World War II Milwaukee Military:

Chinese Milwaukee David B. Holmes, Wenbin Yuan, 2008 The history of Chinese Milwaukee begins in April 1874 with the opening by Wing Wau of a Chinese laundry at 86 Mason Street Other Chinese soon followed and by 1888 there were at least 30 Chinese laundries operating in the city Charlie Toy moved to Milwaukee in 1904 and within two decades had built both one of the largest Chinese trading businesses in the United States and a six story Chinese style building in downtown Milwaukee described as the largest and most luxurious Chinese restaurant building in the world An example of the community's influence as a whole is the period 1937 to 1940 when the community of less than 300 residents contributed more money to the Chinese war effort against Japan than any other Chinese community in the United States except San Francisco

The Liberators of Pilsen Bryan J. Dickerson, 2018-01-14 Formed in July 1943 at Camp Chaffee Arkansas the 16th Armored Division was the last U S armored division to be activated in World War II the last deployed to the European Theater and the last to see combat As the war in Europe was coming to an end General George S Patton chose the division to spearhead a daring advance into Czechoslovakia In its first and only combat operation the 16th liberated the city of Pilsen forever endearing itself to the Czech people Poised to continue to the capital city of Prague the division was halted not by German resistance but by political rivalries between the Western powers and the Soviet Union Official U S Army records and veteran accounts tell the story of the unit's brief two year existence and its successful mission

Milwaukee's Italian Heritage Anthony M. Zignego, 2009-10-01 The shores of Lake Michigan might seem a far cry from the coastline of the Mediterranean even for a country famous for its opera singers Nevertheless enough Italians responded to the call and returned home to repeat it confidently to brothers, brides and strangers to create a thriving community in Milwaukee Historians often emphasize Milwaukee's German heritage content to relegate the story of Italian migration to New York or Chicago but Anthony Zignego passionately explores the ways in which Italians shaped the Brew City and were shaped by it in turn From the Gardetto family to the enterprising women of the Third Ward to Festa Italiana Zignego presents a portrait of the immigrant experience with personal stories and interviews with ordinary immigrants and Milwaukeeans explaining the community's traditions and dispelling some of its myths Milwaukee's Italian Heritage highlights the struggles and triumphs that have always made immigration an opening clause and concluding question in the American story

Pearl Daniel Allen Butler, 2020-10-23 Simultaneously sweeping and intimate an eminently readable and engrossing account of the actions that pulled America into the Second World War Parks Stephenson producer *The Fight for Owens Pearl* December 7 1941 is the story of how America and Japan two nations with seemingly little over which to quarrel let peace slip away so that on that day which will live in

infamy more than 350 dive bombers high level bombers torpedo planes and fighters of the Imperial Japanese Navy did their best to cripple the United States Navy's Pacific Fleet killing 2 403 American servicemen and civilians and wounding another 1 178 It's a story of emperors and presidents diplomats and politicians admirals and generals and it's also the tale of ordinary sailors soldiers and airmen all of whom were overtaken by a rush of events that ultimately overwhelmed them Pearl shows the real reasons why America's political and military leaders underestimated Japan's threat against America's security and why their Japanese counterparts ultimately felt compelled to launch the Pearl Harbor attack Pearl offers more than superficial answers showing how both sides blundered their way through arrogance over confidence racism bigotry and old fashioned human error to arrive at the moment when the Japanese were convinced that there was no alternative to war Once the battle is joined Pearl then takes the reader into the heart of the attack where the fighting men of both nations showed that neither side had a monopoly on heroism courage cowardice or luck as they fought to protect their nations An engrossing read on a well tread but important subject Pearl will interest readers new to this history and satiate military historians Air Space Power Journal

War Monuments, Museums and Library Collections of 20th Century Conflicts Steve Rajtar, Frances Elizabeth Franks, 2015-07-11 This unique state by state directory covers monuments memorials museums markers statues and library collections that relate to the veterans weapons vehicles airplanes victims or any other aspect of war in which the United States participated While a site may have been created before 1900 such as a fort there must be some operational or historical tie to a twentieth century conflict to be included here General collections such as museums of aviation are included if they house materials related to a twentieth century conflict The coverage is so thorough that statues honoring veterans of the Civil War appear if veterans of later wars are on their rosters of honorees Another example of the comprehensiveness of this compilation is in the inclusion of memorials to victims of war such as the Holocaust Museum in Houston Texas For each site the following information is given street address phone number website and email address if applicable days and hours of operation admission fees other necessary information and a brief description of the site
