Three Poets Of Modern Korea Three Poets Of Modern Korea:

Three Poets of Modern Korea Sang Yi,Tong-sŏn Ham,Yŏng-mi Ch'oe,2002 An eclectic sampling of modern Korean poetry superbly translated by husband and wife team The Life and Works of Korean Poet Kim Myŏng-sun Jung Ja Choi,2022-11-30 The Life and Works of Korean Poet Kim My ng sun offers an introduction to Korea s first modern woman writer to publish a collection of creative works Kim My ng sun 1896 ca 1954 Despite attempts by male contemporaries to assassinate her character Kim was an outspoken writer and an early feminist confronting patriarchal Korean society in essays plays poems and short stories This volume is the first to offer a detailed analysis in English of Kim s poetry The poems examined in this volume can be considered early twentieth century versions of MeToo literature mirroring the harrowing account of her sexual assault and also subversive challenges to traditional institutions dealing with themes such as romantic free love same sex love single womanhood and explicit female desire and passion The Life and Works of Korean Poet Kim My ng sun restores a long neglected woman writer to her rightful place in the history of Korean literature shedding light on the complexity of women s lives in Korea and contributing to the growing interest in modern Korean women s literature in the West Interpreting Modernism in Korean Art Kyunghhee Pyun,Jung-Ah Woo,2021-09-30 This book examines the development of national emblems photographic portraiture oil painting world expositions modern spaces for art exhibitions university programs of visual arts and other agencies of modern art in Korea With few books on modern art in Korea available in English this book is an authoritative volume on the topic and provides a comparative perspective on Asian modernism including Japan China and India In turn these essays also shed a light on Asian reception of and response to the Orientalism and exoticism popular in Europe and North America in the early twentieth century The book will be of interest to scholars working in art history the history of Asia Asian studies colonialism nationalism and cultural identity

Contentious Activism and Inter-Korean Relations Danielle L. Chubb,2014-02-04 In South Korea the contentious debate over relations with the North transcends traditional considerations of physical and economic security and political activists play a critical role in shaping the discussion of these issues as they pursue the separate yet connected agendas of democracy human rights and unification Providing international observers with a better understanding of policymakers management of inter Korean relations Danielle L Chubb traces the development of various policy disputes and perspectives from the 1970s through South Korea s democratic transition Focusing on four case studies the 1980 Kwangju uprising the June 1987 uprising the move toward democracy in the 1990s and the decade of progressive government that began with the election of Kim Dae Jung in 1997 she tracks activists complex views on reunification along with the rise and fall of more radical voices encouraging the adoption of a North Korean style form of socialism While these specific arguments have dissipated over the years their vestiges can still be found in recent discussions over how to engage with North Korea and bring security and peace to the peninsula Extending beyond the South Korean example this examination shows how the

historical trajectory of norms and beliefs can have a significant effect on a state's threat perception and security policy. It also reveals how political activists in their role as discursive agents play an important part in the creation of the norms and beliefs directing public debate over a state's approach to the ethical and practical demands of its foreign policy.

Poet Nick Bozanic observes that these are the deliberate motions of a sensibility seeking not to reveal itself but to rediscover and renew something precious on the very lip of loss. Sensuously arresting and shot through with a soft sweet aching these lapidary lines move with the skill finesse and acuity of a master. Arthur Sze *Poetry Project*, 2001
