is generally considered the inventor of the detective fiction genre He is further credited with contributing to the emerging genre of science fiction He was the first well known American writer to try to earn a living through writing alone resulting in a financially difficult life and career Born in Boston he was the second child of two actors His father abandoned the family in 1810 and his mother died the following year Thus orphaned the child was taken in by John and Frances Allan of Richmond Virginia Although they never formally adopted him Poe was with them well into young adulthood Tension developed later as John Allan and Edgar repeatedly clashed over debts including those incurred by gambling and the cost of secondary education for the young man Poe attended the University of Virginia for one semester but left due to lack of money Poe quarreled with Allan over the funds for his education and enlisted in the Army in 1827 under an assumed name It was at this time his publishing career began albeit humbly with an anonymous collection of poems Tamerlane and Other Poems 1827 credited only to a Bostonian With the death of Frances Allan in 1829 Poe and Allan reached a temporary rapprochement Later failing as an officer s cadet at West Point and declaring a firm wish to be a poet and writer Poe parted ways with John Allan

The Works of Edgar Allan Poe Edgar Allan Poe,1903 **The Works of Edgar Allan Poe - Volume 4** Edgar Allen Poe,2018-06-28 The Works of Edgar Allan Poe Volume 4 by Edgar Allan Poe THE DEVIL IN THE BELFRY What o clock is it Old Saying EVERYBODY knows in a general way that the finest place in the world is or alas was the Dutch borough of Vondervotteimittiss Yet as it lies some distance from any of the main roads being in a somewhat out of the way situation there are perhaps very few of my readers who have ever paid it a visit For the benefit of those who have not therefore it will be only proper that I should enter into some account of it And this is indeed the more necessary as with the hope of enlisting public sympathy in behalf of the inhabitants I design here to give a history of the calamitous events which have so lately occurred within its limits No one who knows me will doubt that the duty thus self imposed will be executed to the best of my ability with all that rigid impartiality all that cautious examination into facts and diligent collation of authorities which should ever distinguish him who aspires to the title of historian By the united aid of medals manuscripts and inscriptions I am enabled to say positively that the borough of Vondervotteimittiss has existed from its origin in precisely the same condition which it at present preserves Of the date of this origin however I grieve that I can only speak with that species of indefinite definiteness which mathematicians are at times forced to put up with in certain algebraic formulae The date I may thus say in regard to the remoteness of its antiquity cannot be less than any assignable quantity whatsoever We are delighted to publish this classic book as part of our extensive Classic Library collection Many of the books in our collection have been out of print for decades and therefore have not been accessible to the general public The aim of our publishing program is to facilitate rapid access to this vast reservoir of literature and our view is that this is a significant literary work which deserves to be brought back into print after many decades The contents of the vast majority of titles in the Classic Library have been scanned from the original works To ensure a high quality product each title has been meticulously hand curated by our staff

Our philosophy has been guided by a desire to provide the reader with a book that is as close as possible to ownership of the original work We hope that you will enjoy this wonderful classic work and that for you it becomes an enriching experience
