Lang, 2024-12-05 Where is the harm The truth is that the Folk Lore Society made up of the most clever learned and beautiful men and women of the country is fond of studying the history and geography of Fairy Land This is contained in very old tales such as country people tell and savages Little Sioux and little Crow Little frosty Eskimo These people are thought to know most about fairyland and its inhabitants But in the Yellow Fairy Book and the rest are many tales by persons who are neither savages nor rustics such as Madame D'Aulnoy and Herr Hans Christian Andersen The Folk Lore Society or its president say that their tales are not so true as the rest and should not be published with the rest But we say that all the stories which are pleasant to read are quite true enough for us so here they are with pictures by Mr Ford and we do not think that either the pictures or the stories are likely to mislead children *The Yellow Fairy Book* Andrew Lang, 1844-1912 Lang, 2016-08-27 This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it This work was reproduced from the original artifact and remains as true to the original work as possible Therefore you will see the original copyright references library stamps as most of these works have been housed in our most important libraries around the world and other notations in the work This work is in the public domain in the United States of America and possibly other nations Within the United States you may freely copy and distribute this work as no entity individual or corporate has a copyright on the body of the work As a reproduction of a historical artifact this work may contain missing or blurred pages poor pictures errant marks etc Scholars believe and we

The Yellow Fairy Book Andrew Lang, 2012 It is well for the fairy loving public that Mr Andrew Lang should go bravely on publishing his delightful Red Blue Green and Yellow Fairy Books as if the cry of too many books had never been uttered The juvenile clientele whom he addresses is an ever increasing one and is as many colored as Joseph's or as Parsifal's coat So skilful a caterer as this keen eyed Scotchman is not often found an intellectual gourmand of the first water long since awarded the cordon bleu in the fine art of fairy tales he knows what his public likes the exacting appreciative boy and girl public whose instinctive cleverness tells them what is good and what is not His sympathetic nature makes all children congenial to him and he has remained child enough despite Homeric disquisitions and scientific fads in folk lore to pick out with infallible taste just what they like The Yellow Fairy Book is full of tales from uncouth tongues like Polish Hungarian Russian and Red Indian but also sprinkled with old favorites like Andersen's Tin Soldier and Grimm's Iron Stone A glimpse or two from the fanciful French Cabinet des Fées is also to be found in this capital collection which is prefaced by a good natured but sharp tongued stricture on the false position of Mr Laurence Gomme and his rather portentous Folk Lore Society This book is fully illustrated and annotated with a rare extensive biographical sketch of the author Andrew Lang written by Sir Edmund Gosse CB a contemporary poet and writer
