us to think for the glory of God He demonstrates from Scripture that glorifying God with our minds and hearts is not either or but both and Thinking carefully about God fuels passion and affections for God Likewise Christ exalting emotion leads to disciplined thinking Readers will be reminded that the mind serves to know the truth that fuels the fires of the heart **Think** John Piper, 2010 A pastor challenges the church to think hard for the glory of God John Piper demonstrates from Scripture that we don't need to choose between glorifying God with our heart or with our mind Master Your Mind Michelle
