Three Simple Steps A Map To Success In Business And Life:

Three Simple Steps Trevor G Blake, 2012-08-23 How many self help books are written by authors whose biggest success is selling self help books *Three Simple Steps* is different Despite stock market crashes dot com busts and the specter of recession the author started a virtual company from home using a few thousand dollars of his savings A few years later without ever hiring an employee or leaving his home office he sold it for more than 100 million As the economy slipped into another free fall he did this again with a company in a different field He accomplished this through no particular genius Rather he studied the habits of the many successful men and women who preceded him and developed three simple rules that if followed diligently virtually ensure success Using them first to escape poverty then to achieve a life of adventures he finally turned them toward financial independence Written in a straightforward and no nonsense style *Three Simple Steps* shows you how to take back control of your destiny and reshape your mind for increased creativity serenity and achievement While building on the wisdom of great thinkers and accomplished individuals from East and West *Three Simple Steps* isn't a new age text or guide to esoteric fulfillment Rather it's a practical guide to real life achievement by a pragmatic businessman who attributes his incredible successes to these very simple ideas *Three Simple Steps* is a must read guide for everyone who wants to achieve more live better and be happier

The Success Pyramid Donald W. Caudill, 2025-07-29 In *The Success Pyramid* Dr Donald W Caudill a seasoned marketing professor and dedicated researcher in the science of success delves into the complexities and misconceptions surrounding the concept of success *The Success Pyramid* is not just another book offering hollow promises or quick riches Instead it presents a meticulously refined model of success originally conceived in 1976 and enhanced with practical insights and scientific findings from diverse fields Dr Caudill's model transcends conventional approaches offering a higher success rate and a realistic path to achieving goals The book is crafted to be both educational and engaging devoid of academic jargon and filled with vibrant examples humorous anecdotes and personal stories Each chapter illuminates a variable critical to success backed by scientific explanation and rational analysis Dr Caudill's expertise shines through as he translates complex research into accessible actionable advice This book is an essential read for anyone seeking a scientifically backed practical guide to success written by a researcher who not only understands the challenges of achieving success but has personally navigated them
