Thorns And Thistles Diplomacy Between Henry Viii And James V 1528 154:

Tudors Versus Stewarts Linda Porter, 2014-07-01 The war between the fertile Stewarts and the barren Tudors was crucial to the history of the British Isles in the sixteenth century The legendary struggle most famously embodied by the relationship between Elizabeth I and her cousin Mary Queen of Scots was fuelled by three generations of powerful Tudor and Stewart monarchs It was the marriage of Margaret Tudor elder sister of Henry VIII to James IV of Scotland in 1503 that gave the Tudors a claim to the English throne a claim which became the acknowledged ambition of Mary Queen of Scots and a major factor in her downfall Here is the story of divided families of flamboyant kings and queens cultured courts and tribal hatreds blood feuds rape and sexual license of battles and violent deaths It brings alive a neglected aspect of British history the blood spattered steps of two small countries on the northern fringes of Europe towards the union of their crowns Beginning with the dramatic victories of two usurpers Henry VII in England and James IV in Scotland in the late fifteenth century Linda Porter s Tudors Versus Stewarts sheds new light on Henry VIII his daughter Elizabeth I and on his great niece Mary Queen of Scots still seductive more than 400 years after her death

Thorns and Thistles Patrick C. Hote, 1996-08-08 This book investigates the relationship between Henry VIII s obsession with providing an heir and Anglo Scottish relations between 1528 and 1542 It is argued that the preoccupation of English foreign policy with ecclesiastical issues heightened Anglo Scottish tension and as a result Scotland moved closer to the center of English foreign policy concerns Anglo Scottish relations at the beginning of the sixteenth century were conditioned by two hundred years of hostility The Perpetual Peace of 1502 was an attempt to put an end to conflict but was unable to survive the belligerence and indifference of a tradition bound Henry VIII This book shows that the English king managed not only to ruin the peace but to alienate his nephew James V from the very beginning of the Scottish king s personal rule This is the first book to explore in detail the relationship between Henry VIII and the adult James V It also adds to the understanding of how the early years of the English Reformation influenced foreign policy and began to transform Anglo Scottish relations

The British National Bibliography Arthur James Wells, 1998 **Subject Guide to Books in Print** , 1991 Letters and Papers, Foreign and Domestic, of the Reign of Henry VIII , 1872 **Letters and Papers, Foreign and Domestic, of the Reign of Henry VIII.** , 1965 Letters and Papers, Foreign and Domestic, of the Reign of Henry VIII. , 1965
