This House Is Not for Sale E.C. Osondu, 2015-02-03 The award winning author of *Voice of America* paints a vivid fully imagined portrait of an extraordinary African family and the house that holds them together A powerful tale of family and community *This House Is Not for Sale* brings to life an African neighborhood and one remarkable house seen through the eyes of a young member of the household The house lies in a town seemingly lost in time full of colorful larger than life characters at the narrative's heart are Grandpa the family patriarch whose occasional cruelty is balanced by his willingness to open his doors to those in need and the house itself which becomes a character in its own right and takes on the scale of legend From the decades long rivalry between owners of two competing convenience stores to the man who convinces his neighbors to give up their earthly possessions to prepare for the end of the world Osondu's story captures a place beyond the reach of the outside world full of superstitions and myths that sustain its people Osondu's prose has the lightness and magic of fable but his themes poverty disease the arrival of civilization in an isolated community are timeless and profound At once full of joyful energy and quiet heartbreak *This House Is Not for Sale* is an utterly original novel from a master storyteller

Be Bold and Win the Sale: Get Out of Your Comfort Zone and Boost Your Performance Jeff Shore, 2014-01-03. WHAT'S THE KEY TO SALES SUCCESS? BOLDNESS. Jeff Shore shows how to gain the essential confidence that is the first step to a great sales career. Neil Rackham, bestselling author of *SPIN Selling*. This book is loaded with great ideas to educate, inspire, and make you unstoppable in sales. Brian Tracy, bestselling author of *Unlimited Sales Success*. Includes interviews with Daniel Pink, Larry Winget, Linda Richardson, and many others. The most common challenge every sales professional must overcome is not indecisive customers, inferior products, or innovative competitors. It's the discomfort you feel when initiating calls, dealing with difficult customers, and asking for the sale. Sales expert Jeff Shore argues that boldness is required to embrace this discomfort and leverage it to land the sale. And it is a skill that can be learned. In this inspiring, humor-filled guide, he teaches you how to figure out exactly what inhibits you, why you make certain decisions in moments of discomfort, how to train your brain to prepare for uncomfortable moments, how your customer's own discomforts affect his or her purchase decisions. Featuring self-assessment tools, hands-on exercises, and case studies showing Shore's methods in action, *Be Bold and Win the Sale* is an indispensable resource for any sales professional.
