Ocean of Attainments, 2024-04-16 This commentary on Guhyasamaja tantra is the seminal guide to deity yoga and tantric visualization for the Geluk school of Tibetan Buddhism Ocean of Attainments was composed by Khedrup J Gelek Palsang 1385 1438 one of Tsongkhapa Losang Drakpa's most prominent disciples Its subject is the creation stage a quintessential Buddhist tantric meditation that together with the completion stage comprises the path of unexcelled tantra The Guhyasamaja Tantra referred to as the king of all tantras is revered in Tibet especially by the Geluk school for its hermeneutic methods which are in turn applied to other tantras In the creation stage meditators visualize themselves as buddhas at the center of the celestial mandala surrounded in

all directions by male and female bodhisattvas and enlightened beings Since the core of the practice is visualization this meditation perhaps more than other meditations presumes the creative power of the mind Visualizations form the basis not only of the creation stage and deity yoga but of all tantric practices and rituals since tantric practice takes place not in mundane existence but in the illusion like purity of the enlightened view While the previously published Essence of the Ocean of Attainments is a concise exposition on the practice of the Guhyasamaja sadhana Ocean of Attainments is much more detailed providing extensive scriptural citations clear explanation of the body mandala arguments on points of contention reference to other tantric systems and critiques of misinterpretations Complemented by the extensive and clear introduction this volume is a vital contribution to the growing body of scholarship on Guhyasamaja and on Buddhist tantra in general

Highest Yoga Tantra Daniel Cozort, 1986 This book clearly outlines and discusses the methods for transforming both body and mind through the highest forms of tantric practice Highest Yoga Tantra is the pinnacle of tantric systems found in the Tibetan Buddhist tradition Remarkable for its definitive clarity this exposition of the stages of Highest Yoga Tantra is the first of its kind in the English language and a must for anyone interested in these highest tantras BOOK JACKET

Guenther,Chogyam Trungpa,2001-11-13 Westerners wanting to know about tantra particularly the Buddhist tantra of Tibet often find only speculation and fancy Tibet has been shrouded in mystery and tantra has been called upon to name every kind of esoteric fantasy In The Dawn of Tantra the reader meets a Tibetan meditation master and a Western scholar each of whose grasp of Buddhist tantra is real and unquestionable This collaboration is both true to the intent of the ancient Tibetan teachings and relevant to contemporary Western life **The Psychology of Buddhist Tantra** Rob Preece,2006-11-08 This book masterfully clarifies the nature of tantric practice In contrast to the approaches of conventional religion tantra does not attempt to soothe the turmoil of existence with consoling promises of heaven and salvation The tantric practitioner chooses to confront the bewildering and chaotic forces of fear aggression desire and pride and to work with them in such a way that they are channeled into creative expression loving relationships and wisely engaged forms of life In order to make the processes of tantra psychologically intelligible for a contemporary reader Rob Preece makes judicious use of the work of modern psychotherapy forging a compelling link between a Western tradition that hearkens back to the alchemical traditions of our own past and the comparably alchemical strategies of Tibetan Buddhist tantric practices In keeping with the pragmatic and therapeutic aims of both psychotherapy and Buddhist meditation The Psychology of Buddhist Tantra never loses sight of the central importance of applying these ideas to the concrete realities of day to day life By illuminating the richly symbolic language of tantra through the intermediate language of psychology The Psychology of Buddhist Tantra points to the transformative nature of tantric practices **The Buddhist Tantras** Alex Wayman,1990-01-01 This book has been divided into four sections Part One is an
