

The background of the book cover is a painting. It depicts a balcony with a wooden railing and balustrade, set against a vibrant blue wall. A window with a white frame is visible above the balcony. To the right, there are dark, leafy branches with small purple flowers. The overall style is painterly and somewhat somber due to the dark shadows and the deep blue color palette.

Three Balconies Stories And A Novella:

Three Balconies Bruce Jay Friedman, 2008-09-15 Three Balconies brings together 17 new stories by the celebrated humorist vintage Friedman all In sumptuously simple language the language of the street the bar the store the office Friedman gives us a collection of moral fables that explores friendship and faith and failure unswervingly yet with compassion and as always tremendous humour

Three Balconies Bruce Jay Friedman, 2008 In the foreword to his The Collected Short Fiction Bruce Jay Friedman wrote In her late years my mother confessed to me that she had dropped me on my head when I was two As I ve grown older I ve come to believe that her presumably innocent mistake resulted in the tilted quality I ve been accused of having in my work We can now add to the stories in The Collected Short Fiction the splendidly tilted fictions in Three Balconies vintage Friedman all In these stories Friedman returns to the Jewish suburbs of New York he explored with his characteristic wit and charm in his earlier stories and novels streets where Jew and Gentile duke it out time and again though often each remains uncertain of the reason In these pages you ll meet Jacob who as a junior counsellor at summer camp wakes up his young charges at midnight to tell them that their parents have been executed by the Nazis and Alexander Kahn a failed novelist turned journalist who breaks the law within sight of the prison warden so taken is he with the camaraderie he s discovered in the joint when compared with the thin gruel of companionship he s experienced outside You ll meet Harry the once famous screenwriter and a moral man who lacks a moral follow through And in the title novella the tragic and great Beau DeVyne perhaps the most memorable of Friedman s characters to date In sumptuously simple language the language of the street the bar the store the office Friedman gives us a collection of moral fables that explore friendship and faith and failure unswervingly yet with compassion and humour
