Four Views on Christian Spirituality Bruce A. Demarest, 2012-05-08 How do Christians cultivate a vibrant and Christ centered spirituality that is rooted in biblical clarity Spiritual formation the cultivation of a relationship with God lies at the heart of what it means to be a Christian in the body of Christ But with the rise of diverse spiritual practices from Zen meditation to out of body experiences the idea of spirituality has become watered down by postmodern culture Christian spirituality on the other hand embraces devotion to the triune God abiding in Christ the pursuit of holiness and the cultivation of virtues But what exactly falls within the scope Christian spirituality This volume of the Counterpoints series focuses on the Church's search for spiritual identity meaning and significance as interpreted by four of the major Christian traditions Eastern Orthodoxy represented by Bradley Nassif Roman Catholic represented by Scott Hahn Progressive Protestant represented by Joseph Driskill Evangelical represented by Evan Howard The Counterpoints series presents a comparison and critique of scholarly views on topics important to Christians that are both fair minded and respectful of the biblical text Each volume is a one stop reference that allows readers to evaluate the different positions on a specific issue and form their own educated opinion

The Pastor's Library Robert A. Yost, 2017-09-21 In the spirit of Cyril Barber's classic work from the 1970s The Minister's Library Robert Yost provides students and pastors with expert guidance on building a working ministerial library From Old and New Testament languages lexical aids and grammatical tools to commentaries and theologies as well as pastoral resources Yost is a trustworthy guide through the multiplicity of books that seem to just keep rolling off the presses Far more than just a guide to commentaries as are so many works today this resource is a balanced pastoral tool for pastors and students who are overwhelmed by the proliferation of literature in the fields of biblical and pastoral studies

Reading Genesis 1-2 Richard Averbeck, 2013 Seven Old Testament scholars from a variety of different perspectives come together to offer a critical and comparative assessment of the early Genesis narratives

Retrieving Augustine's Doctrine of Creation Gavin Ortlund, 2020-07-14 How might premodern exegesis of Genesis inform Christian debates about creation today Pastor and theologian Gavin Ortlund retrieves Augustine's reading of Genesis 1:3 and considers how his premodern understanding of creation can help Christians today shedding light on matters such as evolution animal death and the historical Adam and Eve
