### **Three To Get Ready A Christian Premarital Counselors Manual:**

**Three to Get Ready** Howard A. Eyrich, 1979-11     A Christian Guide to Sexual Counseling Mary Ann Mayo, 2003-01-17  
Sexual counseling is not a task that pastors and general Christian counselors usually consider theirs. If one is to venture into the field, he or she must have a solid foundation of reliable information both physiological and psychological and confidence that caring intervention will make a difference. This book has been written to provide reliable information and also building a basis of confidence for Christian counselors. A Christian Guide to Sexual Counseling offers counselors procedures for helping couples with sexual problems by first exploring the ambivalent messages that church and culture have conveyed about sexuality. Because the primary sex organ of both the male and the female is the mind, attitudes and concepts must be scrutinized, weighed, and approved or disapproved. As the author so forcefully maintains, sexual counseling will always be trying to repair distortions if sound sex education does not become a priority for the church. Many contemporary Christians are wary of sex therapy because of the notoriety of charlatans and pop sex psychologists. But faddish theories do not comprise the basis for the mainstream of sex therapy. There are sound biological and psychological bases for sexual counseling. And Christian spirituality is not or should not be disjoined from treatment of sexual problems. So Mayo brings body, mind, and spirit together in her assessment of the common problems and the appropriate treatments. The book includes discussions of the following areas: attitudes of the church toward sexuality; the responsibility of Christian leaders to offer positive teaching; normal sexual functioning; common sexual problems in a marriage; the role and possible outcomes of sexual counseling; female problems; male problems; special concerns for singles; premarital education.     *Three to Get Ready* Howard A. Eyrich, 1978     The Biblical Counseling Movement David Powlison, 2010-02-12  
Beginning in the late 1960s, a biblical counseling movement sought to reclaim counseling for the church and provide a Christian alternative to mainstream psychiatry and psychotherapy. The Biblical Counseling Movement: History and Context is an informative and thought-provoking account of that movement. David Powlison's historical account     Practical Wisdom for Pastors Curtis C. Thomas, 2001-04-03  
As a pastor, your job is filled with blessings and satisfaction as well as unique challenges and pitfalls. Here a ministry veteran covers virtually all of those areas with a wealth of practical insight culled from 44 years in the pastorate. Blending his deep love of the Word and commitment to biblical ministry, Curtis Thomas offers a rich source of help and encouragement that will enthuse and benefit you whether you've pastored for five years or 50.     **Singles Ministry Handbook** Douglas L. Fagerstrom, 1988     **Three to Get Ready** Howard A. Eyrich, 1991     Equally Yoked Matthew R. Akers, 2016-03-03  
During the past fifty years, Western culture has experienced a significant shift in its overall stance regarding multiethnic marriage. As a result, more North Americans than ever marry spouses whose ethnicity or culture differs from theirs. This trend also is observable in Christian circles. Unfortunately, few resources exist to help multiethnic couples maneuver through the potential minefield of cultural collision. The purpose of this volume is to provide such a resource.

Equally Yoked examines the subject of multiethnic marriage from a biblical perspective before considering a history of the practice in North America over the last four centuries. Additionally, this book surveys the challenges that multiethnic Christian couples frequently encounter and offers premarital counseling propositions that will prove valuable to both counselors and couples who originate from diverse backgrounds. *Handbook for Marriage Preparation* Rev. Dr. Gabriel Gan, 2020-11-23

This handbook is written to help busy pastors, missionaries, lay counselors, and marriage mentors with a structured course for conducting marriage preparation. Topics addressed:

1. View of Marriage: What expectations does each partner have about marriage?
2. Family of Origin: How does each partner feel about his or her own family background? What traits of their family background does each partner want to or not want to carry into their marriage?
3. Roles: Does the couple have a biblical understanding of their marital roles?
4. Communication: Does each partner feel heard by the other? Does each person feel comfortable sharing feelings with the other?
5. Conflict resolution: Does the couple have the ability to resolve problems without destructive side effects?
6. Parenting: Do both partners want to have children? How will they be taken care of and by whom?
7. Sex: What are their views of sex before marriage? Who or what are their sources for sex education?
8. Finances: How are money matters to be decided? Have they agreed on a budget?

Thirty Seven Biblical Strategies For Making Marriage Joyful Dr. Howard Eyrich, 2023-09-12

About the Book: Here are proven strategies embedded in the Scriptures with which to unlock the joy and lock out the disappointment and disillusionment that lead to a hurtful and eventually fractured marriage relationship. By setting time aside each week, you will better understand and apply biblical solutions to issues in your relationship and direct your energies toward defeating the problem, not each other. Since God's plan of creation and redemption features marriage—Adam and Eve at the beginning and Christ with the Church at the end—a stable and joyful marriage not only brings God glory; it provides an example for future generations to build on and copy. Use this book as a marriage enrichment tool as a couple, a group study book to work through with other couples, or as a resource to use with a counselor. In doing so, you will stimulate the growth and development of your relationship with God and each other, experience greater joy in your marriage, and ultimately bring Him glory. Throughout, you will find Key Scriptures applied to marriage, Nuggets of wisdom from a biblical counselor who is himself long married, Questions to consider and answer, Practical homework to help you put what you've read into action, Dedicated space to write notes, prayers, or important ideas you want to remember.
