Third Eye Chakra Richard Reikivic, Asana Swami, 2020-02-23 Take a moment to reflect on your life are you truly happy and fulfilled Are you at peace with yourself Do you feel that you are living according to your best and highest purpose Awakening the third eye chakra or attaining enlightenment has long been the pursuit of many spiritual schools We might argue that it is more relevant today than ever before However nine times out of ten the answer is no It is ironic that we

have countless conveniences and luxuries at our fingertips and yet our lives seem to be more hectic and complicated. The amazing technologies and gadgets designed to make our lives easier are certainly great, so why are so many of us over stressed and burned out? We are under constant pressure to compete to be super parents, great partners and spouses, successful career people and reach high achievers. We think that when we have achieved those goals we will be happy. Ironically, our modern lifestyle creates more worry and anxiety for us. We worry about the future, we fret about our finances and we fear to lose our jobs or possessions, and the list goes on. Stress has become the norm in our crazy consumer driven materialistic culture. This is where awakening the third eye chakra can change your life; it will enable you to create a calm haven within yourself where the madness of the world outside can never reach you. You will gain the wisdom to understand that the mindless rat race is not your true calling. You will gain more clarity, knowledge and focus on what is truly meaningful and start to behave accordingly. In short, you will become your best possible self. What exactly is the third eye? It has been described as a gateway to non physical realms of inner consciousness, inner wisdom and spiritual gifts. It was referred to in the ancient Indian tradition as the eye of knowledge. This is not knowledge gained from experience and learning in the physical world. It can better be described as an awakening of one's insight and intuition that brings divine wisdom and unleashes amazing psychic abilities. We have all had those experiences where the third eye flicks open for a moment then closes again. These experiences are a sample of what you can expect to experience when you fully awaken and align your third eye chakra. This book gives a comprehensive guide on the following: What Are Chakras, Opening Your Third Eye, Chakra Meditation, The Pineal Gland, Ways to Heal and Balance The Chakras, Guided Meditation Techniques to Open the Third Eye, Secret Tips for Third Eye Chakra, The Third Eye Chakra and Everyday Life, How to Nourish Your Third Eye, The Biggest Mistakes People Make When Trying to Activate the Third Eye, AND MORE.
