Nilsson, 2010-04-20 Italy is a country that exercises a hold on the imagination of people all over the world Its long history has left an inexhaustible treasure chest of cultural achievement The historic cities of Rome Florence and Venice are among the most sought after destinations in the world for tourists and art lovers and Italy s natural beauty and cuisine are rightly renowned Italy s history and politics are also a source of endless fascination Modern Italy has consistently been a political laboratory for the rest of Europe In the 19th century Italian patriotism was of crucial importance in the struggle against the absolute governments reintroduced after the Congress of Vienna 1814 15 After the fall of Fascism during World War II Italy became a model of rapid economic development though its politics has never been less than contentious and its democracy has remained a troubled one The A to Z of Modern Italy is an attempt to introduce the key personalities events social developments and cultural achievements of Italy since the beginning of the 19th century when Italy first began to emerge as something more than a geographical entity and national feeling began to grow This is done through a chronology a list of acronyms and abbreviations an introductory essay a map a bibliography and some 400 cross referenced dictionary entries on prominent individuals basic institutions crucial events history politics economics society and culture

Encyclopedia of Contemporary Italian Culture Gino Moliterno, 2002-09-11 This rigorously compiled A Z volume offers rich readable coverage of the diverse forms of post 1945 Italian culture With over 900 entries by international contributors this volume is genuinely interdisciplinary in character treating traditional political economic and legal concerns with a particular emphasis on neglected areas of popular culture Entries range from short definitions histories or biographies to longer overviews covering themes movements institutions and personalities from advertising to fascism and Pirelli to Zeffirelli The Encyclopedia aims to inform and inspire both teachers and students in the following fields Italian language and literature Arts Humanities and Social Sciences European Studies Media and Cultural Studies Business and Management Art and Design It is extensively cross referenced has a thematic contents list and suggestions for further reading Italy's Foreign Policy in the Twenty-First Century Bertjan Verbeek, Giampiero Giacomello, 2011-11-16 Italy's Foreign Policy in the Twenty First Century The New Assertiveness of an Aspiring Middle Power edited by Giampiero Giacomello and Bertjan Verbeek shows how changes in Italy's international and domestic environment since the early 1990s have affected Italy's foreign policy and raised its aspiration to become and be treated as a middle power The contributors theoretically engage with both rationalist and constructivist accounts of middle power behavior They reveal that the end of the Cold War the advent of globalization and the increase in institutionalized regional cooperation have increased Italy's freedom to maneuver by reducing its dependence on the United States while simultaneously causing Italy's policy freedom to decrease as a result of delegation of policy competencies to the EU and the need for cooperation in a globalized world Domestic changes notably the transition from the First to the Second Republic and the transformation of political leadership in Italy under Prime Minister Silvio Berlusconi have altered the specific way domestic politics is played out in foreign policy Rather than adopting the more common focus on Italy's bilateral relations with other countries or regions Italy's Foreign Policy in the Twenty First Century centers on actors issues and policy instruments in vital areas of Italy's foreign In addition it discusses the search for Italy's position in global affairs and emphasizes the importance of leadership styles domestic political agendas and party rhetoric in

determining Italy's foreign policy As Giacomello and Verbeek's volume demonstrates being consistent with such strategic prescription has always been a problematic undertaking for various Italian governments
