

RECOVERING THE
HISTORIC MINISTRY AND WORSHIP OF
REFORMED PROTESTANTISM

WORSHIPPING WITH
CALVIN

TERRY L. JOHNSON

Worshipping With Calvin

W. David O. Taylor

Worshipping With Calvin:

Worshipping with Calvin Terry L. Johnson, 2014 In the worship wars which have marked recent times many aspects have been considered but rarely is the issue of truly Reformed worship addressed In this pertinent work Terry Johnson effectually fills a void countless books have been written about Calvin but to date there has been scant material on Calvin and biblical worship The vital historical context is presented and the practical ramifications for Reformed biblical worship today are explored Publisher Serving with Calvin Terry L. Johnson, 2015-11-09 Terry Johnson's 2014 *Worshipping with Calvin* EP Books promised a follow up work that would focus on implementation *Serving with Calvin* is that work Whereas *Worshipping with Calvin* argued for the revival of historic Reformed ministry and worship by focusing on its biblical theological and historical foundations *Serving with Calvin* focusses on the nuts and bolts the how to's the application of historic Reformed ministry and worship today Our hope is that many will be convinced that it can be done and should be The Word read preached sung prayed and seen is as effective today as it ever was When practiced by faith in the power of the Holy Spirit ordinary means ministry may be the instrument by which Christ once again builds His church against which even the gates of hell shall not prevail *Lifting Hearts to the Lord* Karin Maag, 2016-01-13 The Church at Worship is a series of documentary case studies of specific worshipping communities from around the world and throughout Christian history case studies that can inform and enrich worship practices today In *Lifting Hearts to the Lord* Karin Maag brings together a wealth of primary sources to examine worship as it was taught and practiced in John Calvin's Geneva Enhanced with Maag's introductions and numerous marginal notes this volume covers the period from 1541 to 1564 capturing both Calvin's signal contribution to Reformation worship and the voices of ordinary Genevans as they navigated and fought about changes in their worship Some of the primary materials included here Selections from John Calvin's Scripture commentaries and sermons dealing with worship Pages from the Genevan Psalter and service book Historical maps and illustrations of Geneva and its churches Genevan city council edicts and ordinances on worship Excerpts from letters eyewitness accounts of Reformation worship in Geneva and consistory records *Semper Reformanda* Barbara Pitkin, Günter Frank, Bruce Gordon, Barbara Mahlmann-Bauer, Tarald Rasmussen, Violet Soen, Zsombor Tóth, Günther Wassilowsky, Siegrid Westphal, David M. Whitford, 2018-02-19 The chapters in this volume contribute to recent scholarship exploring the reform of worship as a central feature of Protestant communities at their inception and through the ages Case studies ranging from sixteenth century Geneva and its environs to the early modern Netherlands and South Asia to nineteenth century America provide a corrective to traditional depictions of Reformed worship as a static sober interior and largely individual experience focused on the sermon The key moments in the broad stream of Reformed worship traditions analysed by an international team of experts yield collectively an image of the adaptive and negotiated character of worship attitudes and practices over time and in varied cultural settings The contributions examine the phenomenon of worship in broadly construed ways and from angles

ranging from ritual studies liturgical innovation material culture and social impact A second red thread running through the volume concerns the material sensory emotional and experiential dimensions of Reformed religious culture Worship emerges as both a site of conflict and renewal in Reformed traditions inspiring not only confrontations and debates but also fruitful engagements that stimulated and continue to invite reflection on this critical category of Reformed faith traditions self understandings and cultural impact

The Theater of God's Glory W. David O. Taylor, 2017-08-21 A theological framework for the liturgical arts rooted in John Calvin Both detractors and supporters of John Calvin have deemed him an enemy of the physical body a pessimist toward creation and a negative influence on the liturgical arts But says W David O Taylor that only tells half of the story Taylor examines Calvin's trinitarian theology as it intersects his doctrine of the physical creation in order to argue for a positive theological account of the liturgical arts He does so believing that Calvin's theology can serve perhaps surprisingly as a rich resource for understanding the theological purposes of the arts in corporate worship Drawing on Calvin's Institutes biblical commentaries sermons catechisms treatises and worship orders this book represents one of the most thorough investigations available of John Calvin's theology of the physical creation and the promising possibilities it opens up for the formative role of the arts in worship

Reformed Worship Terry L. Johnson, 2015-06-15 Reformed Worship follows the release earlier in 2015 of the same author's *Worshipping with Calvin* This is a much shorter and more accessible presentation of the subject Terry Johnson shows clearly that there are good biblical and historical reasons why the worship of the Reformed church needs to be shaped in a particular way

