This Abled Body Rethinking Disabilities In Biblical Studies Semeia Studies:

This Abled Body Hector Avalos, Sarah J. Melcher, Jeremy Schipper, 2007 She opened for jazz great Billie Holiday shared the set with Marilyn Monroe and flirted on screen with Jack Lemmon In her dream role Gene Roddenberry beamed her aboard the Starship Enterprise as Yeoman Janice Rand in the original Star Trek series But a terrifying sexual assault on the studio lot and her lifelong feelings of emptiness and isolation would soon combine to turn her starry dream into a nightmare

Abled Body, This, 2007 The burgeoning field of disability studies has recently emerged within the humanities and social sciences and as a result disability is no longer seen as the biological condition of an individual body Bodies, Embodiment, and Theology of the Hebrew Bible S. Tamar Kamionkowski, Wonil Kim, 2010-05-20 Recognizing that human experience is very much influenced by inhabiting bodies the past decade has seen a surge in studies about representation of bodies in religious experience and human imaginations regarding the Divine The understanding of embodiment as central to human experience has made a big impact within religious studies particularly in contemporary Christian theology feminist cultural and ideological criticism and anthropological approaches to the Hebrew Bible Within the sub field of theology of the Hebrew Bible the conversation is still dominated by assumptions that the God of the Hebrew Bible does not have a body and that embodiment of the divine is a new concept introduced outside of the Hebrew Bible To a great extent the insights regarding how body discourse can communicate information have not yet been incorporated into theological studies **The Social**

Contexts of Disability Ministry Albert A. Herzog, 2017-09-29 This book provides pastors seminarians and interested laity with the background necessary to understand the need for disability ministry and the contexts out of which the church's ministry among people with disabilities must emerge This is true not only for descriptions of ministries over the past sixty years but also the challenges disability poses for biblical studies church history Christian theology and ethics Insights are gained not only from mainstream secular and religious sources but from evangelical and other conservative materials The blending of items from different religious resources reveals just how ubiquitous disability is and the need for disability ministry now and for many years into the future The book's format is such that either it can serve as a text for courses on disability ministry or individual chapters can be employed in various courses on selected topics in biblical studies history theology and ethics Pastors and lay leaders will enjoy the depth of coverage for each topic This is a book about a serious subject for serious readers Its materials are designed to inform stimulate and promote disability ministry as a topic worthy of serious study Pentecostal Ecclesiology Chris Green, 2016-06-27 This reader in Pentecostal ecclesiology edited by Chris

Green brings together in a single volume a number of critically important previously published essays written by leading Pentecostal and charismatic scholars addressing the theology of the church sacraments and ministry in the Pentecostal charismatic traditions Contributors include Estrela Alexander Peter Althouse Jonathan E Alvarado Ken Archer Daniela Augustine Simon Chan Graciela Esparza Jenny Everts Chris E W Green Walter Hollenweger Cheryl Bridges Johns Veli Matti

Machinist, 2014-12-10 The long and complex history of reception and interpretation of the Hebrew Bible Old Testament
through the ages described in the HBOT Project focuses in this concluding volume III Part 2 on the multifarious research and
the different methods used in the last century Even this volume is written by Christian and Jewish scholars and takes its
wider cultural and philosophical context into consideration The perspective is worldwide and ecumenical Its references to
modern biblical scholarship on which it is based are extensive and updated The indexes names topics references to biblical

characters in Luke Acts in relation to constructions of masculinity in the Greco Roman world and argues that Lukan men do
not conform to elite representations of manliness **With Eyes of Flesh** Carole R. Fontaine, 2008 Carole Fontaine well
known among biblical scholars for her feminist studies in the biblical wisdom traditions and the ancient Near East is also a
human rights and interfaith activist working on issues of violence against Muslim women in the Middle East and Southern
Asia and a board member of many agencies such as the International Network for the Rights of Female Victims of Violence in
Pakistan and the Women's Forum against Fundamentalism in Iran In this collection of her essays mostly previously
unpublished she brings together these two concerns distilling from the scriptures of Judaism Christianity and Islam valuable
insights into current questions of human rights Unlike many writers Fontaine recognizes the critical role of gender in the
fundamental concept of the Other so determinative for our view of humanity In our days Fontaine argues human rights issues
have taken on a new dimension in political discourse about war peace and terror where often an appeal is made to religious
and scriptural justifications for the violation or preservation of rights Fontaine urges attention to the priority of the sufferer
in adjudicating meaning and turns to the little texts of daily ethics rather than grand theological abstractions in order to
place scriptures in meaningful conversation with the concrete realities of our world Book List Society for Old Testament

Moss,J. Schipper,2011-11-09 The primary aim of this volume is to synthesize the two fields of disability studies and biblical studies It illustrates how academic or critical biblical scholarship has shown that many texts involving disability in the Bible is much more nuanced than a casual reading or isolated proof texting may indicate **Sense and Stigma in the Gospels** Louise J. Lawrence,2013-10 Louise J Lawrence presents provocative re interpretations of biblical characters that have previously been sidelined and stigmatised on account of their perceived disability She introduces approaches taken from Sensory Anthropology and Disability Studies to bring fresh methodological perspectives to familiar Gospel texts **The Bible and Disability** Sarah J. Melcher,Mikeal Carl Parsons,Amos Yong,2017 The Bible and Disability A Commentary BDC is the first comprehensive commentary on the Bible from the perspective of disability The BDC examines how the Bible constructs or reflects human wholeness impairment and disability in all their expressions Biblical texts do envision the ideal body but they also present visions of the body that deviate from this ideal whether physically or through cognitive impairments or mental illness The BDC engages the full range of these depictions of body and mind exploring their meaning through close readings and comparative analysis The BDC enshrines the distinctive interpretive imagination required to span the worlds of biblical studies and disability studies Each of the fourteen contributors has worked at this intersection and through their combined expertise the very best of both biblical studies and disability studies culminates in detailed textual work of description interpretation and application to provide a synthetic and synoptic whole The result is a close reading of the Bible that gives long overdue attention to the fullness of human identity narrated in the Scriptures **"The Poor, the Crippled, the Blind, and the Lame"** Louise A. Gosbell,2018-08-03 The New Testament gospels feature numerous social exchanges between Jesus and people with various physical and sensory disabilities Despite this traditional biblical scholarship has not seen these people as agents in their own right but existing only to highlight the actions of Jesus as a miracle worker In this study Louise A Gosbell uses disability as a lens through which to explore a number of these passages anew Using the cultural model of disability as the theoretical basis she explores the way that the gospel writers as with other writers of the ancient world used the language of disability as a means of understanding organising and interpreting the experiences of humanity Her investigation highlights the ways in which the gospel writers reinforce and reflect as well as subvert culturally driven constructions of disability in the ancient

world **Redefining Perfect** Amy E. Jacober, 2017-12-05 Theology and disability have not always had an easy relationship. The interactions have ranged from downright hostile to indifferent or unintentionally excluding over the centuries. This theology book chooses instead to include those with disabilities after more than a decade of consideration and study. This results in a re-examination of major theological topics and the impact on the lives of those with disabilities, their family and friends, and the community at large. The focus of the book is to move the church beyond welcome to inclusion, where those with disabilities move from a guest of the community to equal and valued member of the community. While the book is about the theological inclusion of those with disabilities, its implications reach far beyond. It sets an approach for all people to find a place where they too may live in the fullness of Christian community. Stories of personal encounters are blended with explanations of doctrinal perspectives, giving the reader a chance to connect knowledge with wisdom born from real life experience.
