Those Mysterious Priests:

Those Mysterious Priests Fulton John Sheen, 1974 This is a reprint of Fulton Sheen's last book published in his lifetime written a few years before he died in 1979 In his final years Archbishop Sheen gave many retreats to priests and was very concerned with making sure that priests had a strong moral and spiritual background to meet the challenges facing the Church after Vatican II This book covers a wide range of topics affecting the priesthood and is vintage Sheen written with his usual insight and humor

Those Mysterious Priests Fulton John Sheen, 2005 A priest is mysterious because he lives in two worlds He is at his best when he leads a double life at once both human and divine In this penetrating book written some five years before his death Sheen explores this duality inherent in the vocation of the modern day priest his need like that of Christ to feel the holiness of God that binds him to the Father and at the same time his need to become a victim like Christ for the world's sins assuming its guilt and poverty in union with the Lord In these pages he covers a wide range of topics including what it means to be both priest and victim the priest's role in continuing the incarnation the passion and the resurrection of Christ the need for a sense of humor in the priest who must be in the world but not of it frustration in the priesthood Mary as the mother of all priests and model of the lonely obedient and chaste priest the indispensable role of the Holy Hour in the spiritual growth and happiness of the priest Sheen proves himself to be a truly prophetic voice for the twenty first century Written with the liveliness wit and spiritual insight that continue to endear Sheen to millions *Those Mysterious Priests* emphasizes the sense of oblation and spirituality that is such an essential part of any effective priesthood in the world today Book jacket

Dominic Ignatius Ekandem 1917-1995 Michael I. Edem CM, 2016-06-07 A phenomenon seldom recognised in the media of Western Europe and North America is the extraordinary growth of the Catholic Church of South America and sub Saharan Africa during the last five decades and nowhere more than in Nigeria A key figure in that country and in that growth up to his death in 1995 was Cardinal Ekandem the first Anglophone West African bishop the first of many and an outstanding churchman of the 20th Century Fr Michael Edem's scholarly biography of the Cardinal is a fascinating account of a journey from life in a traditional African village to the consistory of cardinals of the Catholic Church in Rome It will be of enormous interest to a wider public for the author's personal knowledge of the cardinal and of the Efik Ibibio culture in which they both grew up

Salvation for All Gerald O'Collins, 2008-03-21 This book examines in depth and at length what the Old Testament and the New Testament hold about the salvation of God's other peoples The Bible repeatedly witnesses to the universal scope of the divine love for all human beings and the chances of salvation that are available to them Since the Israelites experienced for many centuries both at home and abroad the religion and culture of numerous other peoples the Old Testament texts have much to say both positively and negatively about the religious prospects and destiny of these peoples In its second half this book scrutinizes what Jesus the evangelists Paul and

the Letter to the Hebrews indicate about God's loving designs for all human beings. At the end the book breaks new ground by developing the universal presence of the risen Jesus along with the Holy Spirit and his role as universal Wisdom and the full teaching of the Letter to the Hebrews on the possibility of faith for all people.