Calvin's Ecclesiology Tadataka Maruyama, 2022-05-12 In this fresh and original monograph on the ecclesiology of John Calvin Tadataka Maruyama sifts exhaustively through the corpus of Calvin's writings in both Latin and French to crystalize the French reformer's conception of the Christian church After elucidating Calvin's influence from other reformers such as Jacques Lefèvre Guillaume Farel and Martin Bucer Maruyama shows how Calvin's ecclesiology evolved throughout his life while remaining firmly rooted in key principles and interests Maruyama discerns three phases in Calvin's ecclesiology Catholic ecclesiology in which Calvin saw the church as a unified and ideal institution situated both above and within history Reformed ecclesiology in which Calvin described the concrete historical form of the Christian church over against the Catholic Church Reformation ecclesiology in which Calvin came to understand the Christian church as an eschatological reality situated in a broader European context which Calvin portrayed as the theater of God's providence This trajectory mirrors the way the Protestant Reformation was focused on reforming particular churches while also reimagining the Christian world as a whole Indeed as Maruyama thoroughly illustrates Calvin never lost sight of his original vision of reforming the church of his French homeland even as his work grew into a much larger movement

Gospel Worship, or, The Right Manner of Sanctifying the name of God in General, in Hearing the Word, Receiving the Lord's Supper, and Prayer Jeremiah Burroughs, C. Matthew McMahon, 2018-04-06 Worship is not a trite act It is the life of the Christian When the Christian hears God in his word or

from the mouth of the biblical minister and is pressed to obey him in all things as exemplified in his word such obedience is for his very life For it is not a vain thing for you because it is your life Deut 32 47 In this obedience God has not left his ordinances of worship to the inventions of men God has set down certain specific requirements which are to be followed It was a hallmark of the Reformation that God alone determines the manner in which sinners approach him God's will in this way has reference to the regulative principle of life as well as to the Laws which God has made known and prescribed to man in order that his walk might be regulated accordingly So God regulates his worship with the intention of allowing fallen sinful people to come before him and sanctify his name in a manner that God requires in holiness This is the substance of Burroughs treatise Gospel Worship Worship is for God not for us Sadly that simple statement is foreign to our day Yet God is as clear today as He was to Nadab and Abihu in the Old Testament He will be treated as holy by those who come into His presence Lev 10 1 3 In this treasured work Jeremiah Burroughs masterfully provides guidelines to facilitate the reader to move closer to God in worship Through 14 sermons Burroughs carefully explains the right manner of worshipping God in general and the three great ordinances of hearing the Word receiving the Lord's Supper and prayer Burroughs demonstrates that true worship is reverent focused on the holiness of God This work is not a scan or facsimile has been carefully transcribed by hand being made easy to read in modern English and has an active table of contents for electronic versions

Calvin's Doxology Pamela Ann Moeller, 1997-01-01 This long standing series provides the guild of religion scholars a venue for publishing aimed primarily at colleagues It includes scholarly monographs revised dissertations Festschriften conference papers and translations of ancient and medieval documents Works cover the sub disciplines of biblical studies history of Christianity history of religion theology and ethics Festschriften for Karl Barth Donald W Dayton James Luther Mays Margaret R Miles and Walter Wink are among the seventy five volumes that have been published Contributors include C K Barrett Francois Bovon Paul S Chung Marie Helene Davies Frederick Herzog Ben F Meyer Pamela Ann Moeller Rudolf Pesch D Z Phillips Rudolf Schnackenburgm Eduard Schweizer John Vissers

The Battle for the Sabbath in the Dutch Reformation Kyle J. Dieleman, 2019-01-21 Kyle J Dieleman focuses on the doctrinal and practical importance of Sunday observance in the early modern Reformed communities in the Low Countries My project investigates the theological import of the Sabbath and its practical applications The first step is to focus on how Dutch Reformed theologians conceived of the Sabbath The theology of the Sabbath I argue moves over time from an emphasis on spiritual rest to participating in the ministries of the church to a strict rest from all work and recreation The next step is to explore congregants actual Sunday practices By attending to church governance records at the national regional and local levels the importance of proper Sabbath observance quickly becomes clear The provincial synod records classes records and consistory records indicate that church authorities were adamant that church members faithfully attend sermon and catechism services refrain from sinful practices and abstain from recreational activities Equally as telling as the observance demanded of church members is how

church authorities responded The church records portray these authorities as fretting over the disordered and unregulated nature of improper Sabbath observance Having established the importance of the Sabbath in Dutch Reformed theology and lived piety I argue the emphasis on Sunday observance is best understood as resulting from two main factors First the emphasis on proper Sunday observance is a result of the Reformed church authorities attempting to maintain the pious reputation of the Reformed faith and establish the identity of the Reformed Church amid multiple other confessional identities Second proper observance of the Sabbath was important because it ensured order within the church and society more broadly

The book delves into Worshipping With Calvin. Worshipping With Calvin is a vital topic that must be grasped by everyone, from students and scholars to the general public. This book will furnish comprehensive and in-depth insights into Worshipping With Calvin, encompassing both the fundamentals and more intricate discussions.
