 Johari,2000-09-01 Revised and expanded edition of the classic work on chakras by the renowned Indian scholar and tantra
 practitioner Over 35 000 copies of the original edition sold Includes full color illustrations of the chakras to be used with the
 meditation exercises in the book and provides the tools necessary to activate these centers of transformative energy In the
 ancient science of tantra the human body is viewed as the most perfect instrument for the expression of consciousness a
 perfection realized through the development of psychic centers known as chakras Located within the cerebrospinal system
 the chakras are the stage upon which the interaction between higher consciousness and desire is played out Consequently it
 is through understanding and utilizing the energies of the chakras that we ultimately reach an enlightened state of being In
 Chakras Indian scholar and tantra practitioner Harish Johari introduces the classical principles of the chakras as well as their
 practical application for today In this expanded edition complete with new art and text he unfolds the mysteries of these
 subtle centers of transformation with visualization techniques essential to a fully realized tantric practice Unlike other books
 in its field Chakras provides the tools to activate these centers of transformative energy and elevate one s intellectual
 knowledge to an experience of spiritual growth Meditating on the beautiful full color illustrations of each chakra vitalizes the
 cerebrospinal centers and harmonizes the entire system both physically and psychically Explanations of each chakra
 elaborate on the chakra s connection to elements colors sounds sense and work organs desires planets and deities as well as
 on behavioral characteristics and particular effects of meditation For scholars and spiritual aspirants of every level Chakras
