Thirsting For Wholeness The Spiritual Journey Of Addiction And Recovery:

Thirsting for Wholeness Tom Brady, 1992-01-01 A certified addiction counselor and renowned recovery speaker offers a new perspective on addiction presenting addictive behavior as a search for wholeness Original **The U.S. Journal's ... National Treatment Directory for Alcoholism, Drug Abuse and Other Addiction Problems**, 1992 **Addiction and Spirituality** Oliver Morgan, 2012-11-09 Religious and secular counselors from a variety of disciplines share their basic approaches in working with addicted persons and their understandings of the spiritual dimension in treatment and recovery

Why Can't Church Be More Like an AA Meeting? Stephen R. Haynes, 2021-10-26 Do Christians need recovery Or is recovery something needed by the church itself Addiction whether to a substance or to a behavior is a problem within faith communities just like it is everywhere else But because churches are rarely experienced as safe places for dealing with addiction co addiction or the legacy of family dysfunction Christians tend to seek recovery from these conditions in Twelve Step fellowships Once they become accustomed to the ethos of vulnerability acceptance and healing that these fellowships provide however they are often left feeling that the church has failed them with many asking why can t church be more like an AA meeting Inspired by his own quest to find in church the sort of mutual support and healing he discovered in Twelve Step fellowships Stephen Haynes explores the history of Alcoholics Anonymous and its relationship to American Christianity He shows that while AA eventually separated from the Christian parachurch movement out of which it emerged it retained aspects of Christian experience that the church itself has largely lost comfort with brokenness and vulnerability an emphasis on honesty and transparency and suspicion toward claims to piety and respectability Haynes encourages Christians to reclaim these distinctive elements of the Twelve Step movement in the process of recovering church He argues that this process must begin with he calls Step 0 which as he knows from personal experience can be the hardest step the admission that despite appearances we are not fine Beyond Addiction to Awakening: , This book is an invitation to you to find completion and wholeness to work through second stage recovery fully including a necessary descent to let go of the separate self and embrace third stage recovery and abide in non dual being Connecting to God Abner Weiss, 2007-12-18 Distinguished rabbi marriage and family therapist kabbalist and popular lecturer Abner Weiss is extraordinarily qualified to write this book In Connecting to God he elucidates the teachings of Kabbalah showing how the Ten Sefirot of the Tree of Life are the transformers of divine energy in our bodies and the building blocks of creation Weiss calls them our spiritual genome He has created a psychological system and diagnostic method from kabbalistic texts and he uses these clinically tested interventions in his therapeutic practice Here he tells twenty eight stories of people he has helped liberate from their dysfunctional behavior empowering them to achieve spiritual growth With Rabbi Weiss as our guide we can use this kabbalistic approach to psychology to inform our lives with its insights rebalance what is out of kilter and heal the emotional wounds we have suffered Connecting to God is a wise wonderful and transformational book **Thirst** James B.
