Threads Of The Heart:

THREADS OF THE HEART CH. FLICKWRITING,2024

The Wonders of the Heart of St. Teresa of Jesus ,1882

The Threads of the Heart Carole Martinez,2012-12-31 A nineteenth century Spanish seamstress flees her village for Morocco in a novel with a magical realist aspect An epic sweep and a richness of characterization The Independent They say Frasquita is a healer with occult powers that perhaps she is even a sorceress Indeed she has a remarkable gift one that has been passed down to the women in her family for generations From mere rags she can create gowns and other garments so magnificent so alive that they mask any defect or deformity They bestow a blinding beauty on whoever wears them But Frasquita s gift makes others in her small Andalusian village jealous And when her gambling husband brings misfortune on their family Frasquita travels across southern Spain and into Africa with her five children in tow Her exile becomes a quest for a better life and a way to free her daughters from the fate of her family of sorcerers Like the beautiful frescoes of Garc a M rquez this novel is a marvelous and lyrical fairytale bursting with colorful characters La Revue Litt raire Des Copines
