Geest,2020-12-15 This open access collection of essays examines the literary advice industry since its emergence in Anglo American literary culture in the mid nineteenth century within the context of the professionalization of the literary field and the continued debate on creative writing as art and craft Often dismissed as commercial and stereotypical by authors and specialists alike literary advice has nonetheless remained a flourishing business embodying the unquestioned values of a literary system but also functioning as a sign of a literary system in transition Exploring the rise of new online amateur writing cultures in the twenty first century this collection of essays considers how literary advice proliferates globally leading

to new forms and genres Annie Dillard Linda L. Smith,1991 Annie Dillard's reputation as one of America's outstanding essayists was established with *Pilgrim at Tinker Creek* which won the Pulitzer Prize in 1975 and was hailed as a masterpiece in the tradition of Thoreau's *Walden*. Dillard's writing is directly descended from the transcendentalists but her essays address contemporary issues ranging from theology philosophy aesthetics and history to community memory imagination and spirituality. She has published six prose books since *Pilgrim at Tinker Creek* among them *Teaching a Stone to Talk* *Living by Fiction* and *The Writing Life*. In *Annie Dillard* Linda L. Smith provides an essential framework for the study of Dillard's life and writings. Smith lucidly traces the major themes in Dillard's work notably her attempt to reconcile life's beauty with its horror her concern with every aspect of consciousness and her meditation on how life should be lived in the face of suffering and death. Inherent in all Dillard's work Smith argues is a return to spiritual concerns and a preoccupation with the nature of human consciousness both beautifully expressed in an inimitable style. In emphasizing Dillard's vision of the natural and spiritual worlds Smith provides a new appreciation of Dillard's lasting achievements as well as an inspiring introduction to one of America's most talented and invigorating stylists.
