GARDEN**

The Year They Burned The Books

Lawrence Hill

The Year They Burned The Books:

The Year They Burned the Books Nancy Garden, 2017-09-05 From the author of *Annie on My Mind* comes an unflinching novel about prejudice censorship and homophobia in a New England town As the editor in chief of the *Wilson High Telegraph* senior Jamie Crawford is supposed to weigh in on the cutting edge issues that will interest students in her school But when she writes an opinion piece in support of the new health curriculum which includes safe sex education and making condoms available to students she has no idea how much of a controversy she s stepped into A conservative school board member has started a war against the new curriculum and now thanks to Jamie s editorial against the newspaper as well As Jamie deals with the fallout and comes to terms with her own sexuality the school and town become a battleground for clashing opinions Now Jamie and the students at Wilson need to find another way to express their beliefs before prejudice homophobia and violence define their small town
