

A serene sunset scene over a body of water. In the foreground, a small blue boat is moored, its reflection visible in the calm water. In the distance, a lighthouse stands on a small island, also reflected in the water. The sky is a mix of soft pinks, purples, and blues, with scattered clouds. The overall mood is peaceful and contemplative.

This, too, shall pass.

This Too Shall Pass Shantanu Jain,2019-08-27 Time was running out for Shantilal A choice had to be made between pursuing his passion that he had dreamt of all his life and being with his wife Aisha the love of his life It all started when he met Mishika the only girl in his team Until then things were going well in his life When there was no work at the office due to transition and when two employees of the opposite sex started working together the chemistry was bound to develop Their boring office life was rejuvenated As they spent more time together somehow the lost love in his life rekindled She introduced him to the virtual world through a social networking platform During these obsessive moments while he was immersed in the virtual world his first love was brought in front of his eyes That girl who stole his heart in their first meeting was all over his imagination While he was busy with Mishika his obsession with the virtual world and his first love the cloud of doubt had started hovering around Aisha about his extramarital affairs When he was at the pinnacle of success being awarded the Best Employee Award of his company which he won only to fulfil his promise to his lovely wife a shocking incident occurred like a bolt from the blue and his life was shattered He lost the ground when he found that his house was locked and Aisha was nowhere to be seen All his efforts to contact her went in vain While stuck on the roof on a cold night waiting for his wife and wondering if she had left he reminisces about his glorious love life and contemplates on the series of incidents that led to this catastrophe Did he cross the line which Aisha had warned him of Will she ever come back to his life Will he fulfil his dream or sacrifice it for her He was dejected devastated and broken but alive hoping that This Too Shall Pass
