The Zoo That Never Was:

The Zoo that Never was R. D. Lawrence, 1981 Using anecdotes and personal observations the author describes the habits of the variety of wild animals taken in and cared for by him and his wife on their farm in Ontario The Zoo That Never Was R. D. Lawrence, 1991 **The World That Never Was** Alex Butterworth, 2010-06-15 A thrilling history of the rise of anarchism told through the stories of a number of prominent revolutionaries and the agents of the secret police who pursued them In the late nineteenth century nations the world over were mired in economic recession and beset by social unrest their leaders increasingly threatened by acts of terrorism and assassination from anarchist extremists In this riveting history of that tumultuous period Alex Butterworth follows the rise of these revolutionaries from the failed Paris Commune of 1871 to the 1905 Russian Revolution and beyond Through the interwoven stories of several key anarchists and the secret police who tracked and manipulated them Butterworth explores how the anarchists were led to increasingly desperate acts of terrorism and murder Rich in anecdote and with a fascinating array of supporting characters The World That Never Was is a masterly exploration of the strange twists and turns of history taking readers on a journey that spans five continents from the capitals of Europe to a South Pacific penal colony to the heartland of America It tells the story of a generation that saw its utopian dreams crumble into dangerous desperation and offers a revelatory portrait of an era with uncanny echoes of our own The Season That Never Was Leroy Willis, 2015-06-08 Coach Leroy Willis stops to close his eyes pat his dog on the head and think about the year that's gone by finding comfort in the good things his football team accomplished during a difficult year There was the routine At every practice he whistled the young men to the middle of the locker room where they all took a knee talked about the practice schedule and any problems Every time they closed with a team prayer There was the not so routine such as when Ricky approached him with tears in his eyes saying Coach I don't know if I'm going to be able to play next season When he found out the reason that his girlfriend was pregnant he gave him the best advice he could think of advising him to take some time right then to talk to the Lord about it It wasn't always just the players When one of his coaches told him he was going through a divorce he was shocked but he provided as much support as he could After all the team was a family Even though it might not have shown up in the win column Willis finds comfort in looking back on The Season That Never Was **The Family That Never Was** Jacque Lynn Singer, 2011-02-16 This highly emotional novel follows six generations of one family from the eighteen hundreds to the present The main thrust of the story revolves around Jacob and Esther their unabashed love for one another and their total lack of love care and nurturing of four children whom they brought into the world The four children of whom I am the oldest grow up fending for themselves or relying on me their Cinderella without glass slippers The novel chronicles life and death passionate love rape and incest childbirth and abortion open heart surgery and more including some fun and fascinating experiences as well as our innumerable attempts to bring our family together Along with being a novel abounding with emotion and incredulous happenstances it hopes to disprove a

long standing adage that people live what they learn as the four siblings around whom the novel is built have all risen above The Family That Never Was to being successful loving and caring individuals with thriving families of their own *The Journey That Never Was* Jeanne de Ferranti, 2019-01-25 To Jeanne de Ferranti's business minded parents it was dismissed as an irresponsible waste of time and it quickly became the journey that never was It didn't enter the record books and it was never reported in the press But to Jeanne and her friend and co driver Jane it was rather a big adventure Back in the early 1960s as two young women in their twenties they drove one of the first Minis right round the world and made it home in one piece The pair survived endless mechanical breakdowns and a major road accident enduring hunger thirst poverty bureaucratic red tape and food which ranged from the delightful to the disgusting They frequently had to fight off the attentions of amorous men even at one point escaping from an attempted rape at knifepoint But along the way they experienced the kindness of many strangers and saw some of the greatest sights the world has to offer finally making it safely home two years after they had set out This half a century on is Jeanne's enthralling account of the round the world adventure which at the time was simply swept under the carpet **Tinsley's Magazine** , *The American Magazine* , 1916
